The Attempt to Prevent States from Voting for President.

The attempt of the Radicals in Congress, in the passage of a law to prohibit the counting of the votes of the States of Texas, Mississippi, and Virginia for President and Vice President, and the order of Gen Reynolds, forbidding the people of Texas to exercise their right, has been fittingly rebuked in a general order, issued by the President, and countersigned "by command of Gen. Grant," admonishing Reynolds that he is not to interfere with the civil rights of the people. The President quotes the provisions of the Constitution in support of his order, and shows that no power exists in Congess or out of it to compel the people to forego the right to aid in the choice of their rulers.

The people of the States of Virginia, Mississippi and Texas having the right to vote for Electors of President and Vice-President will do so, and if Congress does not count the votes if they are necessary to a choice, the people will do that duty for them.—*Eng.*

'RAH FOR GRANT!—The Radicals say they have improved on the old Democratic battle-cry. "No North, no South, no East, no West"—by adding thereto, no color.

No voter should forget that if he votes the Radical ticket he votes to compel by military power the political equality of the whites and blacks in the Government of the United States.

No voter should forget that if he votes the Radical ticket he votes to establish a coequal political partnership with the negroes for the purpose of running the United States Government in the future.

No voter should forget that if he votes the Radical ticket, he votes to sanctiou the doing away with all distinctions on account of color in the United States Government, under the compulsory process of the bayonet.

The Republicans, in their desperation, are importing a host of foreign speakers into Ohio. They do their cause no good, but infinite harm. They do not know the temper of our people. They do not know the temper of our people. They know nothing of our local issues, and, therefore, make serious mistakes in their line of argument. Every Radical speaker from abroad is a missionary for the Democrats.

AYER'S SARSAPARILLA.

IS a concentrated extract of the choicest root, so combined with other substances of still greater alterative power as to afford an effectual antidote for diseases Sarsaparilla is reputed to cure. Such a remedy is surely wanted by those who suffer from Strumous complaints, and that one which will accomplish their cure must prove, as this has proved, of immense service to this large class of our afflicted fellow citizens. How completely this compound will do it, has been proven by experiment on many of the worst cases to be found in the following complaints:

Scrofula. Scrofulous Swellings and Sores, Skin Diseases, Pimples, Pustules, Blotches, Eruptions, St. Anthony's Fire, Rose or Etysipalis Tetter or Salt Rheum, Scald Head, &c.

Syphilitic or Venereal Disease is expelled from the system by the prolonged use of this Sarsaparilla, and the patient is left in comparative health.

Feuaal Diseases are caused by Scrofula in the blood, and are often soon cured by this etract of Sarsaparilla.

Do not reject this invaluable medicine, because you have been imposed upon by some thing pretending to be Sarsaparilla, while it was not. When you have used Ayer's—then and not till then, will you know the virtues of Sarsaparilla. For minute particulars of the diseases it cures, we refer you to Ayer's American Amanac, which the agent below named will furnish gratis to all who call for it.

Ayer's Cathartic Pills, for the cure of Costiveness, Jaundice, Dyspepsia, Indigestion, Dysen ery, Foul Stomach, Headache, Piles, Rheumatism, Heartburn arising from Disordered Stomach, Pain or Morbid Inaction of the Bowels, Flatuiency, Loss of Appetite, Liver Complaint, Dropsy, Worms, Gout, Neuralgia, and as a Dinner Pill, are udequalled.

They are sugar coated, so that the most sensitive can take them with pleasure, and they are the best purgative in the world for all the purposes of a family physician.

(AMERICAN ALOE.)

This delicious preparation, made from the root of the American Aloe, (agave), is the favorite, and almost universal beverage of the inhabitants of the mountains of Peru, Mexico, and Lower California, where the plant grows in wild luxuriance. Their physicians constantly recommend it as a stimulant, and diuretic, in all diseases where such a remedy is indicated. One of the Proprietors, in traveling through Mexico and Lower California, several years ago, had confided to him by a Spanish Padre, the Recipe for its preparation. They now offer it to the public with the hope, that its high reputation as a remedy on the Pacific Coast, will be infinitely enhanced by its success upon the Atlantic. Its undoubted efficacy in Gravel, Gout, Chronic Rheumatism, Incipient Dropsy, Flatulence, Colic Pains; in Obstructions in the Bladder, Kidneys, and Urinary Organs; in Dyspepsia, and General Debility, and in Exhausted Vital Energy—is unrivaled. It is considered by the Mexicans to be an absolute specific for Scurvy.

DIRECTIONS.

As a *Diuretic*, a table-spoonful in a wineglass of sweetened water three times a day, just before meals. As a *Stimulant*, from half a wineglass to a wineglassful in a little water, as occasion may require. Observe the Seal upon the cork of the bottle, that it has not been previously broken. Full value will be paid for the empty bottles and boxes when returned to the Proprietors,

These Examinations will commence at 9 o'clock A. M., and close at 4 P. M.

No applicant will be admitted after eleven o'clock A. M. Written testimonials of good moral character, signed by at least two responsible persons will be required, which testimonials will be kept on file. No certificate can be antedated, and the School Law prohibits Township Clerks from giving orders to teachers for pay, unless they have certificates embracing the whole term of service. The School Law requires teachers to understand the following branches, and be able to impart instruction in them all: Reading, Writing, Orthography, Arithmetic, English Grammar and Geography. A failure in one is a failure in all, and those not having a fair knowledge of each and every one of the above branches need not apply for a certificate. Particular attention will be paid to Orthography, and those not having studied it will be promptly rejected. No private examination will be held, and no "application by letter" will be answered. Only four grades of certificates ill be issued viz: For 6 months, 12 months, 18 and 24 months. A certificate for 6 months is a trial certificate and will not be issued the second time to the same applicant. Those having certificates for six months must be able to procure certificates for 12 months or none. School Directors are requested to furnish us reports of the success of teachers, as they will aid materially in granting certificates only to those who are successful. Those expecting to teach the higher branches will be examined accordingly. The standard of Ashland County Teachers must be advanced, and applicants will best this in mind. There will be no adjournment after examinations commence, until they close. A fee of 50 cents is required as a condition of Examination, and must be paid in advance.

By order of the Board.
