RIVER AND STEAMBOAT MATTERS.

RIVER. WEATHER AND BUSINESS.—The river at this point is decreasing quite rapidly, having fallen nine inches in the twenty-four hours ending last night. The Ohio river is falling rapidly, with only three feet and a half in the canal. The upper Mississippi is also receding quite rapidly. The weather still continues dry and uncomfortably hot. There was a slight indication of rain yesterday morning, but only a few drops descended to the earth. Business on the landing yesterday was still dull though somewhat livelier than usual.

ARRIVED AND DEPARTED.—The regular packet arrivals yesterday were the J. H. Dickey, from St. Louis, and the Lady Franklin, from Napoleon. The Dickey brought down one of the best trips of the season, including some 400 tons of western produce. The Lady Franklin had a fair trip, composed mostly of Cincinnati merchandise. The St. Francis No. 2, arrived on Sunday from the St. Francis river with a light trip. The Dickey left last night with a fair trip for St. Louis. The arrivals of transient boats on Sunday were numerous, and including the City of Madison, from Cincinnati to New Orleans; the E. M. Kennett, and Crescent, from St. Louis to New Orleans; the Argo, from Vicksburg to St. Louis, and the Chancellor, from New Orleans to Louisville. The John Walsh passed up from New Orleans yesterday for St. Louis. She put off some dry goods of freight at this port. The Kentucky came in last night having a fair trip down. The Great Western passed up yesterday morning. She discharged a considerable amount of freight here.

DECEASED.—Capt. Gilbert S. Sidwell, formerly of the Lady Walton, died in this city on Sunday, after a long and painful illness. His remains will be taken to Cincinnati, where his family reside, for interment..... The Carey Eccles, the new boat building at Louisville, for the Southern trade, was launched on Thursday morning. The Louisville papers speak in the highest terms of her. The Courier thinks she will be able to make weekly trips between Memphis and New Orleans. Capt. Richardson is to command the new boat..... The Julia Fletcher, another new boat for the New Orleans and Arkansas river trade, was launched at Brownsville recently..... An attachment was issued in the United States District Court at Cincinnati, on Friday, against the steamer Liberty Pringle, for seizing a distant laden with dry-goods stores, a short time since. The plaintiffs in the case are the Eagle Insurance Company, John M. Mosher and others, and the damages claimed amount to $9,000.
