THE DAILY APPEAL.

SATURDAY MORNING....DECEMBER 6, 1858.

NEW BRIDGE.—Court street bridge has been renovated and is now in good condition.

RECORDER'S COURT.—This court was a cold yesterday—there were only four cases, two vagrants and two "drunks," all of whom were fined six dollars each.

CRIMINAL COURT.—This court was occupied the whole of yesterday in hearing testimony for the defense in the case of BROOKS, who is charged with stealing jewelry.

THANKS.—For late papers we thank E. G. DAVIDSON, clerk of the steamer *Choctaw*. To H. BORDEN, Esq., of the Adams, Express Company, our thanks are again due for valuable eastern exchanges.

ROBERTS' PANORAMA.—Our readers must not forget ROBERTS' PANORAMA, which will be exhibited in a few days. It is the work of one of our citizens, a man of talent and attainments, who well deserves encouragement.

CHARLESTON RAILROAD.—The various business departments of the Charleston railroad are now taking up their locations at the handsome new brick building just completed at the depot.

THE WEATHER.—The weather yesterday was as dull as a disappointed lover, and as damp as a husband employed in trying to keep cool, as he looks over his wife's last millinery bill.

WATCH STEALING.—CHARLES MAY, a German, was arrested last evening and taken to jail, charged with having stolen a valuable silver watch from Mr. P. DOCHNERTY, who keeps a bakery in the upper part of the city.

COTTON RECEIPTS.—During the three months that have elapsed of the present cotton season, the three railroads have brought in 117,839 bales of cotton. The entire receipts of cotton since the first of September amount to 148,384 bales.

SLEEPING CARS.—At the Charleston Railroad depot, the other day, we saw a model of the new railroad car arrangement for sleeping; it is the invention of Mr. NILES, a relative of the well known manufacturer in Cincinnati. The contrivance is an admirable one; it is simple and complete, and answers all the purposes desired; by it, every passenger can find ample room to sleep as snug as in a steamboat

NEGRO STABBED.—Soon after dark last evening, a difficulty occurred on board the steamer *Belfast*, between a deck hand named JOHN KEARNEY, and a negro, in which KEARNEY drew a knife, and with it stabbed the negro, inflicting a dangerous wound. The wounded man was taken away for medical assistance, and officer SMITH took KEARNEY into custody, and placed him in prison.

CONGRESSMEN IN MEMPHIS.—We had the pleasure yesterday of meeting the Hons. JNO. J. MCRAE and WM. BARKSDALE, distinguished Representatives in Congress from the State of Mississippi. They were *en route* to Washington City, and took the Charleston Railroad last night. The former fills the place of the lamented QUITMAN, and the latter represents the middle district of Mississippi. Both enjoy in a high degree the confidence of their constituents.

FRAZER'S BUST OF JACKSON.—The Committee of Arrangements, appointed at a meeting of subscribers to FRAZER'S BUST OF JACKSON, to prepare for its inauguration, are requested to meet this morning, at ten o'clock, at the editorial room of the *Appeal*. The following gentlemen constitute a Committee: JAMES COLEMAN, L. J. DUPREE, C. M. CAMPBELL, J. H. MCMAHON, W. B. MILLER, J. M. ELDER, G. R. MONSARRATT, L. TROUSDALE, Dr. JOHN WHITE and GEO. W. HANNA. By order of the Chairman.

COMMON LAW COURT.—The following is the list of causes for hearing to-day:

356 Wickersham vs. Wallace, et als.
553 Miller vs. Barron, et als.
554 Phelen vs. Overton.
558 Copeland, Edmonds & Co. vs. Rowel.
559 Seawell vs. Mayor and Aldermen.
562 Hanna vs. Crosby.
564 Jones vs. Ballard.
565 O'Connel vs. Castimer.
566 Taylor vs. Wells.

The cases appealed from the Recorder's Court will be disposed of to-day.

MARCUS J. WRIGHT, *Clerk*.
By A. J. WHEELER, *Deputy Clerk*.

Council Meeting.

The Council met in extra session last night, the President, Alderman Hughes, in the Chair.

The object of the meeting was to consider the claim of Col. Austin upon the Little Rock Railroad.

After the organization of the meeting, Alderman Copeland moved to adjourn. The motion was seconded, but lost.

On motion of Alderman Douglas, Col. Austin was allowed to present his case personally to the Council. The report of the Council Committee, which we have already published, have made the public acquainted with the facts of the case.

The following resolutions were offered by Alderman Robinson:

Resolved, That this Board do not concur in the report of the special committee in the matter of the petition of H. R. Austin, and that said report be laid upon the table.

