The following telegraphic dispatches were received last night:

DAVIDSON COUNTY.

NASHVILLE, August 6.

TO COL. CARROLL: The whole city and three civil districts heard from, which give a net Democratic gain on Pillsmater's vote of 132.

J. S. FINLY.

MADISON COUNTY.

JACKSON, August 6.

EDITORS APPEAL: Eight precincts heard from. Avery leads Stephens in gains 56 votes. Avery will reduce the majority in Madison under 500.

A. S. MCCLANAHAN.

McNAIRY AND HARDIN COUNTIES.

In McNairy County Harris' majority is 221. As far as heard from in Hardin and McNairy Counties, Wright, Democratic candidate for Congress is 700 ahead. The entire Democratic ticket is elected in Hardin and McNairy. County representative elected in Hardin by 91 majority over the Know-Nothing vote of last term.

FAYETTE COUNTY.

SOMERVILLE, August 6.

Fayette county gave Stephens about twenty-five majority. A later dispatch says: "County doubtful for Stephens."

HARDIMAN COUNTY.

BOLIVAR, August 6.

Hardiman county gives Avery 652 majority, and Harris 665 majority.

WAYNE COUNTY.

WAYNESBORO', Aug. 6.

Wayne county gives a majority of 102 for Harris.

Hardin county gives a Democratic Representative.

☞ The *Eagle* of yesterday heads a telegraphic dispatch thus—

"ST. LOUIS COUNTY GONE AMERICAN."

The dispatch reads as follows:

ST LOUIS, Aug. 5.—Returns of this county give Rollins between 1,800 and 1,900 majority. Maurice, Emancipationist, is elected to the Legislature.

It is thus claimed by the *Eagle*, (and it is a fact,) that the Americans of St. Louis county have elected an *Emancipationist* to the Legislature. What do the Americans hereabouts think of such a result?

☞ The Adams Express Company has again placed as under obligations for late files of papers from Philadelphia and other cities.

LOOK OUT FOR HORSE THIEVES!—Three horses were stolen on the night before last from gentlemen living in the southern suburbs of the city. We have heard rumors of negroes having been "spirited" away in the same locality. It behoves our citizens to be on the alert and give these *chevaliers* a warm reception.

☞ We invite the attention of our country friends to the card of our friends, Messrs. W. J. WEBB & Co., which we know to be one of the most reliable Grocery Houses in Memphis. Orders may be sent to them with perfect confidence that the article and quality ordered will be carefully forwarded and at the lowest market prices. We speak from experience and from long acquaintance with the members of the firm. Our old friend S. M. WEBB, formerly of the house of WEBB & RAWLINGS, Memphis, will be found by his old customers and friends in the house of W. J. WEBB & Co.

HEAVY ROBBERY.—The office of the American Express Company in this city was entered last night, and one of the safes rifled of its contents, to the amount of from 3,000 to 10,000 dollars. The office is situated in the Kendall buildings, and on the corner of Main and Sixth streets. Mr. Touzalin, the agent, was in the office until 11 o'clock in the evening, and left everything secure. This morning the front door was found locked, as usual. The rear door, leading into the blacksmithing shop of Weaver & Miller's Carriage Factory, it is said, was standing open, and the west window raised. It is supposed by some that the burglars entered the window, and from the shop into the office by the rear door; but other parties believe that the entrance was effected at the front door by means of false keys. There was another, and larger safe, also containing money, which was not entered.

The amount taken is variously estimated at from $3,000 to $10,000—we having been unable to obtain any intelligent information at the office of the company relative to the matter. The money was put up in packages, and was to have been forwarded this morning by express. We did not learn the names of the parties who made these remittances.

To leave such a large amount of money so wretchedly protected, is, to say the least of it, a very great carelessness. The building is entirely isolated—and not a soul, we believe, remains on the place during the night in any of the different establishments occupying it. A burglar of common adroitness would, we should judge, find little trouble and less danger in committing the robbery, under the circumstances.—Quincy (Ill.) Republican, Aug. 1.

