Local Matters.

Friday Morning, September 23, 1859.

EDITORIAL.—Maj. Ward, of the Panola Star, and Col. Underwood, of the Helena Shield, were in the city yesterday.

CHANGE OF LOCATION.—Messrs. Brown, Owen & Co. have removed to their new business house, at No. 5 Monroe street.

IVES.—There will not be a meeting of the Board of Mayor and Aldermen at the usual hour this evening.

☞ There were but five cases before the Recorder yesterday, in which fines to the amount of twenty-five dollars were assessed. Two additions were made to the chain-gang.

☞ Messrs John D. Battle, C. C. Morris and Judge James, we are requested to state, have been added to the list of delegates to the Railroad Convention at St. Louis.

☞ Any one wishing a snug, cozy home, beautifully located, within four minutes' walk of Court Square, will do well to call on W. E. Wells, Gayoso building.

STOP THE THIEF.—Attention is directed to the advertisement of "Stop Thief—Twenty-Five Dollars Reward," among our new advertisements this morning.

RETURNED.—Dr. L. P. Yandell, of this city, who has been absent during the summer for the benefit of his health, has returned to the city, and may be found at his office, on Main street, near Gayoso.

G. W. JONES & CO.—We beg leave to call public attention to the advertising card of this house. They have a full and splendid stock of goods, which they offer at very low prices, and we bespeak for them a liberal share of patronage.

OCCUPATION GONE.—Our old friend Mr. Charles May, has disposed of his livery stable and stock to Mr. J. M. Woodward. We regret to learn that "Charlie" has retired from active business, and hope that his occupation in Memphis is not permanently gone.

☞ We would invite public attention to the new style of pictures taken at the Star Gallery, 262 Main street. They are most perfect likenesses, and for durability stand unrivaled. Call for the ferrotype. Prices from fifty cents upward.

RIGHT-OF-WAY TO THE LANDING.—It will be seen from the proceedings of the Board of Aldermen, in another column, that the Memphis and Ohio Railroad Company have obtained the right to extend the track of their road to Center Landing.

INFANTICIDE.—Some boys at play, on Wednesday evening, in the vicinity of the brickyard on Main street, near Beal, found a glass jar containing the remains of an infant of premature birth. No clue could be obtained as to the paternity or maternity of the body, and it was informally interred.

GALLATIN RACES.—The race yesterday was for the Jockey Club Purse, $300, mile heats, best three in five. Six started. The race was soon won by Roundtree and Meath's ch. m. *Martha Worsham*, by Albion, dam. Eudora by Plum. Five heats were run. We did not learn the time.

OFF FOR ST. LOUIS.—Captains Garrett and McMurray, and Officers Moore and Whitsitt, of the police, were passengers by the steamer *Ben. Lewis*, for St. Louis last evening, as delegates to the National Police Convention which will assemble in St. Louis during the approaching week.

DISCHARGED.—G. W. Spearback, who was charged with obtaining the sum of $1.12 under false pretences, was released by Esq. Horne yesterday.

A few days ago the same individual was acquitted of the charge of stealing four dollars and a piece of tobacco from Francis Pratt.

EXERCISES AT THE BAPTIST CHURCH.—The repairs and improvements upon the First Baptist Church, under the pastorship of Rev. T. J. Drane, having been completed, the congregation will hold a religious "house-warming" at the church edifice this evening. The exercises will commence at half-past 7 o'clock. The friends of the church are invited to be present.

VIOLATION OF AN ORDINANCE.—There is an ordinance against the practice of allowing horses attached to vehicles to stand in the street without being hitched. L. Rocco was fined five dollars yesterday for a violation of the ordinance, his horse having started, and the wagon to which he was attached having collided with another vehicle, to the damage of the latter.

A BEAUTIFUL CUP.—We were shown yesterday a beautiful golden cup, valued at $150, which composes a portion of the Citizen's Plate subscribed to the stakes at the fall meeting over the Memphis Race Course. The cup in question has been furnished by Messrs. Merriman & Co., of this city, and is creditable to their workmanship and a monument to the liberality of the contributors.

MARKET MASTERS ELECT.—It is understood that two new market houses will be thrown open for business on the 1st proximo, under the provisions of the late market ordinance. The two markets will be under the control of as many Market Masters, who were elected by the board last evening. Mr. J. J. Loving was elected master of the market in south Memphis, and Mr. N. B. Holt was chosen master of the north Memphis market.

