Local Matters.

Thursday Morning, June 16, 1859.

☞ Thanks to Mr. Boden, agent of the Adams Express Company, for Eastern papers in advance of the mails.

FAVORS.—We are indebted to Capt. E. E. Dill, the agent of the St. Louis Railroad line of steamers for the latest New Orleans papers.

BLACK TOMMY.—This fellow is prevailing freely on the credit of the humanity of the city. A valuable cow, the property of Mr. O'Brien, died yesterday on account of the disease.

WARD MEETING.—There will be a meeting of the citizens of the fifth ward this evening for the nomination of candidates to represent the ward in the next Board of Aldermen.

EXCURSION.—The ferry-boat Bluff City Belle will make an excursion to Plumb Island, twenty-five miles above the city to-day, leaving her wharf at seven o'clock this morning.

NEW SUPPLIES.—Messrs. Clark J. Merton & Co., of Howard's Row, have received large and fresh supplies of boots and other feed, which they will sell at greatly reduced rates.

☞ Fine mahogany, walnut and rosewood furniture, in lots to suit buyers, will be offered to-day at auction, at 10 o'clock, A. M., by Messrs. G. B. Locke & Co., at their sale-room.

☞ Mary Callihan, who keeps a disorderly house in Brown's Avenue, was fined $10 by the Recorder yesterday. Bridget Condon, who occupies an adjoining house, was fined $5 upon the same charge.

☞ A large portion of our space this morning is devoted to the speech of Kossuth, delivered in London, in regard to the position England should occupy relative to the war. It will be read with both profit and pleasure.

MEMPHIS FEMALE COLLEGE.—The commencement exercises, etc., will take place in the College Chapel on Friday, the 17th inst., beginning at 10 o'clock a. m. Patrons especially, and the public, are invited to attend.

☞ Two brothers, named James and Thos. Mayfield, were fined, the former $10, by the latter $5, by the Recorder yesterday for engaging in a fight. The case we were informed, will be sent to the Grand Jury, which is now in session.

COTTON BLOOM.—We yesterday received a cotton bloom from the plantation of Mr. Wm. Robertson, near Vicksburg, Miss., per Mr. Charles E. Somerville, the conductor and manager. He is the first bloom that we have heard of in this section this season.

CANDIDATES IN THE THIRD WARD.—At a convention of the citizens of the fourth ward last evening, Messrs. Charles Potter and Jas. Eldridge were nominated as candidates to represent the ward in the next Board of Aldermen—rare excellent nominations.

☞ Our friend Mr. J. G. Barbour, of the house of Hooks, Smith & Co., leaves this morning for Europe. We wish him a pleasant and safe trip, wonder if he is not on a matrimonial tour? We hope he has a friend in the colonnade of the Appeal.

RECORDER'S COURT.—The Recorder held an interesting term of his court yesterday, and disposed of one less than fourteen cases. Fines to the amount of $172 were assessed, of which sum $23 were paid in. $5 additions were made to the chain gang.

MISSING KINSMAN.—A gentleman was killed in the western suburbs of the city, yesterday. The deceased had not only attempted to kite various neighbors, but had made several attacks upon his master, who dispatched him with an axe.

NEW DRINKING SALOON.—Our old friend Montebianco, in connection with Mr. Zanone, late of Louisville, has taken charge of Joe's House, on Front Row, where he is dispensing all the necessary comforts for the "inner man." They are determined to keep at all times the purest and best of liquors.

AFFRAY.—There was a terrible affray, or encounter of affrays, in the vicinity of the "Tough" drinking saloon yesterday afternoon, in which Mr. B. U. DeBare, the well known chairmaker, was badly beaten by the proprietor of the saloon. The recorded item was in a critical condition last evening.

MUNSON'S LIGHTNING ROD.—Munson's copper rather lightning rod is said to be a certain protection against accidents by lightning. We small acquainted with the imperfections of the old style of lightning rods, and there is no doubt but Munson's invention will supersede all others. Mr. Theodore Anderson is the agent for this city.

