GREENLAW & CARRUTHERS & DILL.

February 7, 1860.

PERSONAL.—Hon. Wm. King, of Virginia, is at the Gayoso House.

ALARM OF FIRE.—T ere was a false alarm of fire about six o'clock last evening.

MASQUERADE.—There will be a grand masquerade ball at the old Memphis theater this evening.

☞ Mr. A. H. Downer, the popular local reporter of the *Enquirer*, was a passenger by the Memphis and Charleston railroad last evening for New York.

SOUTHPAWS.—We are authorized to say J. V. Mansfield, the celebrated writing fluid manufacturer, may be consulted for a few days longer at his rooms, in Odd-Fellows' Hall.

MEMPHIS MANUFACTURING.—We visited one of our foundry and machine shops yesterday, but shall have something to say to morrow about what we saw there.

HEAVEN FINED.—Thos. J. Fitzpatrick, who was arraigned before the recorder yesterday for disorderly conduct and flourishing a knife, was fined $25, in default of the payment of which he was sent to the chain gang.

CRIMINAL COURT.—Seven additional jurymen were obtained yesterday for the trial of W. D. Bell, who is charged with the murder of Benj. Rice, making ten in all. Another panel was ordered when the court adjourned.

RECORDER'S COURT.—There were eighteen delinquents before the recorder yesterday, and fines to the amount of sixty-seven dollars were assessed, but two dollars of which were paid in. Eight additions were made to the chain-gang.

POSTPONED.—The cool unfeated meeting of the board of notice and aldermen, for the consideration of the report of the committee to whom the remonstrance against the Main street railroad was referred, was postponed that evening until Tuesday evening next.

THE SCHOOL EXHIBITION.—We were gratified that the attendance at the exhibition of schools numbers seven and eighteen, were so well attended last evening. The exercises were of a highly interesting character, creditable to the pupils, honorable to the teachers and most gratifying to the friends of popular education.

JUDGE DIXON AND THE POST OFFICE.—We are authorized and requested by Hon. George Dixon, to contradict the current rumor that he is an applicant for the Memphis post office, or that he would accept it in the event of the removal of Col. Carroll. Judge Dixon neither desires the removal of Col. Carroll, nor would he accept the succession to him in the Memphis post office.

RECOVERY OF SCHLER PAYSCHETT.—We learn the particulars yesterday morning of the robbery of the sleeping apartment of Mr. Cunningham, in the Gayoso building. A gentleman, who found the stolen coat in his backyard, returned it to the owner yesterday, the thief evidently having dropped it while on another marauding expedition. The whereabouts of the other articles is unknown.

CHANGE OF TIME.—In our advertising columns this morning will be found information respecting a change of time on the Memphis and Ohio railroads, which is of interest to every traveler. By this route, which is well managed and has useful conductors and elegant cars, St. Louis can be reached in 19 hours, Louisville in 28, Cincinnati in 29, Chicago in 39, Washington in 57 and New York in 60 hours.

THE UMBRELLA PLACE.—Our friend Spicer, at the "Useful Place," Madison street, received yesterday evening a fresh consignment of Norfolk oysters, which are equal, if not superior, to any oysters in the world. He also received a new supply of free steel, all of which can be had if called for early this morning. None need apply after twelve o'clock, on account of the great demand. The oysters are in cans and half cans.

INTERMARRIAGE WANTED.—Of Wm. Dobson, 38 years of age, dark complexion, stout built, about 5 feet 10 inches in hight, and steamboat boiler maker by trade. When last heard from was in Memphis, Tenn., on his way to New Orleans, on the 22d of April, 1859; he worked in New Orleans in 1856. Any one hearing or knowing of him, whether dead or alive, will do an act of charity to his distressed mother by writing to Hannah Dobson, Brooklyn, Cuyahoga county, Ohio.

☞ The ladies' sale of fancy goods takes place at B Whitesides & Co's, 192 Main street, opposite the Worsham House, this morning at eleven o'clock precisely. We would advise all of our lady friends to be present at the sale at this sale, as there is no doubt but that there will be great bargains to be had. As this sale has been got up especially for the ladies, there will be ample accommodations for all. Remember the hour, commencing at eleven o'clock precisely, rain or shine, and the place to get great bargains this morning, is at B. Whitesides & Co's. Don't forget to go.

