Special Notices

The Stomach
PREPARES the elements of life and the blood, and if it does the work badly and imperfectly, fever and other vexatious diseases are the certain result. As soon, therefore, as symptoms of this kind are perceived, we may rest assured that the digestive organs are out of order. The first and only thing to be done, is to administer a specific which will act directly on the stomach—the main-spring of the animal machinery. For this purpose, we can confidently recommend Dr. HOSTETTER'S CELEBRATED STOMACH BITTERS. Acting as an alterative and a tonic it strengthens the digestion, changes the condition of the blood, and thereby gives regularity to the bowels.

For sale by Druggists, and dealers generally, everywhere. jy7-dawtw

Dislocated Joints,
NEXT in degree to the pain caused by a dislocation, is that arising from the settling of blood around the part, and the effusion of coagulated lymph under the skin. The proper treatment to remove this disagreeable and invariable attendant upon dislocation and bruises, is to apply some powerfully penetrating and diffusive Liniment, with gentle frictions, over the part. The best Liniment now in use, for this purpose, is Bragg's "ARCTIC LINIMENT, which may be obtained at any respectable drug store. It is also cooling and soothing in its effect and allays the pain almost immediately.

Bragg's Arctic Liniment is for sale by all respectable Druggists throughout the country. jun30-dawtw
