For Sale.

IN consequence of the determination of my employer to return to the North I offer the STEAM SAW AND GRIST MILL for sale. The Mill is situated about one half mile south of Wolf River, on the Raleigh road, in the Hatchechubbee river, and about the same distance from the town of Germantown. The machinery is all new and in complete running order, having been run only since the 1st inst. of May last. The Mill is a circular working one—42 inch saw, and is capable of sawing logs, when properly fed, at least 6000 feet. There is also attached to the Mill a set of Lath Saws, capable of cutting 40 in the day.
Also offer for sale 278 acres of LAND: 45 acres of which are cleared and in cultivation. The land will be sold with the Mill if desired; otherwise, in parcels to suit purchasers.
For further information, terms, &c., apply to or address the undersigned at this place.

Bailey's Springs FOR SALE.

BY virtue of a decree of the Probate Court of the county of Lauderdale, Alabama, the undersigned, administrators of the estate of Jonathan Bailey, deceased, will sell on the 20th DAY, Tuesday of January, 1858, on the premises, nine miles from the town of Florence, Ala., the celebrated watering place, known as Bailey's Springs.
These Springs are so widely and favorably known, as being the most remarkable waters for the cure of dyspepsia, dropsy, gravel, rheumatism, and kindred diseases, that it is unnecessary to speak of their character preparing to this notice. The thousands of persons who have visited the Springs, and have benefited by the use of the waters, are scattered all over the country, North and South, and are so many living witnesses of the virtues of the waters. It is sufficient to say, they are considered the most remarkable Springs in the world, and their waters have effected a cure in more than any other Springs.
Ever since their discovery the throng of visitors has been so great, that the proprietor could never accommodate them, and it is because he is desirous to do justice to all the public, as well as the most curative watering-place in the South.
There are nine hundred and twenty acres of land or thereabouts, in the tract, about 40 acres in cultivation, with orchards, stables, houses and other valuable improvements.
A credit of one, two and three years will be given, the purchaser giving bonds with approved personal security and a lien on the property until the same is paid for.

I. N. MOORE. J. W. HUGHES.
MOORE & HUGHES
Have associated themselves for the transaction of a
General Land Agency Business
IN THE STATE OF ARKANSAS.
THEY will PAY TAXES on lands, and attend to the redemption of forfeited lands.
They will make personal examinations and examinations of land, in any part of the State, and report to parties the character of the soil, timber, quantity of arable land upon any particular tract, and any desirable information in regard to lands in that State. Persons who wish to bring their land into market, they will contract to have timber developed upon it, and will offer improvements for sale, the plantations or well lands of those who desire to sell.
Much fine land in this State has been removed from sale for the last five years, having been reported as swamp and overflowed, and which, by an act of the last Congress, was confirmed to the State, and the State is to carry in a few months. The lists of these large contents, and we have reason to hope that because valuable information, will follow shortly after the report of the practical surveyors, one of whom has been engaged in the public Surveys of the State for many years, and has spent the last three years in exploring, surveying, and has gained an extensive knowledge of land throughout the State, will be prepared to make good selections for persons desiring to invest money, when the contradiction of Swamp Lands is offered for sale, or subject to entry, either for a significant share of the land or a compensation upon the money invested.
Persons desiring homes in Arkansas will find at their disposal, public land claims, improved farms, and descriptions of their improvements, quality, locality, &c., so that they can be at once directed to cheap and suitable places.
They will buy and sell Land Warrants or locate them for holders. Any business in the above line will be promptly attended to.

