Commercial Matters.

MEMPHIS DAILY APPEAL OFFICE, THURSDAY, July 5, 1860.

COTTON.—A little business was done yesterday at 6, 9, 10, 10¼, 11 and 12½ cents, without change of rates.

Inferior	6 @ 7	Middling	11 @ 11¼

COTTON.—From the New Orleans Price Current, of July 2: We stated in our last review that the demand ranging mainly on the Middling and better grades, those descriptions had commanded full prices, while the lower qualities had been neglected, and relied more in favor of buyers. These features have continued to characterize the market since, and the buyers confined to the Middling qualities has resulted in an improvement of ¼c. The sales of the week amount to to 18,300 bales. The receipts prove, (exclusive of those from Mobile, Florida and Texas,) by rail, to show an increase compared with last week of 192 521 bales, and the net increase at all the receiving ports is 116 188. Referring to our remarks above, we modify our quotations, as follows:

THIS hot weather and dust of the city remind us that it is the season when we have been accustomed to welcome our friends and patrons to our delightful Watering Place, it is hard. Daily applications for rooms this season, and the thousands that have annually thronged COTOOSA, assure us that it is only necessary to inform our friends and the public that COTOOSA will be opened on the FIRST DAY OF JULY. MEMPHIS DAILY APPEAL OFFICE, THURSDAY, July 5, 1858.

NEW ORLEANS.—From the Picayune, July 3: Business generally is very unimportant, approaches to any it put by the daily transactions in Cotton and Tobacco, which are large for the season. The Banks receive bills acceptances maturing in October and November at 7 ⅌ cent, and may have to drop to it under the present competition and scarcity. Domestic and early January paper can be passed at 8, and that due in March at 9 ⅌ c. Fair names, 10.

BOERHAAVE'S
HOLLAND BITTERS
THE CELEBRATED HOLLAND REMEDY FOR
DYSPEPSIA,
DISEASE OF THE KIDNEYS,
LIVER COMPLAINT,
WEAKNESS OF ANY KIND,
FEVER AND AGUE.
And the various affections consequent upon a disordered
STOMACH OR LIVER,
SUCH as Indigestion, Acidity of the Stomach, Chiliy Pains, Heartburn, Loss of Appetite, Despondency, Costiveness, Bilious and Bowelling Fever. In all Nervous, Rheumatic and Neuralgic Affections, it has in many cases, instances proved highly beneficial, and in others effected a decided cure.
This is a purely vegetable compound, prepared on strictly scientific principles, after the manner of the celebrated Holland Professor, Boerhaave, and has been for great years in most of the European States, its introduction into the United States was intended more especially for those of our citizens who have resided and there spent the best of their wishing country. Meeting with great success wherever introduced, it is now with great confidence hoped that its truly wonderful medicinal virtues must be acknowledged.
It is particularly recommended to those persons whose constitutions may have been impaired by the continuous use of mercury, or other mineral poisons, or by indulgence in the use of ardent spirits, or other kinds of dissipation. Generally instantaneous in effect, it finds its way directly to the seat of life, thrilling and quickening every nerve, invigorating the digestive organs, and, in fact, infusing new health and vigor in the system.
NOTICE.—Whoever expects to find this a beverage will be disappointed. It is not, but is a medicine, and will cure only those who obey and strictly follow the directions. It will prove a grateful cordial, possessed of singular medical properties.
CAUTION.
The great popularity of this delightful Aroma has induced many imitations, which the public should guard against purchasing. Be not persuaded to buy anything else until you have given Boerhaave's Holland Bitters a fair trial. One bottle will convince you how infinitely superior it is to all these imitations.
