MEMPHIS DAILY APPEAL OFFICE, THURSDAY, July 19, 1866.

CINCINNATI—From the *Gazette*, July 21: Some of the eastern houses report an improved inquiry for money, but, as a rule, the offerings are still short of the demand, and the market continues quite easy. The transactions, yesterday and to-day, however, were favorable to a more active employment for currency. This is attributable to the increased movements in produce, resulting from the more remunerative prices current in the Eastern seaboard markets.

DR. BRAGG—Dear Sir: For more than three years I had been afflicted with inflamed eyes, in an aggravated form, and using various advertised and recommended remedies, to no effect! I was induced by Dr. Bamm to try the Arctic Liniment, and in two months was nearly well. My family also have used it in the same manner for the same time, and during a portion of the time was entirely blind in one eye. I applied your valuable Liniment to my eyes, and to my surprise and joy, I have I, with one two-bit bottle, cured my daughter's eyes and my own, besides curing the rheumatism in my back. Joy to the Admirers OF A FINE HEAD OF RICH GLOSSY HAIR.

Talk of beauty, it cannot exist without a fine head of hair; then read the following, and if you ask money, see circular around each bottle, and no one can doubt.

Prof Wood's Hair Restorative.

WE call the attention of all, old and young, to this wonderful preparation, which turns back the original color, gray hair—covers the head of the bald with a new growth—removes dandruff, scaling, itching and all cutaneous eruptions—causes a continual flow of the natural fluids—and hence, if used as a regular dressing for the hair, will prevent its falling or turning from falling to extreme old age, in all its natural beauty. We call then upon the bald, the gray, or diseased in scalp, to use this and secure the proper effect, and save the flowing locks or the witching curl, ever be without it. Its praise is upon the tongue of thousands.

The Agent for Prof Wood's Hair Restorative in New Haven, received the follow ng letter in regard to the Restorative, a few weeks since:

NEW HAVEN, CONN, July 23, 1866.

Mr. Cravenworth—Sir: I have been troubled with dandruff or scurf on my head for more I am a year, my hair began to come out, scurf and hair together. I saw in a New Haven paper about "Wood's Hair Restorative" as a cure. I called at your store on the 1st of April last and purchased one bottle to try it, and I found to my satisfaction it was the thing: it removed the scurf, and new hair began to grow; it is now two or three inches in length where it was all off. I have great faith in it—wish you to send me two bottles more by Mr. Post, the bearer of this. I don't think I can do any of the kind in reach in this place, you may have a market for many bottles after it is known here.

Yours with respect, RUFUS PRATT.

PHILADELPHIA, Sept. 9, 1866.

Prof Wood—Dear Sir: Your Hair Restorative is proving itself beneficial to me. The front and also the back part of my head almost lost its covering—in fact, bald. I have used but two half pint bottles of your Rest. native and now the lip of my head is well studded with a promising crop of young hair, and the front is also receiving its benefit. I have tried other preparations without any good whatever. I think from my own personal recommendation, I can induce many others to try it.

Yours respectfully, D. R. THOMAS, M. D., No. 664 Vine street.

VINCENNES IA., June 22, 1866.

Prof O. J. Wood: As one very about to manufacture and ly and your recently discovered Hair Restorative. I will state, for whom it may concern, that I have used it, known others to use it—that, I have, for several years, been in the habit of using other Hair Restoratives, and that I find none vastly super or to any other. I know it is entirely chemical, free from lead or dandruff, and with one month's proper use will restore any person's hair to the original youthful color and texture, giving it a healthy, soft, and silky appearance, and all this without disconcerting the hands that apply it, or the dress on which it drops. I would therefore recommend its use to every one desirous of having a healthy growth and texture to hair.

Respectfully yours, WILSON KING.

Wonderful Reports from Well Known Citizens.

PILES AND RHEUMATISM.—Some remarkable cures are daily coming to light. Charles Sexton, Esq., ex-Mayor of the city of Camden, says, the "ELECTRIC OIL" cured his Piles by six applications; also, Rheumatism. He says it is a very valuable remedy, and everybody ought to know it.

RHEUMATISM.—Mr. David Mann, 493 Vine street, says Dr. Graff & Co's Electric Oil cured him, and that he was a great sufferer.

STIFF NECK.—Mr. Mann's daughter was much afflicted with stiff neck and swollen neck, which this Oil cured immediately.

BAD STRAIN.—Mr. A. D. Richfield, No. 12 Howard street, met with a serious accident, which laid him up, says, he tried everything, even the usual cold water shower, without any benefit—used a single bottle of the Oil, which cured him—also says it cured a bad sore.

CATARRH IN THE BREAST.—Mr. Warlow's little girl was cured. This is a very interesting case. Come and see.

And so it is, I am daily called upon to chronicle cures like the above. Indeed, all pain vanishes by the use of my Oil.

Facts for the People.

IT was a noted saying of the great Dr. Magendie, when lecturing before a college in France, "I care not a button for theories; give me facts." This is likewise the motto of the equally great Dr. Bragg, who by a careful observance of facts alone has been enabled to bring his medical preparations to such perfection, that he intends, the "ARCTIC LINIMENT," is also his great invention, and we state it as a "fact for the people," that it is the best liniment now in existence, and destined to supersede all others. Another fact is, that it never fails to cure those diseases for which it is recommended.

Bragg's Arctic Liniment is for sale by all respectable Druggists throughout the country. jy14-dawtw
