RIVER AND STEAMBOAT MATTERS.

RIVER, WEATHER AND BUSINESS.—The river is rising here at the rate of three inches in twenty-four hours. Our latest intelligence from all the upper streams report them falling. At Lexington the Ohio is falling, with but few feet of water in the canal. The channel from Cairo to St. Louis is very difficult—sandbars and snags are very numerous.

MISCELLANEOUS.—The Impostor is at the landing. She will leave on her first trip Monday for New Orleans.....The Platte Valley has arrived at the docks. She will be here during the present week..... The Champion has been laid up at St. Louis, on account of low water.....The Gen. Anderson will probably go into the Memphis and White river trade next season.....The new steamer Memphis left last evening on her first trip.