Important to Planters & Millers.
FELTON'S IMPROVED
Self-Sharpening Portable Grist Mill.
An Improvement on all Other Patents.
THIS is one of the most valuable inventions of the day. It possesses all the qualifications requisite to make it valuable to the farmer. It is designed to supply a want that has long been felt by that portion of community. It is so simple in construction, that any person of ordinary skill can put it together. It is strong and durable. The grinding surfaces are of the most durable character, harder than any imported steel, and will last a lifetime without cost of repairs. It will grind wheat, oats, corn, buckwheat, grape and apple crush and grind corn and cob admixtury, or shelled oats and corn, and cob may be well ground together. The grinding surfaces, with the two-horse power, will grind from five to eight bushels of superior corn meal per hour, and from eight to ten bushels of wheat flour, and from eight to ten bushels of wheat, and may be run by one-half without increase of expense. The large size frame mill will grind double the quantity of the small one. It is not heated in grinding—a valuable feature. Prices low, for small size $150; large size $200. We have the right to sell in Shelby, Fayette, Madison, Hardeman, Lauderdale, Tipton, Haywood, Lake, Obion, Dyer, Gibson, Arkansas, Tennessee, Kentucky, and a portion of Texas. A rare chance to have offered for competent and responsible men to take the sale of Mills.
County and State rights sold on accommodating terms. All orders, communications, and applications for Rights and Mills should be addressed to the undersigned.

THE SPHEREOTYPE.
THE Latest and by far the most important improvement in Photography is the recently patented process known as the SPHEREOTYPE, which is not only new and unlike any of its predecessors, but greatly superior to all. The Spherotype is proof against time, air and water, and for richness of tone, warmth of expression and distinctness has no equal—in fact the image is such that the picture, or image, seems suspended in air, entirely independent of the back ground.
For this picture we have the exclusive right for Memphis. Specimens can be seen in our Gallery, where pictures are also taken in the various styles by our Artist,
PROF. REMINGTON,
who combines with the Spherotype, Daguerreotypes, which enable him at all times to produce superior Pictures

Medical.

AYER'S
Cathartic Pills.
THE sciences of Chemistry and Medicine have been taxed their utmost to produce this best, most perfect purgative which is known to mank. Innumerable proofs are shown that these Pills have virtues which surpass in experience the ordinary medicines, and that they win unprecedentedly upon the esteem of all sorts. They are safe and pleasant to take, but powerful to cure. Their penetrating properties stimulate the vital activities of the body, remove the obstructions of its organs, purify the blood, and expel disease. They purge out the foul humors which breed and grow diseases, stimulate dormant or disordered organs into their natural action, and impart healthy tone with strength to the whole system. Not only do they cure the every day complaints of every body, but also formidable and dangerous diseases that have baffled the best of human skill. While their powerful effects, they are, at the same time, in diminished doses the safest and best physic that can be employed for children. Being sugar-coated, they are pleasant to take; and being purely vegetable, are free from any trace of harm. Cures have been made which surpass belief were they not substantiated by men of such exalted position and character as to forbid the suspicion of deceit. Many eminent clergymen and physicians have lent their names to certify to the public the reliability of my nine-cities, while others have lent me the assurance of their conviction that my Purgatives contribute immensely to the relief of my afflicted, suffering fellow-men.
The Agent below named is pleased to furnish gratis my American Almanac, containing directions for their use, and certificates of their cures of the following complaints:
Costiveness, Bilious Complaints, Rheumatism, Dropsy, Heartburn, Headache arising from a foul Stomach, Nausea, Indigestion, Morbid Inaction of the Bowels, and Pain arising therefrom, Flatulency, Loss of Appetite all Disorders and Obstructions which require an evacuant Medicine, Scrofula or King's Evil. They clear, by purifying the blood and stimulating the system, more many complaints which it would not be supposed they could reach, such as Deafness, Partial Blindness, Neuralgia and Nervous Irritability, Derangements of the Liver and Kidneys, Gout, and a hundred complaints arising from a low state of the body or obstruction of its functions.
Do not be put off by unprincipled dealers with something else they make more profit on. Ask for AYER'S PILLS, and take no thing else. No other they can give you compares with this in its intrinsic value or curative powers. The sick want the best, and there is for them, and they should have it. Prepared by