EXAMINATION OF THE CITY SCHOOLS.—We invite the attention to the programme for the order of examination of the city schools, to be found in another column this morning. Col. Pope, the official superintendent of the schools deserves a large attendance, and every parent and guardian should feel interested in the examinations.

CANDIDATES.—There was no case of importance disposed of in this tribunal yesterday. The grand jury returned true bills of indictment against John Conner, for larceny, and Thos. and Thos. Mayfield, for assault and battery.

The following tickets will be taken up to-morrow, before some magistrate or justice of the peace:

DOMESTIC CHARITY.—John Anderson was arraigned before the Recorder yesterday upon the charge of cruelty to his family generally, and his little boy aged about five years, in particular. Being asked what he had to say, he scraped his head in his usual manner, and said he was fine of $50 and costs, and Anderson, by the Recorder, in default of the payment of which he was committed to the chain gang for a period, of one hundred and three days.

LOCAL NEWS INTELLIGENCE.—Amusements are at a discount in this city at present, there being nothing of an attractive character on the tapis. The performances in the city generally by the minstrel Hickman for a more congenial and perhaps a more profitable clime. The steamer Champion, which passed up yesterday, had a show on board, which consisted of a cow with six legs, and other monstrosities.

☞ The following are the receipts of the Memphis and Charleston Railroad for May, 1859:

Passenger receipts	$17,000 15
Freight receipts	38,716 00
Mail receipts	4,081 35
Miscellaneous receipts	1,121 72
Total receipts	$60,919 22
Expenses	49,000 00
Net earnings	$11,919 22

Meeting of the Board of Health.

MEMPHIS, TENN., June 14, 1859.

At a meeting of the Board of Health, assembled facility to be labor in the nursery of our late friend and associate, Dr. W. J. Taylor, Dr. W. V. Taylor presiding, Dr. W. E. Rogers was appointed Secretary pro tem.

On motion, Drs. Pitman and Rogers were appointed to draft resolutions.

Resolved, That we deeply deplore the sad event which has deprived this Board of the services of our able, earnest, and highly esteemed Secretary.

Resolved, That we bow with humble submission to the inscrutable ways of Providence that has thus, in the prime of manhood taken from his labors our late friend and esteemed associate, W. J. Taylor.

Resolved, That we will ever cherish with fond remembrance the amiable and Christian deportment that always illustrated the life and character of the deceased; with a most nicely strung intellect, and a professional knowledge he was ever strictly professional and courteous in his intercourse with his medical brethren, and a worthy example to all engaged in our noble profession.

Resolved, That we tender the relatives of the deceased our heartfelt sympathy.

Resolved, That as a mark of our respect to the memory of our deceased brother, we will, as a body, attend his remains to their last resting place.

City papers are requested to copy the proceedings.

W. V. TAYLOR, Sr., President.

W. E. ROGERS, Secretary pro tem.

MEMPHIS, TENN., June 15, 1859.

A first number of the members of the medical profession of this city assembled this morning at 10 o'clock, in the office of Drs. Taylor & Early, Dr. Millington was called to the Chair, and in a few appropriate remarks stated the object of the meeting.

Drs. W. V. Taylor, Sr., Pitman and Tucker, as a special committee appointed for the purpose, reported the following resolutions, which were unanimously adopted:

Resolved, That we deeply deplore the untimely death of Dr. W. J. Taylor.

Resolved, That we feel the loss to the public, and to the medical profession and the public generally in the loss of a good and estimable citizen and useful practitioner, devoted to the cause of science and the benefit of his fellow man.

Resolved, That we will ever cherish the memory of our late friend and brother, for the uniform kind and courteous deportment which ever characterized his social and professional intercourse.

Resolved, That as a further mark of regard, we will wear the usual badge of mourning for thirty days.

Resolved, That the above be published in the papers of this city, and a copy be forwarded to his relatives.

Drs. Walker, Shanks and Roberts were appointed a committee to prepare an obituary, to be published in the Nashville *Medical Journal* and the New Orleans *Medical and Surgical Journal*. DR. MILLINGTON, Chairman.

