RIVER AND STEAMBOAT MATTERS.

STEAMERS LEAVING THIS DAY.

KENTUCKY, Cairo, Tennessee.....TENNESSEE.
ST. FRANCIS, No. 2, Capt. BOWEN, St. Francis S.

RIVER, BUSINESS AND WEATHER.—The river has fallen but at this point during the morning the boats ending at Vicksburg had scraping.

The weather was pleasant, with a little water in the canal at Lost Island Bayou, and the river was falling. The St. Francis river is falling rapidly, and navigation for the St. Francis No. 2 has become rather precarious. The weather was cloudy and very warm yesterday, with lightning and little claps of rain last evening. Remarkable stillness pervaded the atmosphere.

ARRIVED AND DEPARTED.—The following local packets arrived yesterday: J. R. Cason, from St. Louis; Kentucky, from Vicksburg; St. Francis No. 2, from St. Francis river, and Glenlake, from Cincinnati. The latter brought down a considerable amount of produce. The St. Francis No. 2 brought 42 bales cotton. The Glenlake was heavily freighted with produce and merchandise. The J. R. Cason, for St. Louis, was the only packet departure yesterday. She had a full passenger register, though but little freight. The Kentucky, for Vicksburg, took but little in light. The Kentucky, it will be seen from our port list, was advertised wrongly.

INCIDENTS.—The only bales of cotton since Saturday was that of 197 bales from the St. Francis river. There were no shipments yesterday.....The regular packets due Sunday and yesterday were all detained with the exception of the J. R. Cason, and failed to arrive in time. The Southerner had not arrived at 4 in the afternoon. The St. Francis No. 2 was delayed by the low water in the St. Francis river, having been arrested at Cattle Ear. The Glenlake, from Cincinnati, arrived about seven o'clock, and came up with a large amount of freight.....Enter the Nelson of South Bend will take the place of the Lady Walton to-day, and will leave for Little Rock at the usual hour this afternoon.....

The Lizzie Simmons, Captain Kirk, will arrive from Cairo, and leave again for New Orleans Friday.....We learned by private telegraphic dispatch from Evansville last evening that the steamer Silver Star was destroyed by fire at the Carlow mill mines, in the Ohio river, Saturday night, by which accident three men were lost. The steamer Charley Bowen came along afterward, and merged her passengers to Paducah. The Silver Star was a sprightly little boat, and ran as a regular packet between Evansville and Cairo.....The Lady Pike, the new packet belonging to the Cincinnati, is to be in charge of Captain Evans, and Mate.....

Capt. J. J. Allmon has contracted at Louisville for a new boat for the Royal Packet trade. She is to be one hundred and fifty feet long, with thirty feet beam and six feet hold.....The Interchange was to have left Louisville yesterday for this port.....There are two hundred and sixty-five bales cotton on the landing, awaiting shipment to the Ohio river by the steamer Southerner.....Capt. Wright, of this city, having made a season on the Tennessee, has returned to his home in this city.....There will be a quantity of low water steamers at the Memphis and Cincinnati trade, embracing the Lady Pike, Lady Franklin, Quapaw and Alice Dean.....The Circuit, from New Orleans for St. Louis, discharged eight hundred and eight and 70 barrels molasses at this port yesterday morning.....

KENTUCKY FARM,

FOR SALE OR EXCHANGE.

975 Acres.

I OFFER for sale my Farm, lying in Christian county, four miles from Hopkinsville, the county seat, a pleasant village and thriving business place, with very superior schools. The Farm is well adapted to the growth of tobacco, corn, wheat, oats and grass, and well arranged, with water in every division, making it a very desirable stock farm. All the cleared land is well up in good heart. There is an elegant dwelling and several tenant houses, and a well and cistern in the yard.

The improvements are good, consisting of a new Farmer dwelling, eight large tenant houses, seven negro quarters, with six rooms; a very large stable, capable of feeding one hundred head of stock under cover, and the large barn, enough to house eight thousand pounds of tobacco, and a superior iron screw for pressing it, also eight acres fenced in square of cultivation. The farm is within one mile and a half of a turnpike road leading to Clarksville, Tennessee, on Cumberland river, which is twenty miles.

I am anxious to sell and remove to a milder climate. I will make the terms very liberal to any one wishing to buy, or will exchange for a lot of cotton plantations, cleared with improved labor. The farm contains one hundred and seventy-five acres, with about six hundred and fifty cleared.

Any one wishing to purchase or exchange will call on Messrs. C. Boyd & Co., Turner & Milton, or McGuire & Co., Memphis, or address me at Hopkinsville, Ky.
