BUNTSVILLE FEMALE COLLEGE,
HUNTSVILLE, ALA.

THE next session of this popular Institution will open on MONDAY, the 7th of September, a month later than the usual time, and continue forty weeks. The Faculty comprises ten names, all of whom, except two European Professors, are Southern born and Southern educated teachers. Neither pains nor expense has been wanting to make this a Model Boarding School.

The health of Huntsville has always been unrivalled, the mountain air, pure water and good streets, must ever make it a retreat for people of the South; and for other considerations equally strong, there can be found nowhere a locality so admirably adapted for a female institution of high grade.

Considering the literary and ornamental advantages this Institution offers, the economical habits inculcated, and the maternal attention given to the pupil, the expenses are not so great as at other institutions but carefully regulated.

The first 365 Prizes, similarly printed and enclosed, are placed in another wheel.

The wheels are then revolved, and a number is drawn from the wheel of numbers, and at the same time a Prize is drawn from the other wheel. The Number and Prize drawn out are opened and exhibited to the audience, and regist red by the Commissioners, the Prize being placed against the Number drawn. This operation is repeated until all the Prizes are drawn out.
