Valuable Plantation for Sale.

I OFFER for sale my Plantation in Madison parish, Louisiana. The tract contains 1620 acres. It is situated on the Tensas river, and the York long Railroad cross along the northern boundary. There is a depot on the place, and a steamer can ship any day in the year by railroad, or by Tensas, which is to be provided with locks and dams to insure perpetual navigation. The land is level bottom—the finest of which it has not been known to require manure—and a hole to one and a half of cotton to the acre is a usual crop. The place is provided with a good two horse gin and gin house, with four stands, cotton press, &c. On the place are two hundred acres of virgin cypress, which will pay the price of the place by sawed up. I will sell the above tract, $40 per acre, $20,000 cash, the remainder in three equal payments, with interest, if I sell prior to the 1st of January next; if not sold before that time, I decline selling at all. To persons wishing a number of hands I can spare them, as we have some, even selling around at $40 a $50 per acre. There are on it this year 400 acres in cotton and 100 in corn. Seven hundred acres can be kept in cotton this year.

Persons wishing to become the owner of it are requested to write me at Pratsies, Miss.
