A FIXED FACT—That Sands' Pale Cream Ale is the best manufactured in the United States. Ale is the most delicate malt liquor manufactured, and when brewed from a pure malt is not the rank, bitter, black, nauseating stuff usually called Ale, but a pleasant, palatable, stimulating aroma it and tonic beverage, pronounced by chemists and physicians as healthy and nourishing to weak people and nervous invalids. Such is Sands' Pale Cream Ale, which is extensively used by the physicians and citizens of Memphis to be an invaluable institution, and beyond rivalry or competition from any other beverage. FLORIAN MINDIL is one of the popular agents. St. Charles, Adams street. Call and test the fact. apl6-1m*

MONNAHRAT, DUPREE & CO.

ap24 Auctioneers.

SPLENDID SUBURBAN

PROPERTY.

TUESDAY, MAY 22d,

We will commence to sell at

PUBLIC AUCTION,

To the highest bidder,

400 ACRES OF LAND,

Subdivided into lots of

Ten, Fifteen and Twenty Acres,

Situated on the Pigeon Road, Pinkfield, about three miles from the city, and in the immediate neighborhood of Mr. Pankey, Mr. Bethels, Mr. W. P. Diddrich and Mr. M. D. Dortick, and in a healthy equal to any in the country. Professional men, merchants, gardeners, mechanics, and all others who desire to have a home in a healthy and good neighborhood, within fifteen minutes drive of the city on a good road, will embrace this opportunity if it deserves attention.

The property will be sold exclusively and upon reasonable terms. A spacious stand here will be provided free of charge, and will give a reasonable entertainment to those friends who may attend.

The carriages will consist of music, addresses, discussions and recitations. Of so fine the out-treatment will be a success.

CHARITY CONCERT.—It is contemplated by a number of public spirited ladies of the city to give a concert at an early day for the benefit of the poor and home for the homeless. The enterprise is good hands, and the concert, if it will be done great successful.

FUNERAL OF THE LATE MAJ. EAST.—The funeral service of the late Major Thos. W. East was performed at the South Memphis Methodist church yesterday afternoon, and the remains were subsequently conveyed to Holly Springs, Miss., by railroad, for interment.

SACRED CONCERT.—A concert will be given at Odd-Fellows' Hall this evening by a number of our best local amateur vocalists and performers for the benefit of the South Memphis Methodist church. The proceeds of the entertainment will be devoted to the purchase of an organ for that church.

ALTERATION OF TIME.—The time-table on the Memphis and Ohio railroad has been varied somewhat within the past few weeks. Whereas the passenger train formerly arrived at thirty-five o'clock, a. m., it will arrive hereafter at ten minutes past 10 o'clock a. m.

A MAYING FAR YE.—One of the most pleasant events of quite delightful season of birds and flowers will take place to-day. The young ladies of Miss Duncan's school will commence their flower queen at the hour of ten o'clock, in Court Square, after which they will join in a gay-dit excursion to dance on "the top of the cliff."

THE PARODI OPERA TROUPE.—Several members of this popular troupe have already arrived in this city. Their engagement with Manager Thompson, of the new theater, will commence Monday evening next and continue during the week. The troupe will be their first appearance in the grand opera of Lucrezia.

FESTIVAL AT ODD-FELLOW'S HALL.—The strawberry supper at Odd-Fellow's hall and evening given by the ladies of the First Methodist church, was the great point of attraction, and was one of the most pleasant entertainments of the kind we ever attended. It should not be forgotten that the series will close this evening.

FLOWERS AT AUCTION.—B. Whitesides & Co. will commence to day, at 10 o'clock, at No. 340 Main street, and close at the dry goods house of Southworth, Nance & Co (Webster's Block) a fine assortment of bouquets, dahlias, with the freshest, greatest, etc. Also a lot of clock and climbing roses. The ladies are particularly invited to attend.

BIBLICAL ALLUSION TO HOOPS.—Hoops are by a German exclusively a modern invention, but were mentioned in tongue more than eighteen hundred years ago. In the twenty-third chapter of Matthew, wherein our Savior calls common upon the Scribes and Pharisees, he says of them (the ladies, we presume): "But all their work they do for to be seen of men; they make broad their phylacteries, and enlarge the borders of their garments."

THE POLICE.—With our limited police force, we cannot expect a watchman to be immediately on the ground to witness and correct each and every breach of the peace. A city paper, yesterday, mentioned, no doubt, one of the outrages committed in the vicinity of Howard's row, an intoxicated, a drunken man, who fell and injured himself at the corner of Union and Shelby streets, was promptly arrested by Officer Van Camper, and was properly punished for the misdemeanor.