IMPROVEMENTS AT THE WHITE SULPHUR SPRINGS.—The Greenbier (Virginia) White Sulphur Springs Company have contracted for the erection of a large building, 400 feet long and three stories high, having a ball room 60 by 100 feet, and a dining-room to accommodate 1,200 persons. It will also contain 228 lodging rooms and is to cost $60,000. The site is the Virginia row, and the time of completion the 12th of June next. Extensive bath buildings, to cost between $20,000 and $30,000 will be completed by the 15th of July next.

☞ Teacher—"How many kind of axes are there?" Boy—"Broad axe, narrow axe, post axe, axe of the legislature, axe of the Apostles, and axe my pa." Teacher—"Good! go to the head of your class."

River Matters.

Our wharf was alive with drays and freights all day long. We may say that it looked like the boating season had set in anew, there being several packets receiving and discharging freight. The charge is so little in the river at this point that we can scarcely discern it. From appearance we judge it has fallen about two inches in the last twenty-four hours. The weather was clear and the heat very oppressive during the day.

The fine new and fleet steamer *Resolute*, from Cincinnati, has finished discharging her freight. She crossed the river to Hopefield and put off some iron and machinery for the Memphis and Little Rock Railroad. She will be found at the foot of Monroe street landing this morning, ready to receive all freights and passengers bound for the Queen City and intermediate landings. She leaves positively at 3 p. m. Remember the hour and procure your passage in time.

The mail line steamer *Kate Frisbee* is up for Napoleon and all intermediate ports this evening, at 2 o'clock. She carries the U. S. Mail and can put passengers through to that point as quick as any boat.

The popular packet *Winchester*, Capt. Will Wood, arrived at the wharf yesterday from St. Louis—only about 30 hours out. She brought her cable full of passengers, numbering about eighty, and a good freight of bagging, rope, groceries, &c. She is up for the above ports this evening at 3 o'clock. Persons going up the Mississippi and desiring to be put through in quick time, would do well by immediately going aboard and engaging passage. Her obliging commander, Will Wood, and her attentive and efficient clerks are as clever officers as ever walked the decks of any boat. We promise all who go on her a pleasant and safe trip. Remember 3 o'clock is the hour she leaves.

The floating palace steamer, *Ben Franklin*, arrived from Cairo yesterday evening about 3 o'clock and took on a large quantity of flour and wheat, and a few bales of cotton. She had a fine freight list and a cabin full of passengers, and left for the Crescent City after the arrival of the cars.

The steamer *Evansville* was due from White river last night, but had not arrived at a late hour. She may, no doubt, be found at the landing this morning.

The splendid and fleet packet *Southerner* is the packet from St. Louis this morning. She is in command of one of the cleverest captains that runs the Mississippi—Capt. Triplett. She is advertised to leave to-morrow evening, after the arrival of the cars, for the above port. We bespeak a fine trip for her, as she is a boat that is worthy of the patronage of anybody. She has made the quickest time on record between St. Louis and Louisville, and can wipe out anything that runs between this point and St. Louis.

Rodolph is the next boat looked for from St. Louis. She will probably be in to-morrow.

We clip the following from the *Missouri Republican*, of the 4th inst.:

The rivers are all falling, and we have no material change to report in the condition of any of them. There were fifteen arrivals yesterday, and at noon there were fourteen Missouri river boats at the levee, nearly all of them laid up. The weather continues very warm, and business dull.

A Reward is Offered!

For the detection of any person counterfeiting, imitating, or the vender of any such counterfeit or imitation of BOERHAVE'S HOLLAND BITTERS. The genuine, highly concentrated *Holland Bitters* is put up in half-pint bottles only, having the name of the proprietor, B. PAGE, Sr., blown in them, and his signature around the neck of each and every bottle.

This delightful *Aroma* has been received by Americans, with that favor which is only extended to really scientific preparations. When we consider the marked success attending its administration, in the most stubborn cases of Fever and Ague, Weakness of any kind, Dyspepsia, Heartburn, Acidity of the Stomach, Sick and Nervous Headache, Indigestion, Costiveness and Piles, together with the complete control it exercises over all Nervous Rheumatic, and Neuralgic Affections, we cannot wonder at its popularity. Well may the invalid value this remedy.
