Navy Beef and Pork for 1858.

NAVY DEPARTMENT,
Bureau of Provisions and Clothing,
June 5, 1857.

SEALED PROPOSALS endorsed "Proposals for beef," and "Proposals for Pork," as the case may be, will be received at this office until 9 o'clock A. M., on Wednesday, the 19th day of July next, for furnishing and delivering free of cost and risk to the United States, at the following navy yards.

	Bbls. Beef.	Bbls. Pork.
At Charlestown, Mass	2,000	2,000
At Brooklyn, N. Y	4,000	2,000
At Gosport, Va	2,000	1,000
	8,000	5,000

One-half of said beef and pork must be delivered at each of the above-named yards respectively by the last day of April, 1858; and the remaining half by the 1st day of June, 1858, no earlier delivery should be required by the chief of this bureau. Payment to be made within thirty days after delivery.

Bidders must specify their prices separately and distinctly in separate offers for the beef and for the pork, and for each of the places of delivery, covering all expenses and all charges.

The Beef must be from well-fattened cattle, slaughtered between the 1st day of November, 1857, and the 1st day of January, 1858, and weighing not less than six hundred pounds, net, when dressed. We shall reject the head quarters, and the shins, and shoulder-clods, the shoulders or necks and the ribs of wishing pieces, and all meat cut out from the neck end of each now quarter, or the parts marked Nos. 1, 2, 3, 4, and 5, on the inventory of quarters, and the hind quarters of an ox, which will be attached to and form a part of the contract, must be wholly excluded from each barrel, and the remaining parts must be packed in firm and well with a cover, must be cut through with a saw and knife, to give the most a square form, and ample opportunity for inspection, in view of their duty to the public. Acid tanks we are informed, are used by the Chicago Packers, for cutting a process granted to us by the Memphis and Charleston Railroad, which may have the same exclusive privilege granted to them, the Memphis and Tennessee Railroad, which we are decided by that Company, the very liberal terms, the Memphis Packer & Co., the Memphis and Charleston Railroad Company, the denial of which, they stigmatize as "cruel injustice," and appeal to the Secretary of the Navy to "put a stop to spectacle of cruel Baggage and Omnibus Agents is not seen on any Railroad in the United We leave the public to determine whether injustice has been done these gentlemen or not, and also whether they will patronize the regular line of Omnibuses, where they have the guaranty of the Railroad Company, for the so-called proper delivery of their baggage, or whether they will patronize a line guilty by for the purpose of breaking on down in an enterprise we have labored for years to build up. The charge that a public type has been stationed at the depot, to exclude their agents from the public, and give place to ours, has no foundation in fact. The Agents of both lines are excluded—and the assertion that their business are obliged to take their white cards are taxed, is equally groundless—their Omnibuses stand side by side with ours. The charge that the Memphis and Railroad Company are interested in our line is utterly false.

Omnibus Lines.

P. M. PATTERSON & BRO.,

OMNIBUS LINE,
Memphis, Tenn.

IN consequence of the many false reports put in circulation by others, in relation to our exclusive privileges, on the Memphis and Charleston Railroad, we deem it necessary to put ourselves right before the public. We ask no sympathy upon false grounds, we only ask that patronage from the public due to honest industry, and a determination to do justice to all—asking nothing but what is right, and submitting to nothing wrong. Twice ago, when it was to our unspeakable, we were induced to put a line of Omnibuses in connection with the Memphis and Charleston Railroad, under the assumed from that Company, that in consideration of the sign expenditure necessary, and important services rendered be to the Company, we should have the privilege of putting a man on the train to sell our tickets and take up baggage checks, in order that the baggage might be attended to the Omnibus Hotels before the arrival of the train, that the passenger our his baggage should be detained at the depot on his arrival, but immediately be in his hotel, and that the baggage there is a few minutes thereafter. This is the much complained of exclusive privilege. We had to enter into bond and security to the Memphis and Charleston Railroad Company for the faithful delivery of this baggage, &c., &c., Hence the Railroad Company gave to the passenger for all baggage delivered on their trains.) It is the duty and privilege of all well regulated Railroad Companies, to see that their passengers are treated properly and promptly distributed at the end of their line, by responsible parties, and this privilege is exercised by every road in the United State, as far as we can learn, and justly so, in view of their duty to the public. Acid tanks we are informed, are used by the Chicago Packers, for cutting a process granted to us by the Memphis and Charleston Railroad, which may have the same exclusive privilege granted to them, the Memphis and Tennessee Railroad, which we are decided by that Company, the very liberal terms, the Memphis Packer & Co., the Memphis and Charleston Railroad Company, the denial of which, they stigmatize as "cruel injustice," and appeal to the Secretary of the Navy to "put a stop to spectacle of cruel Baggage and Omnibus Agents is not seen on any Railroad in the United We leave the public to determine whether injustice has been done these gentlemen or not, and also whether they will patronize the regular line of Omnibuses, where they have the guaranty of the Railroad Company, for the so-called proper delivery of their baggage, or whether they will patronize a line guilty by for the purpose of breaking on down in an enterprise we have labored for years to build up.
