THANKFUL for the kind patronage heretofore extended to me, I take pleasure to inform my customers and the public in general, that I do not pretend to be less than any as has been reported, and that I am every day adding to all cases of chronic and external diseases, and that I am prepared to undertake the most difficult operations and accouchements, and that I do not use mercury or any preparation of mercury in disease whatever.

Some diseases are cured in my own method, in each case a special bargain is made between me and the patient, and that I do not use any mercury in the treatment of the same.

For the following: Rheumatism, Arthritis, Neuralgia, Nervous Headache and Toothache, Paralysis, Dyspepsia, Torpidity of the Liver, Spinal Curvature and Weakness, Tumors Internal and External, Piles, Fistula, Stricture, Urinary Diseases, as well as all diseases of the Eye and Ear, Amaurosis, Otalgia, Sterility, Spermatorrhœa, &c., &c., or any disease that results from a derangement of the fluid and nervous system, I use the Magneto-Electric Machine, which is universally known for its practicability.

After a practice of ten years as Staff Physician and Surgeon, and especially hospitals in Germany, and eight years practice in the United States, my reputation as a Physician, Surgeon and Accoucher is sufficiently established to be unnecessary to enumerate. [ap8-dawly DR. R. L. LASKY.
