AYER'S
Cathartic Pills.

THE sciences of Chemistry and Medicine have been taxed their utmost to produce this result, which, in appearance resembles sugar-plums, innocuous pills; proofs are shown that these Pills have virtues which surpass in excellence the ordinary medicines, and that they win unprecedentedly upon the esteem of all men. They are sure and pleasant to take, but powerful to cure. These properties, combined with their great virtues and activities of the body, remove the obstructions of its organs, purify the blood, and expel disease. They purge out the foulhumors which, however long they have been secreted, produce disordered organs into their natural action, and, hope, health once more resumes its sway. Such results they do; they cure the every day complaints of every body, but also formidable and dangerous diseases that have baffled the skill of men of science. Being so agreeable, powerful effects, they are, at the same time, in diminished doses the safest and best physic that can be compelled to use. Being purely vegetable, they are pleasant to take; and being purely vegetable, are free from any risk of harm. Curious as some cases may appear, they are not fabulous, but are substantiated by men of such standing and character as to forbid the suspicion of imposition. Intelligent men of all professions and parties have put their names to certify to the public the reliability of our remedies, while others have sent us the assurance of their consideration, that they deem the discovery of benefit to the relief of any afflicted, suffering fellow-creatures.

The Agent below named is pleased to furnish gratis our American Almanac, containing directions for their use, and testimonials of their cures of the following complaints: Costiveness, Sickness, Complaints, Sleepiness, Dropsy, Heartburn, Headache arising from a foul Stomach, Nausea, Indigestion, Dysentery, Morbid Appetite, and Pain arising therefrom, Flatulency, Loss of Appetite all Disorders and Cutaneous Diseases which require an evacuant to cleanse, Scrofula or Kings Evil, Tumors, Tetter, Salt Rheum, Scurvy, Blotches or Eruptions on the Skin, Dropsy, Gravel, Gout, Jaundice, Rheumatism, Neuralgia, Nervous Irritability, Derangement of the Liver and Kidneys, Gout, and other kindred complaints, arising from a new state of the body or obstruction of its functions.

Do not be put off by unprincipled dealers with some other pill they may have on hand, which may be cheaper, and pay them a little more. No other they can give you compares with this in its intrinsic value or curative powers. The cheaper kind can be had of them, if they want them, and they should have it. Prepared by

AYER'S
CHERRY PECTORAL,
For the rapid Cure of
COUGHS, COLDS, HOARSENESS,
BRONCHITIS, WHOOPING-COUGH,
CROUP, ASTHMA, AND
CONSUMPTION.

AND FOR THE RELIEF OF CONSUMPTIVE PATIENTS IN ADVANCED STAGES OF THE DISEASE.

WE need not speak to the public of its virtues. Throughout every town, and almost every hamlet of the American States, the results of its use for many years past have made it already known. Nay, we are the fallacies in any civilized country or this continent without some personal experience of its effects; or, if not, never yet the communities any where which have not received from some living friend or kindred, the benefit of its mild and dangerous disease of the throat and lungs. While it is the most powerful antidote yet known to man for the formidable and dangerous ills of the throat and lungs, it is also the pleasantest and safest remedy that can be employed for infants and young persons. Parents should have it in their house, ready against the time that steals upon them unprepared. We have abundant grounds to believe the Cherry Pectoral, if prudently used in the commencement, it prevents the wasting that would keep it by you, and cure your colds sooner than any other, but neglected, or improperly used, it will fasten the incurable ember that, fastened on the vitals, rate your life away.

All know the dreadful fatality of lung disorders, and as they know the virtues of this remedy, we need not do more than assure them it is still made the best it can be. We spare no cost, no labor, no skill in making the most perfect possible, and time alone that who rely on it the best assist which our fellow-men search for their cure. Prepared by

RADWAY'S READY RELIEF.

A Remedy to stop the first pain that is attacked upon the crippled body, and to really remained and quickly exterminated by Radway's Ready Relief. The rapidity with which it stops the most excruciating pains, heals the infirm, nervous and bed-ridden to care comfort as renewed health, forms only a unit of its truly wonderful properties. Those who have long suffered with rheumatism have been sufficiently relieved of all pain, and enabled in a few hours to resume the duties and labors which years of suffering had rendered impossible.

The great principles involved in the wonderful curative powers of Radway's Ready Relief are so universally confessed to these Remedies, and it is the little but great medical principle on which these Remedies are prepared, that renders them so.

CERTAIN, QUICK AND EFFECTUAL.

EVERY FAMILY SHOULD BE ARMED!

A family armed with Radway's Ready Regulators, and Resolvent, are well fortified, for with these Remedies can prevent, and cure, the great mass of the diseases that have ever afflicted humanity since the fall of Adam.

MALARIA.

In countries where malarious diseases prevail, Fever and Ague, Dumbness, Bilious Fever, Bilious Colic, Typhus, Typhus, Typhoid, and other malignant Fevers, Radway's Ready Relief, taken as a preventive, will effectually prevent the invasion of any of the above distressing and painful attacks; and if the infection has already spread, a dose of the Regulators, followed by Radway's Resolvent, will quickly cure the patient and expel the infection entirely entirely from the system.

CONSTITUTIONAL DISEASES.

Many diseases that afflict humanity are inherited as heritages from the diseases of sickly sires. Scrofula, Consumption, Syphilis, Piles, are among the most common of constitutional diseases. How are we to pass via Highland and Rocky Mount, 10 miles of Flynn's Lick.