DROWNED OFF A FLATBOAT.—A young man about twenty-five years of age, fell overboard from Mr. J. J. Loving's lumber-boat, at the foot of Buck Island, a short time before daylight Sunday morning, and was drowned before he could receive assistance. The deceased shipped at this city, and gave his name as Thos. Brown, but it was inferred, after certain papers on his person had been perused, that his name was McGuire. He was a native of Ireland, but late of Louisville.

TRIAL OF HENRY BURGETT.—The trial of Henry Burgett, charged with killing George Holbert, on Thursday last, an account of which we have already given, was opened at Marion, Ark., on Tuesday, and will, in all probability, be concluded to-day. The attorneys in the case are Mr. Hawks, of Helena, and Judge King and Gen. Sale, of this city, for the prosecution, and Mr. Lyle, of Arkansas, and Messrs. Yerger and Carpenter, of this city, for the defense.

A NOBLE CHARITY.—By accident, we heard yesterday of the bestowment of a noble charity by that mysterious order, the Sons of Malta. They have for some time been ministering to the wants of a poor family in this city, composed of a man, his wife, and child. The kindness of the order, however, was unavailing to preserve life, and both parents died, leaving a little boy alone in the cold world. Certain charitable members of the order, however, took charge of the little fellow last evening, and paid his passage to Paducah, at which place he has relatives.

INQUEST.—An inquest was held yesterday by Esquire Horne on the body of Mr. Forsyth, who was killed by falling from a third story window at the Commercial Hotel Wednesday evening, an account of which we gave yesterday morning. There was no testimony introduced to the jury beyond the mere fact of the accident. The deceased left Columbus, Ga., four or five years ago, on account of two unfortunate affrays in which he had been engaged there. A small sum of money was found in his possession, which was handed over to a kind friend, who took charge of the remains.

A STEAMBOAT CLERK DROWNED.—The second clerk of the White river packet *Mary Patterson*, fell overboard at the foot of Island 66, on Sunday last, and was drowned. The boat was landing at a wood yard at the time, and the deceased, who was standing on the lower guard, lost his footing and was precipitated into the river. The body was carried around under the wheel and lost to view for the time. It was subsequently recovered, however, by the keeper of the wood yard and interred. A gold watch and a small sum of money was found upon the body, which are in possession of the keeper of the wood yard. The name of the deceased is unknown to us.

DANCING ACADEMY.—It will be seen from his card, that Mr. Lippard, an accomplished master of his profession, proposes to open a dancing academy at 266 Main street, over the store of G. B. Locke & Co., on Thursday next. Mr. Lippard comes to our city with the highest recommendations from prominent citizens of Kentucky, Illinois, Tennessee, Alabama, Georgia and Louisiana, and he is by them indorsed as a worthy gentleman and an accomplished teacher of his art. Upon these recommendations, which we have carefully examined, we take pleasure in unhesitatingly recommending him to the patronage of our citizens.

THE SENATE.—This favorite house has just received a stock of wines and liquors direct from the importer, that cannot be surpassed by any ever brought to this city. Mr. J. H. Ecty—one of the most experienced young men in his business men in the country—will take pleasure in serving his customers, and the public who may favor the house with a call.

At the cigar stand there will be found all the choice brands of imported cigars and tobacco which Mr. Baker will take pleasure in selling to his customers. 1t*

Proceedings of the Board of Aldermen.

At an adjourned meeting of the Board of Mayor and Aldermen last evening, all the members were present except Aldermen Potter, Jones, Townsend, and Barnett.

ACCOUNTS ALLOWED.

The account of the Appeal Office, of $26.50, and of the *Avalanche* office, of $24, for printing, was allowed.

The account of Curtiss & Knapp was referred to the Mayor.

LUMBER INSPECTOR.

Mr. Isaac H. Haley tendered his resignation of the office of Lumber Inspector, and Mr. A. L. Goff was elected to fill the vacancy.

MARKET MASTERS.

The Board then proceeded to the election of Market Masters for the two new markets, which resulted in the choice of J. J. Loving for the South Memphis Market and N. B. Holt for the North Memphis Market.

Mr. Holt subsequently resigned the office of Market Master, to which he had been elected, and Mr. W. J. Whitsitt was elected to fill the vacancy.

FIRE DEPARTMENT.

Ald. Douglass offered a resolution adopting the constitution and by-laws of the Fire Department and the organization of the same, provided the insurance companies of the city shall pay half the salaries of the officers elect, which was adopted.

THE CITY DISPENSARY.

The proposition to establish a City Dispensary for the benefit of the poor, was then taken up, and various proposals were made as to the basis upon which it should be established.

