The Morse Wheeling left for Louisville with 800 bales of cotton and a large quantity of hides. The New Uncle Sam took for New Orleans 1700 bales of cotton, and 21 hhds. and between 200 and 300 boxes of tobacco.....The Gladiator started for White river, also the Kanawha Valley. The latter on her arrival from that river brought in a limited bales of cotton.....The Prairie Rose, the Boston, started for Arkansas with a pretty good trip.....The St. Francis for the St. Francis river had a good trip as usual.....The Simondin commenced putting off her cabins from her left for Cairo.....The Star leaves to-day for Yazoo river.....The Jim Cook, the priority boat, goes out this evening for Cincinnati.....The Kentucky, the popular Vicksburg boat, starts on her usual trip to-day for Vicksburg. The Gladiator left yesterday afternoon, resumed her trip to New Orleans.....The Little Rock is up for the Arkansas.....The J. S. Perry did not come in from St. Louis; she is not now expected until tomorrow; we do not know the cause of the delay.....The performances of the stallions of Capt. Price, of the Kanawha Valley, are given in our local column.....Sturgis Yells will sell one-half of the Steamboat Arabia, on Saturday, 9th of March, layed upon at the property of Capt. A. Baird.....We learn that the Arabia was on some permanently into the New Orleans and White river trade.....The Cincinnati Commercial of Monday says: At Pittsburg last night the river was 10 feet not rising. At Wheeling 11 feet and falling, with 10 feet and falling at Parkersburg. The Kanawha is stationary, with 11 feet from Charleston to the mouth. Here the river has receded 2 feet during the last 48 hours.....A heavy freight business is being done by the boats engaged in the Wheeling trade, and the Brownsville wharf is beginning to groan under the large amount of corn, pork, lard.....The St. Louis Republican of Monday has the following: "The river here was stationary during the twenty-four hours ending at dark on Saturday. There is from 4 to 5 feet in Cairo to Cairo in Shawnee.....The Illinois river is declared open, to Pontoon and Ottawa. Havana having broken up, and the river is up.....The Upper Mississippi, was, at last accounts, open only to Warsaw. Navigation was starting post Keokuk.....The Missouri river is open to St. Joseph, and there is a good depth of water in the channel."

UNPARALLELED SUCCESS OF THE WORLD-RENOWNED HIGHLAND BITTERS! Or, SCOTCH TONIC,

The Greatest Remedy for all Diseases of the STOMACH, LIVER and BOWELS EVER DISCOVERED.

Health to the Sick! Drink and Live!

TO THE PUBLIC:

A few words in all that is necessary to make known the history and wonderful curative powers of the celebrated Scotch Stomachic, which has proved itself, in every instance, to be the only disease or true balsamic of health to the sick and afflicted of every nation and of every clime. It was discovered by Sir George Ballantyne, M. D., F. R. S., Professor of Military Medicine to the far-famed University of Edinburg, Scotland. When (Colonel Stewart) served 10 yrs. of 10 thousands the British and French soldiers in the Crimea, during the Russian war, Sir George Ballantyne was appointed by her monarch, Queen Victoria, as one of the medical commissioners, to investigate, in a scientific manner, the extraordinary longevity and remarkable good health which has always characterized the inhabitants of the Highlands, Highland, and the Highland Chieftains, and distinguishable results to the same individuals when exposed to a change of climate.

He, Sir George, discovered

By patient research, that the Highlanders had been in the habit of using a certain combination of herbs and roots, indigenous to their native mountains, which when combined with oriental aromatics, was found to be the most superlative invigorator and builder up of the human system which the world of suffering humanity has ever known.

Its Remarkable Powers as a Medicine

Were fully tested, and crowned with unprecedented success in every instance where its virtues were tried; and it became from that time forth the good thing had come at last.

Having Proved Itself

Equal to the emergency, a limited trifle was handed over to a responsible firm of pharmaceutical chemists, who undertook to prepare it in quantities sufficient to supply the Northern States a short time ago, and it may be mentioned as a circumstance proof of its intrinsic power and virtue, that other preparations or stomach medicines, either in Europe or America, cannot compete with it.

Three Million Bottles

Were sold in Great Britain alone, besides upward of one hundred more shipped to all parts of the habitable globe.
