PRINCE IMPERIAL CHAMPAGNE!
EPERNAY.
De Venoge & Co. FRANCE.
THIS has found a permanent position throughout the country. THIS has found an enthusiastic welcome wherever introduced, and has continued unchanged popularity in this country. It is the favorite wine at the tables of the first families of the city of New York, over all other French Champagne. It is a wine of great delicacy, and those who come up to it every one are satisfied with it. The Prince Imperial is the highest priced Champagne imported into this country. The extraordinary demand for this wine has induced the proprietors to place within the reach of all a good article at a low price, which they offer to the public as an unexceptionable wine for the money. Our arrangements are such as to insure the quality of the Wine being maintained at its present high standard. The Prince Imperial is imported in quarts and pints, and can be had of the sole agents at Memphis, De Venoge & Co., in the trade.