E. MILES WILLETT, Secretary.

E. C. SCOTT, THE SWINDLER.—We announced several days ago that one E. C. Scott had purchased the steamer *J. G. Cline*, and subjoined subsequently that the sale was all "rash." It has transpired recently that the affair is a great swindler and humbug. It appears that he made his appearance in this city about a fortnight since, and that he has swindled everybody with whom he came in contact, having married a lady of this city about the period of his advent, and practiced all sorts of games upon the unsuspecting. He represented himself as a man of great wealth, and victimized our business men for large sums and small sums, and eloped Tuesday evening with his booty. The worst victim, however, is the newly married wife, who, we are informed, has been left to bear over the consequence of misplaced confidence.

ADMITTED TO BAIL.—We have on two or three occasions announced that James Lewis had been arrested in this city upon the charge of shooting an antagonist in Arkansas. Lewis has been in jail in this city for a period of two or three weeks, and had an examination before Judge McKinnon yesterday on a writ of habeas corpus, and was admitted to bail in the sum of one thousand dollars.

EXHIBITIONS OF RESPECT.—The members of the medical profession held a meeting at the office of Dr. Taylor yesterday, and passed resolutions expressive of the sentiments of the profession in view of the loss of the late Dr. Tock. We are indebted to Dr. E. Miles Willett, the Secretary, for a copy of the proceedings.

Card from Mayor Baugh.

EDITORS APPEAL: My report as corrected and published in the APPEAL of yesterday, the 14th inst., was severely attacked, and either wilfully or ignorantly misrepresented by one "X." My statement is correct, and no business man who understands figures, or anything about book keeping, will venture to assail my statement over the signature of any other name or letter than "X" as I think the gentleman who signs his name "X," is as aware of knowledge as the words with which X commences. Many citizens have been misled by the garbled statement of "X," he can satisfy himself by calling at the Register's office and examining the books and records of the city.

May 15. R. D. BAUGH.

WARD MEETING.—At a meeting of the citizens of the 5th Ward, held at the corner of Poplar and High streets, on the evening of the 14th June, 1859, Mr. Thomas H. Boynton, Esq., was called to the Chair, and James H. Smith appointed Secretary. The Chairman briefly explained the object of the meeting, when, on motion, a committee consisting of seven persons was appointed to report the names of two suitable men as candidates for Alderman in this Ward. The Chairman then appointed Messrs. M. Magenney, C. W. Goyer, N. Holt, J. R. Ray, S. H. Duncomb, James Simpson, Col. Stephenson, and Dr. Acree, who retired, and soon reported the names of J. C. Griffin and H. Vollentine, which report was, on motion, unanimously adopted.

The candidates for Mayor, Messrs. W. M. Perkins, R. D. Baugh, John S. Robinson, and John Park, were then called for, and came forward and expressed their views upon the different subjects and policies now agitating the public mind of Memphis. After which, on motion, the meeting adjourned.

JNO. T. STRATTON, Ch'n.

JAMES H. SMITH, Secretary.

During the twenty-four hours ending at six o'clock last evening, the river fell about five inches at this point, the decline having been checked somewhat by the rise from above.

The Ohio was rising rapidly at the last accounts, and during the twenty-four hours ending Monday evening. This rise, we notice, was caused by the heavy rains, which were heavy the evening and night previous. The rains extended along Kentucky river to Frankfort, and, no doubt, that river will rise. The recent rains have been general all among the river, causing a slight rise here, and we hope, sufficiently to open up again in the annual June rise.

It is said that there would be a trial of speed between the Imperial and Capitol during the present trip from New Orleans. Such boat left New Orleans Friday last, and both will be due here about noon to-day.

The Imperial passed down from New Orleans yesterday with the greatest number of passengers brought up our way for a month past, about 400 of whom were on deck.

The Alice Vivian departed for New Orleans last evening, with a large number of passengers, though not little freight. Her departure attracted a large party to the landing, who were entertained by the admirable music of the calliope on board the Vivian. The Vivian is already established as a favorite here.

The Crescent City, from St. Louis, passed down last evening, with a big trip of freight.