Resolved, That the prayer of the petition of said Austin be refused, and the petition rejected, and also the resolution offered at a subsequent meeting.

Resolved, That in the opinion of this Board, H. R. Austin has no claim on the city, or on the Little Rock Railroad, in consequence of his position as the assignee of Bradley, Stickney, Ford and others, and that this Board will not entertain any proposition from H. R. Austin on the subject of any claim which he may set up against said road, or against the city of Memphis, in consequence of any of said transactions.

The above resolutions were all passed, and the Board adjourned.

River News.

We have no change to report in the condition of the river. The weather yesterday was damp and the streets muddy.

The Return, one of our best small river packets, leaves at six o'clock this evening for White river. Capt. Riley Jones is her commander, and we are sure that all passengers on the Return will be pleased with his efforts to promote the comfort of those under his care. He is of long experience in the trade, and may be relied upon for care and skill.

The swift and elegant mail and passenger packet Jno. H. Dickey is at the landing, receiving freight and passengers. She is the regular packet between this place and St. Louis, and is one of the most agreeable boats on the Western waters to travel on. Capt. Able is a gentleman, whose efforts to make the trips of his passengers agreeable are untiring. The Dickey leaves at six o'clock this evening.

The Langley, Capt. Mason, will leave this afternoon, at 3 o'clock, for Napoleon. She carries the United States mail, and can therefore be relied upon for speed, safety and punctuality.

The Pocahontas leaves at 3 o'clock this afternoon for Cincinnati. She is commanded by that experienced commander, Capt. J. W. Riley, who is in high esteem as a courteous gentleman, and is a universal favorite. The boat is an excellent one; she is 155 feet in length, 28 feet beam, 4½ in hold, and has a capacity of 400 tons.

Their hearts, their fortunes and their lives blend;
Where friendship roll equals her softest powers;

Ineffable, and sympathic of soul!

With boundless oneness, for nought but love
Can answer love, and render it an equal."

WEAKNESS OF THE STOMACH AND INDIGESTION—ANOTHER GREAT CURE EFFECTED BY BOERHAVE'S HOLLAND BITTERS.—The wife of Pieter De Witte, living in Holland Town, Sheboygan county, Wisconsin, suffered much from *Weakness of the Stomach and Indigestion*. She had been under a physician's care for some time, but the disease seemed to baffle even his skill. She purchased some HOLLAND BITTERS at our office, which has given tone to her stomach; her appetite and strength are returning, and we firmly believe that this is another great cure effected by our medicine.

We have still to record many wonderful cures effected by this remedy, but must wait another opportunity. One thing you can rely upon, what we have published are from persons much respected in our community, and are literally true. J. QUINTUS

MEMPHIS DAILY APPEAL OFFICE, SATURDAY, December 4, 1858.

NEW YORK.—From the *Herald* November 30: Optimists are devoting among bankers and lenders, as to the money market. SALE OF

LAND AND NEGROES,

IN SOUTH ARKANSAS.

BY virtue of authority given in a deed of trust executed to me by G. M. Watson, on the day of 1856, and recorded in Columbia county, Arkansas, I offer for sale about

2 500 Acres of Land,

Lying in Columbia county, on the waters of the Bracken, about twenty miles from Camden. Upwards of one-third of this land contains some two thousand acres—three or four hundred of which are cotton. The other, of some five hundred acres, be, perhaps, a hundred opened. On the latter is a Water-gin, and other buildings for the accommodation of a small force; but the overseer and neighbors living upon the larger tract, have heretofore cultivated both together. There are

Forty-Five or Fifty Slaves,

About twenty of them full hands. Some are very old. They have been well treated, are more likely than common, and are increasing rapidly.

I will also sell the Crops (except Cotton) made this year, the Stock, Plantation Tools and all other perishable property on the Estate.

I would prefer selling Land and Negroes to one purchaser; and if arrangements satisfactory to me are made, will give a purchaser some valuable credit on a portion of the money. But having determined to sell, I have the Land surveyed into tracts of one, two, three, one-half and one-third each, the balance in two equal installments, on a credit of two and three years, bearing eight per cent. interest—the purchaser to have the privilege to be paid annually.

A portion of the land and slaves are under mortgage to secure a debt of about eight thousand dollars to I. W. Moon, of New Orleans.

I will be at Camden, Ouachita county, Ark., on the place, and in this, and to C. L. McRae, at Mount Holly, Union county, I refer persons who wish to examine the property and the I expect to be on the place, or in Mount Holly, until the middle of December next.

My post office is "Trevillian's Depot, Louisa, Va." When in Arkansas my post office will be, "Lisbonia, Columbia county, Ark. THOS. B. WATSON,
