☞ The present is the first number of the 41st volume of the *Gazette*, the 23d since our first connection with it, and the 21st since it has been under our exclusive control. For the liberal support it has at all times received from the people of the county, we repeat our oft-expressed acknowledgments—and it is gratifying to us to be able to say that its list of subscribers is greater to-day than at any former period of its existence, while the other branches of the business of the establishment have been but little if at all affected by the pecuniary embarrassments that have for some time past pervaded the country.

The Municipal and Township elections held Monday last, resulted as follows:

☞ RIGHT NOW!—Go to Gavitt's Palace of Art, you that desire a life-like and perfect Ambrotype for fifty cents; something that will be an ornament in your family. Rooms over G. W. Little & Co's. Store, west side Main street. *

[COMMUNICATED]

The Sabbath School Association will meet at half past 7 o'clock on Monday evening, April 13th, in the William Street M. E. Church.

Addresses by Professor Merrick, Rev. Mr. McElroy and Mr. Newton. The ability of these gentlemen and the object of the Association ought to fill the house. This is the time to organize our Summer Schools, hence we need our interest and zeal increased. Better meet and devise ways to keep and interest youth in the paths of virtue, than crowd the *court house* to hear them tried for crimes which our influence might have prevented. X.

IMPROVED STOCK.—Those interested in improvement of the horse, will be pleased to learn that one of the Norman Stallions imported from England last fall by the Darby Plains Importing Company, will be kept the present season in this place and Sunbury. He is six years old, 16 hands high, weighs 1500 lbs., and is a horse of extraordinary strength and muscle. As draft horses this breed is unequalled by any other in existence. *

Mr. Thomson:—In looking over some old papers, I found a stray Enigma, and have not as yet found any one that can solve it. If any of your readers can do it they will please give us an answer next week.

Answer next week. ATKINSON.

Answer to the Geographical Enigma of last week "Do unto others as you would that they should do to you."

MURRAY & LANMAN'S FLORIDA WATER.—It is a strange thing that this fine perfume, manufactured in New York for twenty years, for the South American and West Indian market, and esteemed by the entire population of Spanish America, above all other fragrant waters, should only recently have been introduced in this country. The eagerness with which our fair country women have adopted it, proves that the Spanish ladies who prefer it to Eau de Cologne, only place a just estimate upon the purity and delicacy of the article. As a security against fraud, it is advisable to ask for Murray and Lanman's Florida Water, and see that it is so designated on the wrapper.

HOLLOWAY'S PILLS AND OINTMENT.—Delicate females who are harrassed and debilitated by complaints peculiar to their organization, are uniformly relieved by Holloway's Pills. For hysteria, spasm, hot flushes, sick headache, pains in the back and loins, they are a safe and reliable remedy, while the healing and cooling effect of this balsamic Ointment upon burns, scalds, running sores, irritations of the skin, scrofulous ulcers, salt rheum, erysipelas, and all external inflammation, is a miracle in surgery. Purchasers, before using these remedies, are cautioned to look for the water-mark, which appears in every leaf of the genuine book of directions. If the words "Holloway, New York and London," are not visible on the wrapper, the medicines are counterfeits.

It has become an established fact that Dr. SANFORD'S INVIGORATOR will cure Liver Complaint, Jaundice and General Debility. Many people, perfectly known to us, whose word cannot be doubted, have given their certificates to prove this, and with such a mass of evidence who can doubt. It is truly the invalid's friend, and will give relief when all other remedies failed, and in some instances that have come under our observation it seemed the means of snatching its victims from the grave. We wish all who need medicine would try one bottle, for it will surely give relief.

OUR NATIONAL DISORDER.—*Dr. Roback's Cures.*—The American stomach is a tormenting organ. It is generally out of order. The reason is obvious. The driving man of business has not time, or will not take time, properly to masticate his food. He bolts it, and as bad habits are catching, all classes follow his example. Hence Dyspepsia, with all its complications—hence Indigestion, Liver complaint, and disorders of the Bowels, in all their various phases. Against these and a hundred other complaints, Dr. Roback is waging an extermination warfare. His weapons are the celebrated Blood Pills and Blood Purifier, and they are irresistible. The success of these Medicines has been astonishing, even in an age of scientific miracles. They do not *alleviate*, they *cure* such cases. The agony, the fever, the debility, the despondency, which characterize afflictions of the digestive and secretive organs, vanish under the influence of these preparations. The constitution itself seems to acquire new energy under their operation. We say to the sick, everywhere, read Dr. Roback's advertisements, and give the Blood Pills and Blood Purifier a fair trial. mar 5—1m

For consultation upon all diseases of the Throat, Lungs, Heart, Liver, Stomach, Bowels, Kidneys, and Spleen; also Dropsy, Gravel, Spasms, Costiveness, Piles, Headache, Dyspepsia, Female Diseases, Ague and Fever, Fits, Impurities of the Blood, Eruptions, Cancers, Ulcers, and all other vitals of long standing or acute kind, he is received and treated free of charge.

