Business Notices.

☞ Gentlemen, the great test for the best clothing in the citizens of Memphis, has proven, beyond all doubt, that the only true and reliable source of buying your old clothes made over is to send them to Harris' & Cohen's and have them put through it. It makes them look as good, cleaning and repairing. Their office is on Main street, near Gayoso.

CORNS, BUNIONS, ETC.

Dr. C. Green, Surgeon Chiropodist, is now at the Gayoso House, and will remain there for a few days, and any of the citizens who are troubled with bad Corns, Bunions, Ingrown and Inverted Nails, can have them successfully treated without pain or inconvenience, and without the use of knife. Dr. G. does not cut the Corns, but applies remedies that will entirely separate the Corns from the natural flesh without so much pain as a person would experience in paring their own Corns. Dr. G.'s charges are very moderate—$1 to $5, indeed, compared with the relief and satisfaction he affords the sufferer. Many say they have not courage enough to have their Corns or Bunions cured. To such, Dr. G would state, that they need no courage, as there is no pain or blood attending the operation. Dr. G. can be seen at his room from 7 to 12 M., and from 2 to 10 P. M. ☞ Call at residence, if desired. aug2 1-1

☞ I am going. Are you? Where? Why to procure Tyler's inimitable Ambrotypes. If you want a good likeness of yourself or family, go! they are cheaper and better than any other style of pictures. Three hundred taken daily.

ARITHMETICAL.—Last Saturday, twenty-seven prisoners were discharged from the calaboose, and yesterday, thirty-one of the same gangers, as says Capt. Jackson, were sent back by the recorder.

MORTUARY.—There has been a noticeable decrease in the number of deaths in the city during the past week. Up to Saturday evening there were thirty-eight interments in the city cemeteries.

LARGE SALE.—Among the items of freight on the Lady Jackson yesterday, was a boiler safe, manufactured at Cincinnati for the Bank of West Tennessee. The safe is the largest and safe-est in the city.

SENTENCED.—A negro man and woman, slaves of Caleb Morris, were before the recorder yesterday on a charge of stealing a horse. The men was sentenced to receive thirty-nine lashes and the woman fined $20.

NOTHING KILLED.—A negro boy, slave of Mr. Wm. Harrison, of Germantown, was killed last Saturday evening, the report to the contrary notwithstanding. Mr. Harrison and Charles on railroad having passed over his body, while he was drunk on the railroad track.

RUN OVER.—Yesterday afternoon a negro, owned by Mrs. Reeves, who resides in the suburbs, while riding on a wagon loaded with wood, fell to the ground, the wheels of the wagon passing over his head. The negro, it is feared, was fatally injured.

ATTEMPTED INCENDIARIES.—We are informed that a butcher, while on his way to the Poplar street market yesterday morning, discovered two men in the act of firing a house in the northern suburbs of the city. He gave the alarm, and the rascals took to their heels and escaped.

PRETTY MERCHANTS.—Two men, named Thos. Wise and Wm. Raff, were arrested by the police, yesterday afternoon, on a charge of having falsely represented themselves as city merchants, with a view to swindle a backman, who had carried them about the city for several hours, out of his fare.

RENEWING LICENSES.—We are requested to inform saloon keepers, draymen, hackmen, and others whose yearly licenses from the city have expired, to renew them immediately, as they will be so doing avoid paying fines in the police court. Officers are now engaged in bringing all who neglect complying with the ordinance before the recorder.

MILITARY BALL AND TARGET EXCURSION.—The Jackson Guards, one of the best organized and drilled companies in the city, are making extensive preparations for a grand target excursion and prize shooting, to come off on the 5th of September. After their return to the city in the evening, a grand military ball will be given.

SERIOUS ACCIDENT.—Last night about 7 o'clock a man named Andrew Grace, who was partially intoxicated, while attempting to sit down on the railing of the bridge across the second bayou, on Linden street, fell backward into the water, a distance of twenty feet, and received injuries from which it is thought he cannot recover. A man named John Welch, who started down the bank to the assistance of Grace, stumbled and fell into the bayou, breaking three of his ribs.

FALL TRADE.—The coming season promises to be the busiest in every department of trade ever known in Memphis, and no department do we witness more active preparation in getting in new stocks and preparing for the fall and winter campaign than among our clothing merchants. Foremost among our leading clothiers are Norris, Maul & Co., who have completed their arrangements for their fall stock, which they will begin to receive on the last proxim. Their announcement will be found in another column.

ARREST OF A THIEF.—Two weeks ago last Sunday, a coat containing drafts to the amount of $3 100, the property of Mr. David Newell, was stolen from the residence of the late A. G. Knapp, on Main street above Overton. Officer Dunham was deputized to arrest the thief, a man named D. Knowlton, and in his search for the robber, repaired to a boarding house in North Memphis, where an unfortunate circumstance, resulting in the killing of James Harrigan by Dunham, occurred. Last evening the police succeeded in arresting Knowlton, who, in addition to stealing the coat and drafts, is charged with having stolen from the house of a lady in Chelsea $20, yesterday afternoon. The accused, whose crime has led to the death of another, will have an examination to-day.

ARREST OF A COUNTERFEITER.—Last Friday night Capt. Garrett succeeded in arresting a notorious character named John Forrest, who for some time past has been suspected of dealing largely in counterfeit money. Forrest was caught on Beale street, beyond the second Lavon, and in his possession there was found $450 of bogus money, mostly ones on the Canal Bank of New Orleans.

Not a little credit is due Capt. Garrett for his untiring energy in following up this rascal, who, ever since his advent into the city, has been closely watched. Forrest, when arrested, made a desperate resistance, attempting to shoot the Chief of Police, who, in order to take him, was compelled to resort to force. The accused will have an examination on this morning.

BANK OF WEST TENNESSEE.—Our readers will bear in mind that the books of subscription to the capital stock of this bank will be closed on Monday, September 3d, and it is expected that all persons who intend to take stock will come forward before that day and do so, as it will probably be the last opportunity they will have. This is a home institution; over six hundred thousand dollars of its stock having already been subscribed by our own people. The judicious management of the present board of directors has established a high character for the bank, and it will soon pay good dividends. A better investment could scarcely be made. The large number of stockholders who have already subscribed insures it a large business during the approaching season.
