NEW CITY DIRECTORY.
1857-'58.
BY J. B. MOSELEY.
THIS subscriber is now engaged in preparing for publication, and will issue by the middle of November next, a complete and full DIRECTORY OF MEMPHIS. It will, in addition to the usual contents of a Directory, contain a history of the commerce and trade of Memphis, by one who has lived 0 many years of his life in the commercial department of several of our city papers, besides other matters of interest to the home or man.
Our citizens will be called upon in a few days for cards. It is regarded that the Directory should comprise favorably with those of the principal cities.
Orders for cards left at either of the city printing offices will be attended to. sept8 tf

Important to Planters.
HAVING been informed that, owing to the press at which Cotton is now held, cash, in fact all, have decided not to ship their Cotton to Memphis at present, I beg leave to inform you, or all who are interested, to ship their Cotton by the Memphis and Ohio Railroad; that the rolling stock of the Company is of such a character that they will be entirely unable to furnish cars to get the cotton off, should it improve in price, (which is of course possible,) when every one who would want to get their cotton to market.
Therefore, to avoid detention or complaint, ship your Cotton now, and in event of an advance, your Cotton will be where you all can avail yourselves of it at once.
