NOTICE.

DR. J. N. SUEDER has returned from New York, after an absence of some months, and has effected his office in Memphis. He may be found at his old office at No. 37 Monroe street, he owes his and second st. etc. as I will change the practice of Medicine, either in Medicine or Surgery, or Midwifery, that I have had the honor to be called to do, day or night. As the local health prevails in Memphis, and from the actual science he has had in the business, he hopes to merit a share of the public patronage, he thinks he should have a liberal patronage from the citizens of Memphis.

DR. R. L. LASKY,
Physician, Surgeon and Accoucher,
Washington Street, between Main and Second,
MEMPHIS, TENN.

Office hours from 7 to 9 o'clock A. M., and from 2 to 4 P. M.

THANKFUL for the kind patronage bestowed on me, I tender to my customers and the public in general, that it is not my intention to leave this city at the time reported, and that I am ready to do all in my power to alleviate the sufferings of disease, and that I will be prepared to administer the most efficient medical and nutritious aid, and that I do not take charge of any preparation of mercury in disease whatever.

Secret diseases are cured in my own method in each instance and no charge unless a permanent cure is effected, and that I do not use any mercury in the treatment of the same.

For Dyspepsia, Rheumatism, Arthritis, Neuralgia, Nervous Headache and Toothache, Paralysis, Dropsy, Congestion of the Liver, Spinal Complaints, Fever and Ague, Chronic Diarrhoea, Hemorrhoids, Tumors, Ulcers or White Swell, Deafness, as well as all diseases of the Kidneys, Amenorrhoea, Chlorosis, Sterility, Impotence, Gleet, &c., or any disease that require an entire regulation of the Digestive Organs, I use Dr. Mattei's Electric Medicines, which is superior to any other in purity and quality.

After a practice of ten years as Staff Physician and Director of several hospitals in Germany, and eight years practice in the United States my reputation as a Physician and Surgeon is sufficiently established to be a satisfactory guarantee.
