OHIO WHITE SULPHUR.

THESE CELEBRATED SPRINGS, (hereafter known as "Hart's Springs,") on the Scioto River, 1 mile from Scioto Bridge Station, on the Springfield and Delaware Railroad, 8 miles from Delaware, on the Cleveland and Columbus Railroad, and 11 miles from the City of Columbus, will be opened to the public seeking health or pleasure, on the 25th of May, under auspices and with a proprietor who will make it First Class in every particular.

The present proprietor of the Ohio White Sulphur have liberally added to the buildings and general accommodations of the establishment, and have fitted and furnished the whole in the magnificent style and luxury.

THE CUISINE will be EXCEPTIONABLE.

The scenery of and near the domain has been thought to be the finest in Ohio; the air is pure and bracing; the medicinal properties of the celebrated Spring (using 150 gallons per minute) are now admitted to possess curative and recuperative influences superior to the Sulphur of Virginia.

There are attached to the establishment all the accessories found at the first Summer Hotels of the country.

The lawns and grounds about the Hotel are spacious and well kept, and the beautiful drives through the old forests and along the romantic river are singularly attractive, though quite secluded.

Carriages and omnibuses are always in readiness at Columbus and Delaware to convey guests to the Springs.

Arrangements can be made for rooms by addressing ISAAC PATT, Columbus, Ohio.

For more particular information, reference may be had to Messrs. Andrews, Wilson & Co., Cincinnati; to Messrs. Falling, of the Neil, or Kelton, of the American Hotel, Columbus; or to Mr. Chamberlain, of the American Hotel, Delaware. April 16, 1858—tf

so that any farmer can be suited. The completeness of their facilities for making the best quality of work cannot be surpassed, having had a long experience in the business; and as they have and will keep none but the very best workmen at the several branches. And we are determined by close attention to business to sustain and extend the high reputation this shop has so long held—hoping that the patronage which has been so liberally bestowed at this old stand will still increase.

All those who intend to purchase the above articles will do well by our joining our work before buying elsewhere, as we believe we can be excelled in quality or lowness of price by any shop in the Western country.

All work sold at this establishment is warranted. Repairing done at the shortest notice.
