Stolen.

YOUNG, spare built man, called at our stable on Gayoso street, on Friday night, and stole a sad dle, saying he wished to ride into the country a few miles on business, to return Saturday. Has not yet made his appearance. He was sent to take the road leading to Hernando. The mare he rode was about five years old dark bay, with a star in her forehead, and a small star in her forehead, and a peculiar motion, gait or step. The saddle is a new one, with a very peculiar tree. The thief will probably attempt to palm himself off as a grammar teacher; he has a very peculiar cast in one eye, and is very talkative. A liberal reward will be given for his arrest and imprisonment, that he may be brought to justice.