THE NEW MEMPHIS THEATER.—There was another large attendance at the new theater last evening. Mr. Booth's personation of the character of "Romeo" being the chief attraction. The entertainment this evening will be for the benefit of Mr. Booth, an announcement that has never failed to cause a commotion among our old theater-goers, or to attract even not habitues of the play-house. The programme will embrace The Merry Wives of Windsor and Cesar De Bazan. Mr. Booth appearing as "Sir Edward Mortimer" in the former, and "Don Cesar" in the latter play.

THE ATTEMPT TO KILL MR. D. C. PAYCHEART.—We gave the particulars yesterday of the attempt made Wednesday evening, by a young woman named Louise Jackson, to take the life of Mr. D. C. Paycheart, the well-known oyster dealer. It will be remembered that Miss Jackson was accompanied by her sister, Mrs Mary Westrop and Mr. Pancoast's brother-in-law, a Mr. Borgs. The case was subjected to a legal investigation yesterday before Squire Horne, by whom Borgs was required to give bail in the sum of $1,000 to answer to the charge of complicity in the assault upon Mr. Pancoast. Mrs. Westrop was discharged. Miss Jackson, the woman who did the shooting, was taken before the recorder, who sent the case to the grand jury, which was in session at the time.

MORE LIGHT.—Orange Judd, Esq., the able editor of the *American Agriculturist*, uses the following language in the February number of his valuable periodical: "We burn CARSON OIL, the only pure inodorous coal oil we have ever tried." This is the unanimous opinion of every one who has used this oil in our city since its introduction, about two months ago. All are satisfied that it does not blacken the chimneys with smoke, a source of constant vexation to nearly all who use other oils. It will burn in the ordinary coal oil lamps, only with increased brilliancy and more satisfaction. CARSON OIL can be obtained, wholesale and retail, of Messrs. J. P. Prescott, foot of Jefferson street, whose arrangements for a regular and unlimited supply are complete. Call on them and try it.

DARING ROBBERY.—Three men, named Chas. Neal, Jas. Greer and Thomas Jones, were arrested Wednesday evening for perpetrating a robbery in the light of day, under circumstances of the most aggravated nature. The trio entered a young man named Gordon Bailey, from Indiana, into the drinking saloon adjoining Mr. Ellerbe's feed store, on Water street, about the hour of four o'clock in the afternoon, and while there actually threw him down, choked him, and robbed him of the sum of five one dollar gold pieces, which was all he had upon his person. A circumstance which renders the criminal more revolting, is the fact that there were no less than eight or ten spectators in the room at the time the outrage was committed, none of whom attempted to interfere. The young man was then permitted to depart, and he lost little time in summoning the assistance of the police, who soon arrested the ruffians. Each of the thieves were differently searched after their arrest, but none of the gold pieces were found upon them, until Neal, one of the party, was detected in the act of swallowing one of them, which he was forced to disgorge. He had no doubt swallow d all the other pieces of the stolen coin. The rascals were taken before the recorder yesterday, but that officer having no jurisdiction, the case was sent to the grand jury.

For Pittsburg—Ben Franklin, Cincinnati, Monongahela, Nonpareil, Cincinnati, Arabia.....Louisville.
J. H. Lecoul, Capt. Dodge.....St. Louis.

THE River was rising more rapidly yesterday than for several days before, having settled fully one foot during the twenty-four hours ending 12 o'clock last evening. The Arkansas river is falling all the way from Fort Smith to the mouth, but is in good boating condition. The Missouri is rising between St. Louis and Cairo, with 5 feet 6 inches water between these points. The weather was very cold and cloudy yesterday, with indications of snow. Business was generally brisk at the landing.

TELEGRAPHIC.—The Ohio river at Louisville was rising last evening, with eight feet flowing both ways in the canal. Later dispatches from Louisville state that the Ohio river is stationary at Louisville, with eight feet and a fraction water in the canal.

