☞ The star spangled banner still waves on the St. Charles, and bears on it the dread fact that Schuh' Cream Ale is the irrepressible conflict that has agitated Memphis for 1000 last six months. And now one and all have decided it to be the very best ale ever drank in Memphis. Schuh' ale can always be depended upon as being the no plus ultra of ale; also manufactured, and in drink in almost every city in the Union, where it is universally proclaimed to be the great "desideratum," and is proven daily by the multitude that drink this popular beverage at the St. Charles, Adams street, near Wareham House. TRUSTEES SALE OF REAL ESTATE.

IN pursuance of the provisions of a deed of trust made by Johnson Vaughan, dated April 7th, 1859, and registered in the office of the Register of Shelby county, Tennessee, in book No. 95, pages 258, 267 and 268, conveying to me the following described lot of ground, lying in said county of Shelby, to wit: A parcel, part of the John Ramsey 2,000 acre grant and a part of the fifty-two acre tract of land purchased by the chancery court at Carthage, Tennessee, in the year 1839, by Moses W. Robson, since known as Robson's Mill, commence at B. W. Hills, thence with the lot of ground known and designated upon said Hills' plan of subdivision of said fifty-two acre tract as surveyed by William Crane, Sept. 1856, so as to include the lot of ground known as Lot No. 50 (fifty), and bounded as follows, to-wit: Beginning on a stake in the north line of said tract, on the side of Bonnie street and running back westwardly, between parallel lines, at right angles to said street, one hundred and eighty feet to an alley thence east wide, and bounded on the south by lot No. 49 of the same plan. Cheering News to the Afflicted.

GENTLEMEN of science may speculate and theorize, but fact facts are worth more to the afflicted than all the theories the world ever produced.
DR. A. G. GOODLET'S
Improved Houck's Panacea,
is acknowledged by all who have given it a trial, to be one of the best medicines ever used for the cure of diseases arising from a disordered stomach, or an impure state of the blood. The many astonishing cures performed by the "Panacea" in the city of Nashville and environs, and in every section of the country where it has been introduced, is a sufficient guarantee of its efficacy.
The Rev. J. C. Bowden, of McMinnville, Tenn., speaks thus:
DR. A. G. GOODLET—Dear Sir: It may be gratifying to you to hear that Houck's Panacea, prepared and sold by you, is doing its good work in the vicinity of your old home. Telling my recent travels in several counties in Middle Tennessee, I have often met those who have used it. The universal testimony is, "It is the best remedy I have ever used." It has been very useful to me in cases of hoarseness, accasioned by preaching in the open air and laboring in revivals. Please make an agent in this place. Very respectfully,
J. C. BOWDEN.

MEETING OF THE DEMOCRATIC ASSOCIATION.

At an adjourned meeting of the Democratic association of Shelby county at their rooms, June 12th, 1860, Col. W. H. Carroll in the chair, the report of the committee on constitution and by-laws was presented as follows:

To the Democratic Association of Shelby County:

GENTLEMEN:—Your committee on the constitution and by-laws would respectfully submit the following:

The Democracy of Shelby county, having an abiding confidence in the national Democratic party, for the purpose of efficient and concentrated effort in aid of said national Democracy, do hereby associate together under the name of the *Democratic Association of the County of Shelby.* We invite all good citizens who favor the maintenance of the time-honored principles of this national organization to unite with us in this association.

We are for "THE CONSTITUTION AND THE UNION,"—*equal and exact justice to every section—perfect equality under the Constitution and Union, and against all parties or factions who would trample on the one or disunite the other.*

Entertaining these views and relying implicitly upon the justice, discretion and patriotism of the Democracy of the nation, we look to Baltimore for a confirmation of that confidence, in a ticket and declaration of principles which must be brought in November next.

PLAN OF ORGANIZATION.—This association when organized shall be governed by a *president and twenty vice-presidents,* (one from each ward, and one from each civil district,) *a recording and corresponding secretary, treasurer, an executive committee of five and a finance committee of fifteen.* The finance committee shall deposit with the treasurer all monies collected, which shall be drawn only upon the written order of the chairman of the executive committee.

For the purpose of a thorough organization there shall be appointed by the president a committee of five from each ward in the city, and each civil district of the county, of which the vice-president in each ward and district shall be ex-officio chairman, to be called a committee of organization and arrangements, who shall report and act in co-operation with the executive committee.

BY-LAWS.

Your committee recommend for the government of this association, the usual parliamentary rules and regulations, as the same may be applicable, relying upon the disposition of all good Democrats to promote and preserve good order and harmony by every means in their power. [Signed] J. KNOX WALKER,

O. H. LEE,
L. O. RIVES,
S. C. FAY,
Committee.

D. C. LARUE'S PANOPTICON OF INDIA.—This attractive mechanical entertainment, which has been given with distinguished success in almost all the southern cities, and has just closed an unprecedented career of nine weeks in New Orleans, will be produced in this city, at Odd-Fellows' hall, Monday evening next. The New Orleans Picayune thus refers to it:

LaRue's Panopticon of India.—Who shall say that a true love of art does not exist among us? All such questions would have been silenced at the sight of the brilliant and fashionable assemblage convened at Armory Hall last night to witness the graphic and life-like representations of the great Sepoy rebellion in India. Time does not decrease, but rather increases its attractions; the first visit inspires the second. As we have often referred to this curious and ingenious piece of mechanism, critically, and as thousands of our citizens concur in our estimate of its superiority, it is unnecessary to refer to it more in detail. In fact, the pen or pencil has never been able to do justice to the wild and stirring events of war; yet is the combination of pictorial illustrations and the mechanical invention of moving automatic figures, these blood-curdling scenes are re-enacted with the vividness of the reality itself. Such meritorious representations, combining history with military adventure, and romance—binding together a chain of incidents unparalleled in ancient or modern events—storing the mind with new ideas and indelibly impressing important facts upon the memory—may be the means of exerting a solid and beneficial influence upon society.

EXAMINATION.—The examination of the school of Mr. Haile, corner of Washington and Orleans streets, will take place this morning between the hours of nine and one o'clock. To-morrow the pupils of Mr. Marshall's school, in Pravine block, will be examined. Parents, and the public generally, are cordially invited to attend both examinations.

☞ Especial attention is directed to the advertisement of Messrs. B. Whitesides & Co., in another column. Those wishing to buy second hand furniture, nearly new, at half its value, will attend this sale. We understand that there will be an omnibus at 182 Main street, to take those wishing to buy to the place of sale.

DROWNED IN THE RIVER.—A youth about eleven years of age, named Samuel Hens Lemon, whose parents reside at the corner of Linden and Causey streets, was drowned in the river at the foot of Beale street, yesterday morning, while bathing. The body was subsequently recovered, and will be interred this morning.

READ THIS.—FOR RENT.—The store now used by Tickner, Robbins & Co., next door to the Planter's bank on Jefferson street, and also for sale for the next few days their whole stock of nice fine clothing, shirts and the like goods at unheard of low prices. Now is the time for clothing. Come now as we will soon be gone.

DROWNED.—Alfred Keech, a youth of 11 years of age, was drowned at the foot of South street on Tuesday afternoon about 4 o'clock. He was in swimming with other boys. It is supposed he was taken with cramps. He is a son of the well known fish dealer O. B. Keech. Diligent search has been made for the body, but it is not yet recovered.

☞ Today will positively close out the sale of China and table ware at 262 Main street. Purchasers will have a chance to buy bargains, as the owner does not wish to have an article left on his hands, and will sell the entire lot, if purchasers will attend, at their own prices.
