AYER'S
Cathartic Pills.

THE sciences of Chemistry and Medicine have been teased their utmost to produce this best, most potent and searching cathartic known to mankind. Many pills are shown that these Pills have virtues which surpass in excellence the ordinary medicines, and that they win unprecedentedly upon the confidence of all who know their power and pleasant to take, but powerful to cure. Their power to purify the blood, and their adaptedness to all the ills of the body, remove the obstructions of its organs, purify the blood, and expel disease. They purge out the foulnesses which make sickness, and purge sickness out of those disordered organs into their natural action, and impart healthy tone with strength to the whole system. Not only do they cure the every-day complaints of everybody, but also formidable and dangerous diseases that have baffled the best of human skill. While they produce powerful effects, they are, at the same time, in their robust frame, the safest and best physic that can be employed in family practice, because they are pleasant to take, and being purely vegetable, are free from any risk of harm. Cures have been made which surpass belief, were they not authenticated by such facts and the high position and character as to forbid the suspicion of misrepresentation. Many eminent clergymen and physicians have sent their testimony to the public the virtues of their relative, while others have sent me the assurance of their conviction that my preparations contribute largely to the relief of my afflicted, suffering fellow-men.

The Agent below named is pleased to furnish gratis my American Almanac, containing directions for their use, and certificates of their cures of the following complaints: Costiveness, Bilious Complaints, Bilious Fevers, Jaundice, Headache arising from a foul Stomach, Nausea, Indigestion, Morbid Inaction of the Bowels, and Pain arising therefrom, Dysentery, Flatulency, Dropsy, Worms and Cutaneous Diseases which require an evacuant Medicine. Dose, from one to four Pills. They purge out the foul humors of the blood, invigorating the system, cure many complaints which it would not be supposed they could reach, such as Deafness, Partial Blindness, Headache, Pain in the Side, Joints and Limbs, Rheumatism, Dropsy, Dyspepsia, Dysentery, Dranesom sits of the Liver and Kidneys, Gout, and other kindred complaints arising from a torpid state of the bowels, or obstruction of the digestive organs.

Do not be put off by unprincipled dealers with some other pill which they may make more profit on. Ask for AYER'S PILLS, and take nothing else. No other. Why pay your money for what you know is the intrinsic value or equivalent of? Why spend the time for what you know is for them, and they should have it. Prepared by

RADWAY'S METHOD OF CURE IS
SIMPLE, QUICK, SAFE AND EFFECTUAL!

There is no pain, however tortuous and excruciating, but that a simple application of Radway's Ready Relief will instantly stop and totally allay it, be it a wound, a spasm, inflammation and congestion. There is no disease, however long it may have been established in the system, whether it be internal, chronic, lymphatic or of a scrofulous character, but that Radway's Renovating Resolvent will exterminate and forever root it, new blood, and a new existence throughout the broken-down and constitutional organizations of the body.

RADWAY'S READY RELIEF.

All the inflammations, aches and pains that are sudden upon the organs of the system, are readily removed and quickly exterminated by Radway's Ready Relief. The rapidity with which it stops the most agonizing pains and relieves the infirm, nervous and bed-ridden is a most comfort and renowned health, forms only a moiety of its truly wonderful power. Those who have used it, and have been suddenly relieved of all pain, and enabled in a few hours to resume the duties and labors which years of disease had rendered impossible.

The great principles involved in the wonderful curative powers of Radway's Ready Relief, are exclusively confined to these Remedies; and it is the great social, moral principle on which these Remedies are prepared, that renders them so

CERTAIN, QUICK AND EFFECTUAL.

EVERY FAMILY SHOULD BE ARMED!

A family armed with Radway's Ready Regulators, and Renovent, are well fortified, for with these Remedies you can instantly break up and drive out of the system all diseases that have ever afflicted humanity since the fall of Adam.

MALARIA.

In countries where malarious diseases prevail, Fever and Ague, Dysentery, Cholera, Cholera Morbus, Typhoid, Typhus, Pestilential and other malignant Fevers, Radway's Ready Relief, taken as a preventive, will securely protect the inhabitants of an infected district against any foreign attacks; and if the infection has already spread, a prompt use of the Ready Relief and Regulators will quickly cure the patient and expel the infectious miasma entirely from the system.

