HUNTSVILLE FEMALE COLLEGE,
HUNTSVILLE, ALA.

THE next session of this popular Institution will open on MONDAY, the 7th of September, a few days before the whole scholastic year without interruption. The Faculty comprises ten gentlemen, all of whom, excepting two European Professors, are Southern born and Southern educated teachers. Neither pains nor expense has been wanting to render this a M ded Boarding School.

The health of Huntsville has always been unrivaled, its immediate site is a pure water and clean streets, most ever made it a retreat for people of the South; and for other considerations equally as strong, there can be found nowhere a College more admirably adapted to a female institution of high grade.

Considering the literary and ornamental advantages this Institution offers, its moderate bills of tuition, and the unusual attention paid to the pupils, the expenses are not as great as at other institutions less carefully regulated.

The first 325 Prizes, similarly printed and enclosed, are placed in another wheel.

The wheels are then received, and a number is drawn from the first wheel, and at the same time a Prize is drawn from the other wheel.