DE LUNATICO INQUIRENDO.—Officer Van Camper arrested a man of unsound mind, on Howards Row, about six o'clock yesterday evening. The poor mortal, when fairly in the arms of the law, wanted to "know if we are going to almighty God" before going to jail. The officer refused his request to stop. The question as to his insanity was raised by some of the gentlemen who witnessed it, and we some of them asserting that he intended to the green Dumpling, but we presume he had a "mind diseased."

☞ The ladies will to-day have an opportunity of being at auction, one of the most beautiful and fashionably made furniture that has been in this market for a long time. It consists of rich silks, shawls, laces, bonnets, hook-cases, sideboards, work tables, extension tables, etc., etc. As the lot is to be closed out to-day, bargains may be expected. At the same time a magnificent renewed piano, splendid tone and beautifully carved, will be sold. This instrument is just received from one of the most celebrated manufacturers, and is guaranteed as perfect.

CITY BUSINESS.—There was an adjourned meeting of the board of mayor and aldermen last evening, at which Alderman Rider presided. Much of the time of the session was occupied in the consideration of ordinances which had passed a first reading, preparatory to the final action of the proposed new ordination of the city laws. The subject of water works was proposed at a late hour, but referred to a subsequent meeting. Alderman Moss proposed a resolution in the connection providing for the appointment of a permanent board to have practical control of the works.

HOUSES AND LOTS AT AUCTION.—To-day, it will be remembered, Monnahrat, Dupree & Co. sell at auction, at 10 o'clock, on the premises, a house and lot, situated on the west side of Causey street, near South Memphis, market. This property is between more and more valuable every day, on the location is one where there are more rapid improvements going forward than any other. The sale will be positive, and to accommodate business men who may not have a spare hour, the auctioneers will have an omnibus at their office, at 10 o'clock, to take all who wish to lose no time in attending the sale.

☞ This day received and opened, at the warerooms of B. White-ides & Co's, No. 182 Main street, and on exhibition for a few days only, the most magnificently carved Louis XIV Piano-Forte, with PEARL KEYS and gold gilded frames, or 7 octaves of tones for sale in this city. This instrument is direct from the factory of Lemuel Gilbert, Esq., Boston, of world-wide renown, and in beauty would ornament the palace of a queen, and in depth richness and body of tone, and elasticity of touch cannot fail to meet the approbation of all artists, seen a Steinway or a Thalberg. Also a variety of plainer and cheaper instruments at lower prices.

☞ We yesterday took a stroll through the extensive drying, scouring and repairing establishment of Kendall & Cook, and we frankly confess, that we never had an idea of the extent of their business, or the facilities they possess for carrying it on. In the rear of their store stands their works, a steam engine with engineers and boilers, over which is an elegant dyeing and furnishing room fitted up with every appurtenance necessary to the business, of which one building is a perfect of the most extensive order, therefore, and in every description of your coats, vests and pants and have them cured, cleaned and neatly repaired by their great chemical process. Their office is on Main street, between Gayoso and Beal.

IMPORTANT SALE.—The great sale of subscribers to N. C. Carter & Bro. yesterday, was attended by an unprecedented large crowd of buyers. The prices of the sale show that 37 cents were sold to the following customers: J. T. Louis, John Brown, J. B. Oliver, S. W. Lawrence, J. Wickersham, and G. W. Sheldon, for goods at 37 cents, being an average of $333.33 per cent. The weather was favorable, and the senior member of the firm did himself great credit in the management of the sale. They have another sale to-day on the premises, 174 miles north-east of Court Square. They sell Col. J. R. Alexander's, Rev. T. A. Tyler's, and Mr. Dyer's property. Omnibuses leave the Arcade at 9:30 o'clock.

CAPT. TRAVIS' GALLERY.—Our readers will remember the announcement in our columns that a price of an elegant silver pitcher would be awarded to the person making the most correct consecutive shots at this gallery on the 10th of April to the 10th of May 1860. The pitcher is on exhibition at the gallery and we are convinced that the term will expire in the next three days. It is well worth the ambition of sharpshooters, and we advise all persons who desire to see a silver pitcher that is worth having to be out and contest for the pitcher. It is not yet won, and the lucky in the field may wear the laurels. But little time remains, and the fortunate possessor of the pitcher will not receive the time occupied in acquiring his relations to it. Make haste or you lose the prize.
