Business Notices.

BRONCHIAL AFFECTIONS.—A clergyman writes from Murfreesboro, Ohio, speaking of the benefit he derived from using them on a tour of "Brown's Bronchial Troches," says: "Last spring I feared my lungs were in a dangerous condition, and could not preach more. My whole soul preach a sermon of ordinary length, without hoarseness; but now (with the assistance of the troches) I have for the past five weeks preached some every evening."

FRAGRANCE AND TOILET ARTICLES.—Of the Delicate and Refined Fragrance and Toilet Articles now in our country, none are more carefully compounded than those of Messrs. Joseph Burnett & Co., the known Boston chemists and manufacturers. We yesterday received a consignment, including samples of their Musical, Cologne, Violet, Musk Wood and Rich Bouquet, Ess. Bouquet, Extra Fine Toilet Soaps, and Shaving Creams, which we can recommend as unsurpassed. We cannot avoid recommending to our friends the purchase of these in each instance, in preference to those of other manufacturers, which are not equal to them, though the articles for a single year, or even a few months, have been in use.