The proposition of the faculty of the Memphis Medical College (which issue follows,) was adopted, by the following vote:

AYES—Ald. Drew, Tighe, Street, Lofland, Elder, Farris, Griffing, Perkins and Kortrecht—8.

NOES—Ald. Hamilton and Douglass—2.

To the Board of Mayor and Aldermen of the City of Memphis:

GENTLEMEN—The undersigned, members of the medical faculty of the Memphis Medical College, propose to your Board, and obligate themselves personally to carry out the proposition, to attend the Dispensary at the college building daily as long as necessary, to prescribe for and administer medicines to the paupers of the city, each day, for the ensuing year. In consideration of this service for the benefit of the College, they require, or ask of your Board to furnish them the sum of $1500, to be paid quarterly in sums of $375, to purchase the medicines, surgical dressings, etc., so essary.

For the above amount they obligate themselves to conduct the Dispensary in a satisfactory manner for the ensuing year.

Memphis, Sept. 22, 1859.

PETITIONS.

The petition of Francis Pratt, in regard to a ferry privilege, was laid on the table.

A petition was received from certain citizens, asking that slaughter-houses within the city limits be declared a nuisance.

Ald. Kortrecht presented an ordinance declaring all slaughter-houses within one-half a mile of the limits of the city as nuisances, and that owners of such nuisances be notified to remove them within thirty days after the passage of the ordinance, which was referred to the Ordinance Committee.

The prayer of the petition of Mr. E. F. Bink, asking that his coal house be permitted to stand, was granted.

The petition of J. E. Chadwick and others, in regard to a boat club, was referred to the Wharf Committee.

The petition of H. L. Guion, asking to have Court street graded, was referred.

Two petitions, asking the privilege to make brick on the Bluff, were referred to the Wharf Committee.

The petition of certain citizens of Chelsea, asking an appropriation of three hundred dollars, to aid in building a bridge over the bayou, was referred to the Improvement Committee.

The petition of D. S. Wright, asking that a fine of six dollars imposed upon his back driver by the Recorder, be refunded, was granted.

The petition of certain property holders, asking that Fourth street, from Poplar to Market street, be opened, was referred to the Improvement Committee.

The petition of Mr. Carroll and others, asking the establishment of a pistol gallery, was referred to the Vigilance Committee.

Ald. Elder offered a resolution directing the Marshal to give notice to persons erecting slaughter houses to discontinue the same, which was adopted.

ANOTHER RAILROAD EXTENSION.

A petition was received from the President of the Memphis and Ohio Railroad Company, asking that they be permitted to extend the track of the road to Center Landing.

A lengthy discussion ensued on the merits of the petition, in the course of which Alds. Perkins, Tighe, Hamilton, and Douglas opposed the proposition to extend the road to the landing, and Alds. Griffing, Lofland, and Elder favored it.

By consent, Col. Topp, the President of the Memphis and Ohio Railroad Company, made a statement in defense of the petition to extend the road, showing that the company were limited for room in which to transact their business. They asked for the extension under the supervision of the board; the right could be taken from the company at any time the necessity for the extension ceased to exist. Col. Topp concluded by reminding the board of the importance of the road to the city.

Ald. Douglass stated his objection to the extension of our local roads to the river. He denounced the "unmitigated hum-ug" of free trade, and would never consent to the proposition to extend the road which had been built at so great a sacrifice of money and labor, and thereby divert our trade from us, and thus render Memphis a mere stopping place.

Ald. Elder deemed the proposition one of a plain, business nature. He didn't think the extension would prejudice the commerce of the city, but that the project was desirable alike for the convenience of the railroad company and the business community of the city.

Ald. Street assured Aldermen that the design of our railroad companies was not to benefit the roads at the expense of the interests of the city. The President and Stockholders were all as much interested in the prosperity of Memphis as the most devoted friends of the city.

Ald. Lofland offered a resolution granting the privilege to the Memphis and Ohio Railroad Company to extend their road down Fulton street to Center Landing, subject to a discontinuance by the Board of Aldermen at any time, which was passed by the following vote:

AYES—Ald. Street, Lofland, Elder, Kortrecht, Farris, Griffing and Tighe—7.

NOES—Ald. Drew, Hamilton, Douglass and Perkins—4.

A reconsideration of the vote was then proposed, which was lost.

RESIGNATION OF AN ALDERMAN.

Ald. Potter submitted his resignation as a member of the board, which was received. An election was then held to fill the vacancy, with the following result:

Thos. N. Nelson.....8
Thos. J. Finnis.....3

Mr. Nelson was declared elected as a member of the Board from the Fourth Ward.

THE SCHOLASTIC POPULATION.

