RIVER AND STEAMBOAT MATTERS.

RIVER, WEATHER AND BUSINESS.—The river opposite this point was stationary yesterday. At St. Louis there is city and a half feet water in the channel out to Cairo. There is seven feet at Island 24, and the channel improving. The rise from the Ohio has been of great benefit to navigation in the Mississippi. The Illinois river is falling with thirty inches in the channel to Peoria, and twenty-three inches between Peoria and Lasalle. The upper Mississippi is falling with three feet scant on the upper and twenty-three inches on the lower rapids. Below Keokuk there is three and a half feet. The Missouri river is falling with three and a half feet on the worst bars below Weston. The river is rising again at Pittsburg, with six feet six inches in the channel last night. At Wheeling there is five feet, and at Marietta and Parkersburg four feet and a half and rising. At Cincinnati the river was receding very slowly. The weather yesterday was fair and pleasant. Business on the landing was dull.

ARRIVAL AND DEPARTURE.—The City of Memphis for New Orleans, and the Dunleith for Pittsburg, passed here yesterday. The Keystone from Vicksburg arrived with a fair trip. The John E. Pickett from St. Louis brought in a fair trip. The Lady Franklin came in with a good trip.

INCIDENTS.—The R. E. W. Hill was towed to the landing last evening. She will commence receiving freight for New Orleans, where she leaves on Friday. The St. Louis Democrat of Saturday says that the enterprising and indefatigable Capt. Leathe, of the city of Memphis, we may report as accomplished fact. It now only remains for the Memphis to be completed—and that will soon be—and take her day, Thursday, and then the daily line will be completed, or commence running Sunday. The line and each boat's day will be as follows: Platte Valley, Capt. C. Pashel, Monday; J. H. Lucas, Capt. Wall, Tuesday; City of Louisiana, ——, Wednesday; Memphis, Capt. Tom Allen, Thursday; John H. Dickey, Capt. J. H. Marshall, Friday; John H. Party, Capt. J. Leather, Saturday.....The City of Louisiana passed the Hillman yesterday about forty miles above this place last 5 Sunday.
