DENTISTRY.

THE subscriber, a Resident DENTIST, has recently introduced into his practice several New and Beautiful MATERIALS, and he is now prepared to make for those who may desire it, a superior style of
Porcelain Teeth,
according to the patent of A. Patent. This work he will warrant to be superior to any other Porcelain work, and its durability will be proved on an examination of the work. He is also making a long work of recent introduction known as
Chloroplasty,
and in making the art of work, he can give better satisfaction than any other dentist in the north than by any other style of work. Call and examine for yourselves.
He has also on hand a supply of the best Gold Foil, and a superior quality of
Tin Foil.
He also is prepared to furnish the VULCANIZED RUBBER TEETH, which are solid by some to be best.
He also prepared to execute all kinds of WORK, in his profession, on the most reasonable terms.
TEETH FILLED with the Pastes of Gold, and warranted for life, whenever the nerve of the tooth is healthy and healthy, and will be preserved to their situation and work will be done in a workmanlike manner, and will be warranted to give perfect satisfaction—and if he fails, all he asks is to be considered a reasonable remunerative fee, and if he fails he will return all of money received. He will be found at his office in the Sandusky street, West side of the Public Square, opposite the Sandusky House.
All those who may require the services of a Dentist will find it greatly to their interest to call and examine his specimens of work, and judge of operating.
H. C. SELL.
Office on Sandusky street, in the Public Building, second floor, north side.
