DENTISTRY.
PERSONS wanting any operations performed on the TEETH, had better call on Dr J. C. COLE, on Main street be-tween Adams and Jefferson sts.
A new style of ARTIFICIAL WORK, invented by Dr. J. C. Cole, of Philadelphia. This style of work has superior advantages over anything yet introduced to the profession, in that it is clear, as chaste for the preservation of food, more beautiful and cheaper than the old style, and equally as strong, if not stronger. All operations warranted. I have the exclusive right for the city of Memphis, and State of Tennessee and Louisiana.
