MEMPHIS DAILY APPEAL OFFICE, SUNDAY, April 25, 1858.

NEW YORK—In New York, at the close of last week, it was noticed that trade in all branches was satisfactory as it was the week before. There was a curtailment in the issue of paper and a more strict examination of mercantile business. The demand for the scarcity of paper have been more general than at any time of late. Some of the banks have been compelled to reduce their rate to 6 per cent., and find it difficult to obtain 6 per cent. name at higher rates. Those banks which have recently had unfavorable advices from their regular customers, now find them falling off to a noticeable extent. The raise of the private discount houses are about ½ per cent average.

RANAWAY from the plantation of the subscriber on the Arkansas river, (near South Bend, Ark.,) on Sunday night last, April 18, 1858, two negro men, GEORGE and WILEY. George is about 23 years of age, fine complexion, quick spoken and intelligent, and weighs about 145 or 150 pounds. Wiley is about 23 years of age, very black, quick spoken and has a down a 1 look, and weighs about 165 pounds. They left were off a suit of drab jeans, but carry other clothes with them.

They were purchased in September last in Nashville, Tennessee, from Tom Sanders, a negro trader, who was selling an assortment for Dr. Pickett, and had been down to Nashville, by them from Georgia. They start down the Arkansas river in a skiff, and I think in this direction. I hope the attention is kept up among the Mississippi river, and get on a boat.

I will pay $100 each for said negroes delivered to me at my plantation near South Bend Post Office, on the Arkansas river, or $200 each, confined in any jail so that I can get them. ROBERT C. FOSTER, Jr.

MEMPHIS, April 25, 1858.

BOERHAVE'S

HOLLAND BITTERS

THE CELEBRATED HOLLAND REMEDY FOR

DYSPEPSIA,

DISEASE OF THE KIDNEYS,

LIVER COMPLAINT,

WEAKNESS OF ANY KIND,

FEVER AND AGUE.

And the various affections consequent upon a disordered

STOMACH OR LIVER,

Such as Indigestion, Acidity of the Stomach, Costiveness, Pains, Heartburns, Loss of Appetite, Despondency, Costiveness, Blood and Bowelless Piles. In all Nervous, Bilious and Mesmatic Affections, it has in numerous instances proved highly beneficial, and in others effected a perfect cure.

This is a purely vegetable compound, prepared on strictly scientific principles, after the manner of the celebrated Holland Professor, Boerhave. Because of its great success in most of the European States, its introduction into the United States was intended more especially for those of our fellowcitizens scattered here and there over the face of this mighty country. Meeting with great success among them, I now offer to the American people, knowing that its truly wonderful medicinal virtues must be acknowledged.

It is particularly recommended to those persons whose constitutions may have been impaired by the continuous use of ardent spirits, or other forms of dissipation, delicately instantaneous in effect. It find its way directly to the seat of life, thrilling and quickening every nerve, invigorating the vitalizing spirit, and, in fact, infusing new health and vigor in the system.

NOTICE.—Where expected to do? this a beverage will be disappointed; but to the sick, weak and low spirited, it will prove a grateful aromatic cordial, possessed of singular remedial properties.

CAUTION.

The great popularity of this delightful Aroma has induced many imitations, which the public should guard against purchasing, as they are worthless and in some cases even poisonous. Genuine Holland Bitters a fair trial. One bottle will convince you how infinitely superior it is to all these imitations.
