INQUEST.—Esquire Horne yesterday morning held an inquest on the body of John F. Quoner, a brickyard hand, who died suddenly the day before. The jury returned a verdict of death from apoplexy.

ATTEMPTED SUICIDE.—A boarder at Mr. Cogswell's, on Union street, attempted to commit suicide evening before last by taking laudanum. The deadly effects of the potion taken were counteracted by the prompt administration of proper antidotes.

RAILROAD IRON.—Fifty tons of railroad iron were shipped from Cincinnati on Monday last for this city. The iron, of which two hundred tons still remain at Cincinnati, and will be immediately forwarded, is intended for the Memphis and Tennessee railroad.

DIED at Russellville, Ky., on the 28th ult., Mr. William G. Mason, in the 60th year of his age. The deceased was generally beloved by all who knew him. He was the father of our special friend, Mr. Mason, chief clerk of the Gayoso House, to whom we extend our heartfelt condolence in the sore bereavement.

SCALDED.—A laborer named John Hinkins was badly scalded a few evenings since, by a kettle of boiling water being thrown on his neck and breast while he was ascending a pair of stairs at a house near the northern terminus of Third street. Hinkin's injuries are of a serious though not dangerous nature.

BODY RECOVERED.—We learn that the body of Mrs. Coleman, who committed suicide by jumping off the steamer *Lady Franklin* some time since, was found near Paducah last Saturday, and buried at that place. The children of Mrs. Coleman, who were brought to this city, are now living with a family a short distance below here.

These gentlemen have been in business in our city for several years, and have established for themselves a high reputation as prompt and reliable business men. We take pleasure in commending them to public favor and confidence.

CAUGHT IN THE ACT.—Night before last a graceless scamp, who gave his name as Waldran, was caught in the act of stealing a mule belonging to a gentleman moving to Arkansas, who had camped for the night on the bluff near Court street. When discovered, the thief was busily engaged in untying the halter of the mean animal, and when one of the men asleep near by awoke and collared him, an officer was summoned, and Waldran was taken to the calaboose. The owner not wishing to prosecute in a higher court, Waldran was taken before the Recorder yesterday morning and sent to ornament that useful organization known as the chain gang.

NEWBALL HOUSE.—In another portion of to-day's paper will be found the advertisement of this popular hotel, situated at Milwaukee, Wisconsin. The proprietors, Messrs. Rice & Andrews, are gentlemen well known to the travelling public as among the most popular of hotel keepers. Mr. Andrews was formerly one of the proprietors of the Monroe House, at St. Louis, and is a skillful, courteous and accommodating landlord. Milwaukee is one of the most beautiful cities of the North, situated on the shores of lake Michigan, with admirable drives and fine opportunities for boating, bathing and fishing. The climate of the country is matchless, and renowned for its extraordinary healthfulness. We feel assured that the experience of all who visit Milwaukee, and place themselves under the charge of the proprietors of the Newball House, will bear us out in all that has been said.

ATTEMPTED INCENDIARISM.—Another daring attempt at incendiarism was made to burn the livery stable, situated on Adams street, between Main and Second streets, and occupied by S. R. Richards. A quantity of combustibles saturated with turpentine, were placed on the floor of the office and ignited. Before the flames had made much headway, they were discovered and extinguished by a man sleeping in the office. Over a year ago Mr. Richards' stable, in the same place, was destroyed by fire, together with the adjacent buildings, and since the erection of the new stable, two or three attempts have been made to burn it. The attempt made two or three months since was by igniting a pile of shavings on the second floor, near one of the front windows. Thus far no clue has been obtained to the perpetrators of either of the dastardly attempts.

COMMON LAW COURT.—The following cases will be for trial to-day at the court room, corner Adams and Second streets:

No. 600 Pollard v Jones; 225 Bradford v Steamboat Hardford City; 226 Bradford v Bradford; 230 Jones, use of, v Bradley; 231 Fletcher v Shirley; 235 Haines v Hire; 234 Brown v Apperson & Co; 235 Morton v Blinkley; 261 Conway v mayor and aldermen; 262 Hilliard v same; 264 Lipman v Lipman; 291 Norris & Co v Risk; 298 Rule & Co v Hammersold; 299 Smith v Beaumont; 302 Burnett v Chapman; 303 Stewart v Ocean Spray; 304 James v Cheek; 309 Roe v Gitchel; 311 Talley, admr. v Cheek; 312 Anderson v Cheek; 321 Valentine, admr. v Gorguson; 323 Small, use of v Capers & Smith; 325 Whitney v steamboat Pittsburgh; 326 Pierice & Co v Stickney; 327 Wilder & Co v Jones; 328 Quigley v Armour; 329 McKinney & Co v Baugh; 333 DuBose, use of, v Baugh & Co; 334 Park v Cheek; 335 Bloom & Co v McKoon; 336 Wright, ex'r, v Holland; 340 Grieshaber v Ford; 341 Whitney v Hare; 343 Thompson v Montgomery; 344 Smith & Co v Grant; 345 Steamboat Iowa v Miller & Co; 347 Sefronds v Brimmade; 348 Hammersold v Weller; 348 Baker v Rudisill; 350 Grifling v Mynatt.

