DR. SAMUEL GILBERT,

AFTER an absence of several years, engaged in the successful prosecution of his professional speciality in the cities of New York and New Orleans, has returned to

Memphis, Tennessee,

and is now prepared to treat

Chronic Diseases,

Without Surgical Operations.

Owing to the fact of his having procured the assistance of his son,

SILAS T. GILBERT, M. D.,

a graduate of the Jefferson Medical College, of Philadelphia, and who has had ample professional experience in the cities of New York and Charleston, patients will now be treated upon more favorable terms, than heretofore.

SLAVES will be boarded, lodged and treated for $1 50 per diem.

Particular attention paid to the treatment of CHRONIC DISEASES peculiar to females,

CANCERS,

TUMORS,

ULCERS,

SYPHILIS, ETC.

During Dr. Gilbert's absence from this section of the Union, certain preparations, to the great detriment of many of those who have employed them, attempted to imitate him, professing to have a thorough knowledge of his peculiar and wonderful treatment. The public is hereby notified that Dr. Gilbert has no specific remedy for any disease, that his system has been almost wholly adopted by all medical men, and experience now and the judicious use of cavalic applications constitute fully as much professional skill and experience as does the surgical instrument.

Furnish testimonials, &c., for gratuitous distribution, may be had on personal application or by addressing, in the city of New York, at 291 BROADWAY.

DR. S. & SILAS T. GILBERT,