ARRIVED AND DEPARTED.—The Belle Valley, from St Louis; The Zion of Ace, from Rochelle river; the Z. Lewis, from Vicksburg, and the South Bend from Arkansas river, were the principal boats that arrived yesterday. The Belle Valley and Zion of Ace were heavily freighted, the latter having 250 bales cotton for our merchants, but the Belle Valley had only a few bales of cottonseed for Boston and several heavy lots of dry goods. The Lewis brought 35 bales cotton, and the South Bend 5 bales. The little Dunlap, which had been in from a time previous, arrived from Arkansas river with 7 bales cotton for this port. She received about 400 bales cotton here for Cincinnati. The regular packet departures embraced the Red Wing, for Arkansas river, and the Belle Valley, both departing light. The Wing carried a full cargo of cotton, with about 1,100 bale-cotton, at $1 per bale. The transient arrivals and departures were numerous. The Knoxville, from Tennessee river, discharged 70 cons pig iron and a lot of mules here. She also had about 150 bales cotton for New Orleans. The Chowan departed for Cairo, having a cargo for Louisville, which she will rechip at Cairo, when she will in all probability return to this port for a New Orleans trip. The J. H. Lecoul, from New Orleans for St. Louis, discharged 140 bale molasses, and 10 hhds sugar at this port.

TRANSIENTS.—The receipts of cotton by river yesterday aggregated 352 bales, and the shipments about 1,500 bales, all of which was taken for Cincinnati. The R. R. W. Hill, for New Orleans, took out about 1,800 bales cotton last evening, and has engagements to take about 3,500 bales.....The J. H. Lucas will leave for St. Louis to day, having left the Vicksburg trade. Capt. Dunlap having refitted himself that it won't pay.....There was a severe storm in the latitude of New Madrid Tuesday night, which promised to be generous in its operations. The Ben Lewis was caught in it, but came out without damage.....The Belle Wheeling did not arrive till about 10 o'clock last night, having been detained in the Ohio river. She will depart for Louisville at sun shortly this morning.....The South Bend will be the regular mail packet for Arkansas river to-morrow at the usual hour.....Captain Dunlap, having concluded to repair the Farmville at Cincinnati, will not receive for the Arkansas at present.....The Cincinnati Commercial says Captain Walton, the former commander, purchased the Kanawha Valley at U. S. Marshal's sale at Cincinnati, for $1,350—adv. She will continue in the Cincinnati and Kanawha trade.....The Dan. Perry sails in her last downward trip from Pittsburg for St. Louis, but at whose disposal she sails is not known to us. She shipped a little water, damaged a small portion of her cargo. Protest was entered at Parkersburg.

Boats Leaving To-day.

FOR GAINES' LANDING.—The Steamboat R. Fisher, Capt. Hack Dunbar, will commence the trips, for Hack Dunbar, Mitchell, Price's Point, Hopkins, at Gaines' Landing to-day leaving this port every Friday, at 4 o'clock, p. m. Her accommodations will be equalized for the accommodation of planters and their long stores, and the establishment of the line has filled a long felt want, that has long existed. Mr. Geo. Nelson will have charge of the office, which is so arranged as to enable him to fill up cotton to render the No. 2 to all requisite accommodation, line. Messrs. R. R. Hill & Son, No. 3 Howard's Row, will be the agents.

FOR NEW ORLEANS.—The steamer steamer R. R. W. Hill, Capt. Newsom, is the regular packet for Memphis for New Orleans to-day, and will leave at the usual hour this afternoon. GENTLEMEN or women may speculate and theorize, but best facts are what we have to offer the afflicted in the cheering news of

DR. A. G. GOODLETS

Improved Houck's Panacea,

is acknowledged by all who have given it a trial, to be one of the best medicines ever used for the cure of all diseases arising from a disordered stomach, or an impure state of the blood. The most astonishing cures performed by the "Panacea" in the city of Nashville and vicinity, and in every section of the country where it has been introduced, is a sufficient guarantee of its efficacy.

The Rev. J. C. Bowdon, of McMinnville, Tenn., speaks thus:

DR. A. G. GOODLET—Dear Sir: It may be gratifying to you to hear that Houck's Panacea, procured and sold by you, is doing its good work in the relief of your friends. During my recent tour in several counties in Middle Tennessee, I have cited first time whenever I have occasion to speak of its merits, and I find it the best remedy I have ever used." It has been very useful to me in cases of dyspepsia, and I feel no hesitation in the open air and laboring in revivals. Please make an agency in this place. Very respectfully,

J. C. BOWDON.
