THANKFUL for the kind patronage heretofore extended to him, would respectfully inform the citizens of Memphis in general, that it is not my intention to leave this city, as has been reported, and that I am ever ready to attend to all cases of surgery or diseases, and that I am prepared to undertake the most difficult operations and accouchements, and that I never resort to the use of mercury in disease whatever.
Venereal diseases are cured in my own method, in such manner as not to interfere with the business of the patient, and that I do not use any mercury in the treatment of the same.
For the following: Rheumatism, Arthritis, Neuralgia, Nervous Headache and Toothache, Palsy, Dropsy, Dropsy of the Liver, Spinal Curvature and Weak Back, Hip or Hooping, Hope, Tumor Alive or White Swell Leg, Dysfluxes, Stricture, Gleet, Gonorrhoea, Leucorrhoea, Chlorosis, Sterility, Spermatorrhoea, &c., &c., or any disease that require an entire regulation of the system, I use the Magnetic-Electric treatment, which is universally known for its practicalness.
After a practice of ten years as Chief Physician and Director of several hospitals in Germany, and eight years practice in the United States, he feels confident in offering himself to the public as a Physician, Surgeon and Accoucher is sufficiently established to do out of further comment.

Hacks and Omnibuses will at all times and at all hours, both day and night be ready to convey travellers and passengers to and from the river and Railroad Depots. The Railroad Ticket office, and the Telegraph office are both kept in the Commercial Hotel. The proprietor being thus surrounded by such able aids and such competent assistants, flatters himself that he can give very general satisfaction. In a word, he will hurry up the cakes, at least round the rolls. He will give you the ham and the lamb the jelly and the jam, in the true McMackian style, all the best in the world. He solicits a very liberal share of public patronage. G. D. MITCHELL,
Proprietor Commercial Hotel, Memphis, Tenn.
