Daily Appeal.

RIVER AND STEAMBOAT MATTERS.

RIVER, WEATHER AND BUSINESS.—The river was growing last evening, at this point, having risen about ten inches in the preceding twenty-four hours. At Little Rock the Arkansas was rising slowly, with barely sixteen inches water in the channel. A rise of three feet is reported at Fort Smith. At St. Louis the river was stationary. Six feet water is reported at Helena. The weather still continues cool, and its influence is apparent in the increased activity of business.

MISCELLANEOUS.—We are informed that the Safe Friches has been purchased by Capt. Finch, who is building a new hull for her machinery.....The Jno Farnsworth, a new boat for the New Orleans and Arkansas river trade, recently built at a cost of $27,000, may be looked for at our landing in a few days, on her way to the Arkansas river.....The fine new steamer Memphis, of which we recently gave a description, left Louisville for the Memphis and St. Louis packet line, will be at our landing this evening. She is in command of the prime of river men, captain W. C. Postal.....The Lady Pamunkey left last evening for Cincinnati, with a fine pass cargo and freight for, including 35 bales cotton.....The E. T. Allen passed up from New Orleans yesterday, with her usual guard somewhat damaged, and two staterooms lost out of the hurricane deck, from having been up against a low bridge.....The following boats are due at our levee: Jacob Bard and Lady Pike, from Cincinnati; St. J. Ide, New Orleans; Rose Douglas, White river.....The firm of Hartshorn & Bowen, steamboat agents, is dissolved. Hartshorn will continue in the business.

The Belle Creole, now on the Arkansas river, was sold the same day he left Memphis, for $8,000 cash at Cincinnati. We learn that the Ohio No. 2 struck a log at Bush's landing, tearing her bottom considerably out, and sinking her in sink in a few minutes. The Ohio No. 2 left Cincinnati last Monday for Parkersburg, having on board about one hundred tons of all sorts, flour, etc. She was light, near the start, a complete wreck. She was owned by Capt. Boyer, her commander was valued at $8,000 and insured for about $4,000.....From a late number of the Lake Providence (La.) Herald we clip the following: "We had the pleasure yesterday of meeting with Capt. J. H. Eaton, and of inspection, in company with numbers of our citizens, his new and beautiful boat upon the occasion of her first appearance in this trade. The Jane Bettis is in truth a gem of a boat, combining elegance with strength and speed. She will return on her downward trip this evening. Success to you, Captain."

Boats Leaving To-Day.

FOR CINCINNATI.—The fine light draught steamer Poland Grayson master, Pinkney Clark, will leave for Louisville and Cincinnati this evening, at 4 o'clock. Her load (light draught, a number of fine and well connected) and will put her passengers through with safety and comfort.