The report of the Commissioner showing the scholastic population of the city to be 1599, embracing children between the age of eight and sixteen years, was received and filed.

GAYOSO STREET TO BE OPENED.

Ald. Hamilton offered a resolution directing the Mayor to take steps to obtain the right of way for Gayoso street, from Wellington to DeSoto, and to proceed to remove obstructions, which was referred to the Mayor.

ANOTHER PROTEST.

Alds. Douglass and Hamilton offered a written protest against the arrangement between the city and the Memphis Medical College, for the establishment of a City Dispensary, which was ordered to be spread upon the minutes.

EXTENSION OF THE FIRE LIMITS.

Ald. Drew reported an ordinance providing that no more wooden buildings should be erected immediately around Market Square, which passed a final reading.

RE-ELECTIONS.

Ald. Farris offered a resolution asking the Legislature to amend the charter of the city to enable the city police to arrest all persons guilty of misdemeanors within one mile of the city, which was referred.

The same offered a resolution that all negroes be punished with ten lashes if found smoking a cigar or pipe in any public thoroughfare in the city, which passed a first reading.

The Mayor was directed to cast the vote of the city at the meeting of stockholders in the Memphis and Ohio Railroad Company.

Ald. Douglass offered a resolution directing the Mayor to purchase a clock for the Council chamber that will strike the time every half hour, and that if it fail to indicate the time by striking, the Marshal be directed to make it strike, which was passed.

Ald. Drew offered a resolution directing the Mayor to negotiate with the Gas Company to lay the main gas pipes down Poplar or Washington street to the new market house, and have gas fixtures erected in the market, which was passed.

A resolution was offered by the same instructing the City Engineer to prepare a profile of Second street, which was referred to the Improvement Committee.

Ald. Tighe offered a resolution directing the Marshal to enforce the putting down of certain sidewalks on Chickasaw street, which was adopted.

Ald. Farris offered a resolution directing the Mayor to have gas pipes put down in Hernando street, from Beale to Vance street, which was adopted.

DELEGATES TO ST. LOUIS.

Gov. J. C. Jones and Messrs. Wm. Farris, Timothy Trezevant, I. N. Barnett and A. H. Douglass were appointed to represent the Board in the Railroad Convention at St. Louis during the coming week.

The Board then adjourned.

CHARGE DISMISSED.—Wm. Smith, the young man who has been in prison several weeks, charged with stabbing Bill Green, at Coggrswell's stable, was discharged from custody yesterday by Esquire Horne, no prosecutor appearing.

DEPARTURES YESTERDAY.

D G Taylor.....New Orleans Hazenlun.....New Orleans
Champion.....St Louis Red Chief-Ouachita river
Victoria.....Vicksburg Ben Lewis.....St. Louis

The river continues to decline at this point. The weather yesterday was dry and warm. Business was unusually brisk at the landing, reminding the observer of one of the busiest days of the busy season.

The D. G. Taylor, from St. Louis, which passed down yesterday morning, was aground for a short time at the head of President's Island.

There was a considerable movement in cotton at the landing yesterday. The Kate Hay, for Cincinnati, the Ben. Lewis, for St. Louis, and the Choctaw and Rapides, for New Orleans, were all receiving the staple. The Kate Hay had 900 bales engaged.

The Choctaw and Rapides were to have left for New Orleans last evening, but their departures were delayed.

The Ben Lewis, for St. Louis, was delayed until a very late hour last night, discharging and receiving freight. The rush about three hundred bales of cotton for St. Louis.

The Kate Hay was detained in the Ohio by low water and bad weather. She brought an unusual number of passengers and considerable freight, notwithstanding the low water in the Ohio.

The steamer Jas. Montgomery, Capt. Archer, one of our most meritorious Louisville and New Orleans packets, will leave this port for New Orleans on the arrival of the cars Sunday evening. State-rooms will be reserved for passengers embarking at this port.

The Victoria left for Vicksburg last evening, with a large number of passengers and a good freight. Her departure was delayed by the rush of business.

FOR THE FAIR.—The splendid steamer, J. H. Lucas, Capt. Riley, with our popular friend Tetherit in the office, will leave for St. Louis with the fair entertainer, at four o'clock this afternoon. She has the very best accommodations for passengers, and will furnish all the luxuries requisite to make a trip pleasant, including a fine band of music.

FOR CINCINNATI.—The fine new low-water steamer Kate Hay, commanded by Gaskins, will leave for Cincinnati at 12 o'clock to-day. She is an excellent passenger packet, and defies the low water in the Ohio. Our popular friend Capt. H. L. Dean is the clerk.