CONSTITUTIONAL DISEASES.

Many diseases that afflict humanity are inherited as heritages from the diseased bodies of sickly sires. Scrofula, Consumption, Liver Complaint, are among the more common of constitutional diseases. Now we care not how many generations the seeds of these diseases may have been sown in the human system, the same powerful principle on which these Remedies are prepared, that renders them so

A LONG CABLE OF CERTIFICATES.

(Since 1847, when we first commenced our good work of curing our fellow-creatures for the relief of the pain-ridden and diseased, and preparing the same for public use, we have the gratification of claiming to have received more letters of thanks and certificates of cures than all other medicine manufacturers and medicine practitioners in the world put together.

The weight of this paper alone, on which said certificates and letters of thanks are written, is over ten tons (cost $1,000); certainly enough to constitute, in one great roll, to extend measure the immense distance of twenty-seven thousand seven hundred and forty miles!

A few of the thousand testimonials are:

150,0 0 Rheumatism cured so soon ten minutes to twenty-four hours.

80,000 Chronic Rheumatism cured in from one week to six weeks. Pain relieved in a few moments, after its first application.

100,000 Cases of Piles instantly relieved. Pains stopped in a few moments, and cured in from half an hour to a few days.

170,000 Cases of Burns, Scalds, Bruises and other accidents. Pains stopped in a few minutes, and cured in one, two or three days.

500,000 Cases of Diarrhœa. Pains stopped in a few minutes.

80,000 Cases of Fever and Ague.

1,000 Cases of Scarlet Fever.

100 Cases of Tetter Fever, reported to us. How many of this fatal disease have been cured, we know not by the aid of the Ready Relief, but reported, we are sure.

100,000 Cases of Toothaches, Earaches, Strains, Lumbagos, and pains in the legs, back, etc., in from five to ten or twenty-five minutes.

3,000 Cases of Asthma.

10,000 Bronchitis, Catarrh, Lung Complaint, etc.

10,000 Cases of Neuralgia, Sciatica, Inflammation, Nodes, and other venereal taints.

200,000 Cases of Nervous Headache, Rush of Blood to the Head.

3,000 Cases of Cholera (Asiatic) in from fifteen minutes to twenty-four hours.

Besides thousands and tens of thousands of every day complaints of no given name, that every one is more or less subject to.

5,000 Cases of Dyspepsia.

10,000 Cases of Skin Diseases, Salt Rheum, Sores, Sore Heads, Ringworm, Tetter, Pimples, Blotches and Humors of all kinds—cured by the use of Renovating Resolvent. A chapter for the letter is left by the author of the most loathsome disease, in a few hours after a dose of the Resolvent has been taken.

20,000 Cases of Costiveness, Indigestion, Liver Complaints, Heart Diseases, Kidney, Bladder and Urinary Difficulties, cured by a few doses of RADWAY'S REGULATORS, a dose of which once a week will keep every organ in the system in a healthy condition, and force them to do a due performance of their duties.

R. R. R.

To go minute, we want it known that Radway's Ready Relief is an external and an internal remedy; that it is impossible for pain to exist in the system that is under its influence, and that its anodyning power infuses strength in the weak, broken and infirm. No matter what the cause of the pain may be, a dose or application will instantly stop it.

Radway's Regulators are in the form of Pills, elegantly coated with sugar, and, when taken, do not occasion nausea or sickness. Their office is to regulate the organs of the system in a healthy and regular action, to equalize the circulation of the blood and expel all diffusible and causes of disease from the liver, stomach, bowels, kidneys, heart, skin, nerves, bladder, and thus curing rapidly all diseases that have their seat in either of the organs of the body or in the general system. Every lady should keep a box of these Pills on hand. They are the most certain and reliable pills you can take.

Radway's Renovating Resolvent is the cure of all diseases of a chronic constitutional, or scrofulous character.

JOHN BRUTHERS, SORES, VALE RIDGE, HUMMORE &c. Radway's Ready Relief is to be applied in action, and safe. No injury can result from their use. Let the sick give them a trial.
