Commercial Matters.

MEMPHIS DAILY APPEAL OFFICE, TUESDAY, June 29, 1858.

COTTON.—About 830 bales of cotton was sold yesterday at unchanged prices. The sales are irregular, especially for the lower qualities. The following is an approximation to the prices:

Inferior	8 @ 7½	Middling	11 @ 11¼
Ordinary	9 @ 8½	Good Middling	11¾ @ 12
Good Ordinary	9½ @ 9½	Middling Fair	12¾ @ 13
Low Middling	10 @ 10½	Fair	nominal.

The New Orleans Picayune, of June 18, reports: The market continues inactive, holders showing very firm prices for the few bales that are offering, and the sales have been so limited to about 1,500 bales. We repeat our last quotations:

Inferior	8 @ 8¾	Middling	11 @ 11¼
Ordinary	9¾ @ 10¼	Good Middling	11¾ @ 12
Good Ordinary	9 @ 10	Middling Fair	12 @ 12½
Low Middling	10¾ @ 11	Fair	— @ —

The stock on hand not cleared was 122,675 bales. The receipts are 600 from Texas, requiring a decline of ¼d in the Liverpool cotton market, positive no effect here from the fact, as is well understood, that the overland schemes by Texas, thanks to the relief measures extended to certain quarters, were looked upon as a humbug. If this time the Mississippi people will begin to be undeceived; it will require few more seasons before there can be any approach of the total destruction of upward of one-half of the average land crop. However favorable this may prove may be elsewhere, this zone is altogether too serious to admit of the probability of a full crop.

Monetary and Financial

MEMPHIS DAILY APPEAL OFFICE, TUESDAY, June 29, 1858.

NEW ORLEANS.—From the *Picayune*, June 28: The money market is easy. A round amount of long dated paper was passed this morning at 8@10 ⅌ cent. Sterling exchange maturing within six months can be done readily at 9 ⅌ cent. The offerings all round are limited. The foreign exchange market is dull. Some drafts sterling were sold at 107¾@108; bills with shipping documents 108@108¼. France sells in limited requests at 5f 8¾@5f8. Sale of sixty day bills on New York were made at 1¼@1¾ ⅌ cent discount, but the whole range is from 1¼@2. Sight was a shade firmer, with less offering. We notice sales at 11-16@¾ ⅌ cent. discount. The banks check at ¾.

CINCINNATI.—From the *Gazette*, June 26: The money market continues the same monotony heretofore noted. Capital is abundant, the demand moderate and all the good paper offered is freely taken at 10 ⅌ cent. Eastern exchange continues dull and heavy at par to ¼ discount. New Orleans is very scarce. In fact the market is entirely bare, and orders received so far could not be filled. Bankers cannot buy prime checks at ¼ dis ⅌ par and the nominal quotation for their own signatures is ¾@¾ prem.

NEW YORK.—From the *News*, June 28: Money continues very easy, and we discover no material change in most of the securities offering, so that the rates continue nearly the same as for some time before that can be had. Good business paper is scarce. 4 months' dates are taken at 6@8 cent., and shorter dates at 2¾@4¾ ⅌ cent. Loans 2 to 6 days longer are rather easier to-day. The highest rates call have been 10¾ for bankers' paper, but the bulk of the business was done at 10 ⅌ cent. Good fulness prevails in all departments of trade.

Cheap Plantation for Sale

I OFFER my plantation for sale, lying three miles northeast of LaGrange, Tenn., containing Eight Hundred and Nineteen Acres, (819.) This place was formerly owned by Capt. Thos. J. Polk, and at present is rented by Mr. R. H. Cuttard. It is now in a high state of cultivation, well adapted to the production of cotton. Not all kind of grain usually grown, and cost, when improved, from $40 to $60 per acre. The most valuable farms in the west, being divided into four large fields. The improvements are comfortable; the dwelling has a suite of four rooms, with porter's cabins (comfortable) for twenty or thirty negroes, a cribbing for corn, and all other necessary outbuildings, of a very well or water, and one of the best selections of fruit in the country. This is one of the most commanding and desirable places for a home in the country, being high and elevated and surrounded by a beautiful grove. The purchaser will be convenient to both the male and female colleges in LaGrange. There can be no expense of boarding his children as well as having the pleasure of their company at home. I have more land than I can cultivate which is the only inducement to sell. Any one wishing a bargain in land can not do better in West Tennessee than purchase the place I am now offering. Intend to sell. I can be found at my residence three miles north of LaGrange, and will take pleasure in showing it to any one wishing to purchase.

ENGINEER'S OFFICE, M. & O. R. R.,
M'ns Ills, Jun 10 1858.
SEALED PROPOSALS will be received at this office until July 1, for the GRADING, BRIDGING AND TRESTLING upon eight miles of this Road, lying on Gibson county Tennessee, about 90 miles from Memphis and 40 miles from Mobile, and connected with the road. Also, until August 15th, for the delivery of 120,000 CROSS TIES, of Whitney Post Oak, at the rate of 2,400 per mile, between the Mobile and Ohio Railroad Junction and the city of Paris, Tennessee. The above work consists of about 200,000 cubic yards of earth work, of a very favorable character, and 2,000 feet of Bridging and Trestling. The country is remarkably healthy; provisions and the labor of hands can be had in the country, hence combine to make this a desirable piece of work for contractors.
The special attention of Planters is directed to this favorable opportunity of procuring healthy and profitable employment for their negroes during the next eight or ten months. The above work to be completed on or before the 1st day of April, 1859.
Plans, Profiles and Specifications of the work can be seen at this office after June 20 and any information obtained by application in person, or by letter to the undersigned.

Railroad Accidents.
OF late, railroad accidents have become so frequent, that no man should start on a journey without calculating the chances, or making provision for broken limbs, dislocated joints, or at the least, bruises and contusions. A go od preparation would be—as dictated by common experience—a small package of lint, a few strips of isinglass, and a bottle of BRAGG'S ARCTIC LINIMENT. For the want of the latter article on such an occasion, many a man has gone for months with an aching limb or joint, or with his face disfigured by unsightly bruises. Bragg's Arctic Liniment is for sale by all respectable Druggists throughout the country. June18-dtwsatw