The Louisville Courier says that the channel above the bars has very materially improved between that port and Cincinnati; also at the Portland bar, where depth on Monday found fifty feet feet of water.

The channel at Stewart's island has changed, and boats contemplating taking the Illinois or right hand chute. The passage at Cumberland is also down the Illinois side of the island, right over the bars.

The only shipment of cotton for New Orleans yesterday, was that made by the Alice Vivian for Messrs. Priest & Bowen.

The steamer Hickman, for Cincinnati, yesterday, took 600 bales cotton for the Ohio river, and a large number of passengers.

FOR VICKSBURG.—The fine new steamer Victoria, Capt. Sewell, will leave as above and o'clock this afternoon. Everybody going in that direction will of course take the Victoria. Capt. A. G. Fisher, a universal favorite with the traveling community, is the clerk.

The J. R. Lucas arrived from St. Louis yesterday with a heavy freight. Weare indebted to Messrs. McCreary and Patterson, the attentive clerks, for papers and other favors.

Among the freight by the J. H. Lucas from St. Louis yesterday, were 400 pigs pigs, 117 barrels flour, a lot of bacon, and twenty-eight boxes gedcoons shorts for the Mississippi and Tallahatchie ports, for Memphis.

Messrs. Priest & Bowen, the popular steamboat agents, will accept their new office on the new wharfboat to-day.

The Eagle Packet, Captain Calhoun's new boat for the new Orleans and Bolize trade, was launched at New Albany, Indiana, on Saturday last.

FOR LOUISVILLE.—The fast running and delightful steamer packet, Moses McClellan, Captain Erwin, will leave for Louisville at the o'clock this afternoon. The McClellan is a good favorite in the line, and her officers are unexpressed. Messrs. Woodfolk and Chamberlin are the clerks. For information inquire of Messrs. Priest & Bowen, the agents.

FOR ST. LOUIS.—The popular steamer J. H. Lucas, Captain O'Neill, is the regular mail and passenger packet for this port and St. Louis in the usual time, with her office on the wharfboat. She has the very best accommodations for passengers, and we concurred all going in that direction to the care of Messrs. McCreary and Patterson, the clerks. Messrs. Thos. B. Williams & Co. are the agents.

FIRE ENGINE FOR SALE.
THE city authorities of Baltimore, having substituted the steam fire engine for the hand engine, the undersigned offer the celebrated Baltimore Hand Engine and their handsome Gallery Hose (a description of which is given below), both of which have been used more, and in a more perfect order, and in perfect order. Its original cost was $4,500.
DESCRIPTION.
Box 5 feet 6 inches long, 23 inches deep, made of Mahogany, ornamented with Rosewood, Brass trimmings, 8½ inches; stroke, 8 inches. The entire design of the engine is pure Gothic; the panels of box being filled with most delicate tracery, and the whole finished around the discharge screws with ornamental corner, in the elaborate manner. The brass work is ornamented in the manner, with the addition of circular recesses, in which are inscribed mottoes and devices, and the upper of box are princes metal mottoes of semi-circular form. The gallery, of beautiful design, is of metal, and is ornamented with Rosewood, Mahogany, and Brass, of unique form, richly chased and fine gilded; the sides in gilded and chased work, and the ends adding much to the general appearance. In the four corners are inserted the Maltese Cross, the emblem of Christianity, and the scenes of Friendship. The cross of gallery is also ornamented, partaking somewhat of a basket shape; this is also gilded. The entire gallery is supported by two silver swans. The hub of wheels are princes metal, with gilded and chased work therefrom. The hub rests on four elliptic springs, with all the latest and most approved improvements, and the axle, of all of which is highly polished. The levers are also polished. The name of the company is in a small panel on either side at base of gallery in raised letters, gilded. The letters being finely gilt and set with brilliants. Altogether, it is one of the most costly and elegantly finished engines in the country, having been in constant service since January, 1858, and has proved a most valuable and reliable engine, that time being merely a nominal amount.
Also, about 800 feet of Hose and Two Wheel Hose Carriages.