For some ten years Dr. T. has devoted his entire time to chronic diseases, treating thousands annually, many of whom had pronounced incurable, given up by their friends. In no case are minerals or other poisons employed, nor does he make sick to make well, nor bear down to build up. The medicines he uses are all of a vegetable character, and his patients may remain at home, and continue with professions or business, and yet be cured. Many have received order for treatment after letters and physicians had given up all hope, the indisputable evidence of which can always be furnished. Invalids, however reliable, and desperately afflicted, will, and may be assured that no necessary means will be spared, or expense incurred, without a corresponding proportion of recovery.

We commend the following unparalleled cure of ulcerations of the right lung, involving double lass the pleura, to the attention of persons of consumptive tendency. The cure of two plus seasons has produced an occasional cold, but never real issue of the old ulcerations. The Logan County Representative, Mr. Roback is well known to us and to the Christian world, and is entitled to all credit.

LOGAN COUNTY TEMPERANCE, Logan Co., Ohio, Feb. 1857.

Dr. TURBS—Dear Sir: When I saw you in July last, I was in a very feeble condition. I had had a violent cough for the eight months previous, accompanied with considerable enormous quantities of purulent matter, such as leaves room to suppose a cavity in the lungs, and the pain and inflammation of the chest becomes great as to cause an enlargement externally of the areas or side. When the cough came, it left a tube of matter was so painful as to almost cause suffocation.

I then began to cough thus freely, swelling would subside, the pus would then gradually collect again, producing the same distress and inclosing in a short space, a discharge as before. This continued for about eight months, and until I commenced your treatment. I was reduced to bone, had night sweats, and my ankles and lower limbs swollen to large bunches, and I had to be dressed in bed morning. My cough was so obstinate, some 10 yds a distressing one at least allowed of rest or sleep. Improvement was so rapid, that I continued after seeing you until I got entirely rid of my swelling, cough, and expectoration, and never spent a dollar in medicine, and am as well and as much for me when in health, as for the severest weather of winter has produced no return of my complaint, and I have had several years of much comfort in life good. I had no expectations of ever a well house, or a well day, but now I have health, and I can say I know what means were employed during my recovery. Having resided for forty years in Logan county, I am known to all who reside in the county, or who are referred to be had. JONES TONEY.

We invite every man in the town and county, that buys goods for cash, to call and satisfy themselves that the above is true. Yours, &c.

DR. ROBACK'S
BLOOD PURIFIER & BLOOD PILLS.
DISEASE VANQUISHED
—BY—
Dr. Roback's Scandinavian Remedies.
AFTER years of study and experiment, Dr. Roback, the eminent Swedish Physician, discovered the prediction a medicine from twenty-three different species of mountain herbs of massive land, which acts directly upon the cause of disease in the blood, and by restoring the corrupted fountains of life, to a condition of health and purity, expels disease from the system, wherever it may be located, or whatever may be its character. Indigestion, nervous complaints, epileptic and other fits, headache, consumption in its early stages, sore throat, bronchitis, fever and ague, salt rheum, low spirits, and total insanity, formerly we knew, pricking of the skin, symptomatic of paralysis, rheumatism, neuralgia, tumor, cancer, diabetes, dropsy in the abdomen, diarrhoea, and all other disorders of the organs of respiration, the liver, the kidneys, the stomach, the nerves, or the muscular fiber, are unerringly cured by this preparation. It is to the materies morbi or sensible disease what an alkali is to an acid: it neutralizes them with absolute certainty, while at the same time it regulates the secretions, removes obstructions from the bowels, restores appetite, renews vital energy, and regenerates every animal function. Such is the nature, such are the effects of Dr. Roback's Celebrated Scandinavian Blood Purifier, which, it taken in conjunction with Dr. Roback's Blood Pills, will not only obliterate the most malignant diseases, but, in several instances, extend lengthy life beyond the ordinary span.

Little SCANDINAVIAN VEGETABLE BLOOD PILLS. Dr. Roback presents the result of twenty years of experimental study and experience in these pills, as the best and safest pill. No one can find their superior, if even equal. Single Box of the Scandinavian Blood Purifier, $1 per bottle, or $5 per half dozen. Scandinavian Blood Pills, 25 cents per box, or six for $1.

Prepared by Dr. C. W. ROBACK, Mount Vernon, Ind., Aug. 4, 1857.

Dr. C. W. ROBACK: I have received so much benefit from your Scandinavian Blood Purifier, that I feel it my duty to say, I have brought it into use, and it is so less my institution, to give you a plain statement of what I know and I was for years afflicted with that form of salt rheum, called scaldhead, that grew worse, and proved incurable by the most skillful treatment, which I have used. I recommended to the associated remedies which I have used, and I have no hesitation in recommending it to make a melancholy catalogue. I also consulted with the most skillful physicians, and tried the most popular remedies through the progress of a friend, and other, being there in no way benefited, I was advised to try, and in a short time, less than a month, I was entirely and permanently cured. I was also afflicted with the most violent nervous headache, which I suppose was produced by a long disordered stomach, for when my dyspepsia left me, my headache left with it. I now feel better than I have for years, and I have for ten years. Very truly yours, JOHN S. DEMUTH.