DEMOCRATS OF SHELBY COUNTY, ATTENTION!

A special meeting of the association will be held at the head quarters, Adams street, this night (Thursday), August 2d, 1860, at 8 o'clock. The different Douglas clubs in the city are requested to send delegates to this meeting, as business of great importance will be transacted. By order,
E. C. LEMOYNE, Sec'y.
MEMPHIS, August 2, 1860.

DISCHARGED.—Sometime since a box of jewelry, sent by mail from Tipton county to this city, was missed, and a young gentleman, Mr. E. J. Comstock, an employe in the post-office here, was arrested on a charge of abstracting it from the mail. Young Comstock had a preliminary examination before Esquire Hill, day before yesterday, but in order to give the young man an opportunity to vindicate himself, further proceedings were postponed until yesterday afternoon. At the time mentioned he was again taken before Esquire Hill, and honorably discharged. The charge of the missing property having been found in its trunk did not appear in evidence.

FRANKLIN COLLEGE.—We this morning publish the advertisement of this excellent institution, which is now under the able Presidency of Rev. W. D. Carnes, who is aided by a corps of well qualified and experienced teachers. Its next session commences on the 3d of September. The college is situated near Nashville, in a very healthy and agreeable location. It gives us pleasure to bear our personal testimony to the high qualifications of the Rev. Mr. Carnes, and to his skill in imparting to youth a portion of the treasures of his knowledge, and fitting them for the varied avocations of life.

ACCIDENTALLY SHOT.—A carpenter named Dowling accidentally shot himself in the foot while flourishing a pistol in Mozart Hall, evening before last. It is feared amputation will be necessary.

Carminative Sirup.

"Truth is Mighty and Will Prevail."

THOUSANDS can attest the force of this proclamation, some their lives saved and others the happy forever their family, Friends and Negroes, in the enjoyment of health, who have been saved from a premature grave by the timely use of this invaluable medicine.

CHOLERA! that scourge—that curse of the Mississippi Valley, is of rare occurrence, owing to its debilitating influence, is as the past. FLUX! one of the most insidious diseases of the human system is now controlled and all irregularities of the bowels are remedied by the use of Dr. Billing's Sirup.

DR. BILLING'S CARMINATIVE

Has been before the public for the last ten years, and each succeeding year adds testimony to its efficacy. From a small demand of a few gross, it has now reached every quarter of the globe, and it requires the greatest exertions on the part of the proprietors to supply the extraordinary consumption of this preparation.

PLANTERS

Consider it the only reliable remedy to give their negroes. Physicians use it in their practice; Ministers of the Gospel recommend it; Merchants, Mechanics, and all who have tried it, are loud in the praise of its virtues, and willing to give their testimony to the numerous cures effected by Dr. Billing's Sirup in the following names:

DIARRHEA, CHOLERA MORBUS
BLOODY FLUX, ASIATIC CHOLERA.

100 Acres of Land for Sale.

THE subscriber offers for sale the tract of land on which he at present resides, containing one hundred and one acres of cleared land. Said land lies in Harwood county, north of Raleigh, and about seven miles from the city limits, and is within an old Indian fort, and is conveniently situated to churches and schools. There are about ten acres of the above five acres of cleared land on the tract, and the balance well timbered, and the timber conveniently situated for all parts of said land, and the land is of the best improvements such as are usual on a farm of this size in West Tennessee.

This tract can be divided into two tracts very conveniently, as there are two springs on it, and a good house and outhouses on each. For further particulars I refer those interested to my neighbor, Rev. A. Davis, or myself, one mile out of Dancyville, Tennessee.

Cured Without an Operation,

DRS. J. O. & W. H. JANUARY,

Trenton, Gibson Co., Tenn.

DR. J. O. JANUARY is the only person living who knows the secret of the treatment, as prepared by his father, Dr. R. W. January, of Mortreshore, whose reputation in the cure of all diseases is well known throughout the whole country.

He has been engaged exclusively in the treatment for the last eight years, and will give his immediate supervision of his father.

We do not charge for examination for medical or surgical treatment, as we have arrangements by which all cured treatment is FREE.

The application of the medicines gives rise to no pain in the most of cases, but rather allay pain, by blunting the sensibilities of the parts to which they are applied.

OUR MOTTO IS—NO CURE, NO PAY.

The charges will be so moderate as could be expected under the circumstances.

We beg to refer to the following gentlemen, all of whom have been cured by us, viz: Lewis Robinson, G. W. Moor, Richard Moore, and others, all of Gibson county.

Trenton is now accessible from all points by railroad. For further particulars, we refer to the citizens of Trenton and vicinity. de7-dawawly*
