MR. KOWIN DEAN—Dear Sir: The Letter A machine I bought of you for $60 gives the highest satisfaction. I have tried several kinds, but this is superior to them all. It sews the heaviest negro clothing and the finest muslin beautifully, and never gets out of order. Yours truly, L. B. ADAMS.

SPECIAL NOTICE.—We have been requested by the news agents on the various railroads, to request persons at the different stations along these roads to ascertain among themselves, before the arrival of the trains, the number of papers the crowd wants, and place the money to pay for them in the hands of one person, who can receive the papers and distribute them to all who wish to purchase. The demand for the papers is so great that the newsboys find it impossible, in the short space of time the trains remain at a station, to supply all who want to purchase by delivering a paper to each separately, receiving the money, making change, etc. By adopting the plan above suggested, all may be supplied without failure.

FIRST PAGE.—A large amount of very interesting matter from our extra of yesterday evening, will be found on the first page of this morning's APPEAL.

ABANDONED.—Owing to the peculiar state of public affairs the project of publishing a German daily paper in this city, mentioned by us some time ago, has been abandoned.

☞ A dispatch by telegraph from Montgomery on yesterday, informs Capt. JAMES HAMILTON that President DAVIS will accept a regiment of troops from here so soon as they are ready for active service.

☞ The fall of Virginia bonds on Wall street, New York, to forty-six cents, indicates pretty well her certain separation from the Northern Union. We desire no better barometer of political sentiment in that quarter.

☞ The wonderful document to be sold by the news-boys to-day, transcending "Jeff. Davis' proclamation," which went off like hot cakes last night, will be the announcement of the auction sale of lots on Main street, this morning, at 10 o'clock. See Monsarrat & Dupree's column.

SONS OF THE SOUTH, ATTENTION!—A regular meeting of this organization will be held on Friday evening, 19th inst. The attendance of all the old and new members is earnestly requested, as a re-election of commissioned and non-commissioned officers, with the exception of captain, takes place.

MILITARY COMMITTEE.—The following four gentlemen were yesterday appointed a committee to act with the six aldermen appointed by council, as a committee upon the military defense of the city: Messrs. Col. Smith, Capt. Hamilton, Minor Merriwether and Gen. Jos. R. Williams.

☞ A new military company was formed last night in our city, comprising now sixty-six young men who are enthusiastic for active service against LINCOLN'S minions. They adopt the name of "Shelby Grays." From the signs of the times, we believe that full opportunity will be afforded for the gratification of their ardent wishes. Another meeting will be held to-night.

SOMETHING GOOD.—We received yesterday a bottle labelled "Old Bourbon," the contents of which, some friends who tasted it, declared to be up to par. A note accompanying it signed Weld & Hanks—the firm has its office opposite the APPEAL—said: We hand you something good; confusion to old Abe. We have several barrels on hand—one is on tap, and our friends can get either a barrel or a gallon, as they desire."

RECORDER'S COURT.—Sixteen cases were before the recorder yesterday; thirteen persons were sent to the chain gang, and the small amount of six dollars fines was collected. It is evident that among the sixteen there were many poor; if we could know all we should perhaps find that there were also many who were unfortunate. There are mere reasons for pity in the cases of the miserable tenants of the chain gang than the world knows of.

ARRESTED.—Captain Charles King and his son, C. F. King, were yesterday arrested, at the instance of Mr. Standert, agent of the Ætna insurance company, charged with taking away the steamboat Cosmo, when in the charge of the United States marshal, in Wolf river. The parties were taken before Esquire Horne yesterday, when the trial of the case was postponed for a week. Marshal Sevier has gone down to Helena to retake the Cosmo, now lying there.

PATRIOTIC.—We have just been informed that Messrs Bendig and Mc[illegible], proprietors of the Memphis and Vicksburg packet line, have tendered to the Confederate States the use of their boats to transport men and munitions of war to any points in their trade, free of charge, and if the administration of Lincoln carries out its threat of stopping the mails, they will also carry them when delivered to them; so the work goes bravely on. Our cause is just, it must and will succeed.

ECLIPSE GUARDS.—The folks about the river being determined not to be outdone by the "long shore rats," have been meeting at the Eclipse wharf-boat and have organized themselves into a company which they have named the "Eclipse Guards." They already number thirty-nine men. Wm. F. Haynes, Esq., has been elected captain, W. Dick Love, 1st lieutenant, and R. C. Daniel 2d lieutenant. They have procured muskets and side arms for the whole.

PANOPTICON.—We learn that an exhibition is on its way to this city, and will be opened next week, that will attract much attention. The incidents and places called into notice by late events, is the subject. The taking of Sumter; the firing on the Star of the West, etc., a representation of the works at Pensacola; Montgomery and Washington; the passing of the Mississippi troops through Memphis, and other striking events and important places will be represented with artistic skill and the aid of thousands of figures, cannon, flags, etc., will afford a most gratifying exhibition.

CRIMINAL COURT.—On Tuesday evening Dennis Hays and Patrick Lemon were found guilty of robbing a newsboy; Lemon was sentenced to five years in the penitentiary, and Hays six months imprisonment in jail. James Ryan for larceny was sentenced to one month's imprisonment in jail. James Gallagher, alias James Courrier, charged with larceny, was on trial last evening. The grand jury returned some twenty-five bills of indictment against persons charged with unlawful gaming and selling of liquor. At this court the bail cases will be regularly taken up daily and forfeitures will be taken when the parties are not present. The case of Thomas Kelley, charged with robbery, was continued until next term.

SEVENTH WARD MEETING.—A large and enthusiastic meeting was held at No. 7 engine house last evening, for the purpose of forming a military company. Col. J. B. Sharpe was called to the chair, and Col. Ed. Pickett appointed secretary. Col. Sharpe explained the object of the meeting in an eloquent address, which was immediately responded to by the enrollment of eighty-five names. It was found that more men desired to enlist than were necessary to form one company, and it was announced that another meeting would be held this evening at the same place, to form another company. The company formed will also meet at the same place at 7½ p. m., for the purpose of electing officers and otherwise fully organizing.

☞ Pursuant to previous notice the committee of safety of the city of Memphis, convened at the office of F. Titus & Co., for the purpose of a more complete and permanent organization, whereupon Col. J. M. Gender was called to the chair, and F. W. Royster requested to act as secretary. The object of the meeting being fully discussed and explained by the chair, on motion, Col. F. Titus was elected permanent president; W. B. Miller, vice-president; J. M. Patrick, second vice-president, and F. W. Royster, Secretary. The following compose the members of this committee, appointed by the citizens of Memphis at Odd-Fellow's Hall on the evening of April 16th: F. Titus, L. Shanks, J. A. Woodruff, M. Magevney, D. R. Cook, C. Deloach, J. M. Gender, J. M. Patrick, W. B. Mill r, J. A. Cernes, R. Wormeley, Jas. Lenow, N. S. Bruce, E. Magevney, John Saffarrans, F. W. Royster, W. A. Bickford, C. B. Church, W. B. Greenlaw, D. M. Currie, J. Halstead, J. L. Safferans.

ATTENTION, MEN OF THE SECOND WARD! We, the undersigned, make a call upon the men of the second ward to meet at Exchange building on this (Thursday) evening, 5th inst., at half past seven o'clock, for the purpose of organizing a volunteer company, to be called the "Jeff Davis Invincibles." The special object of this call is to organize a company of substantial men, to co-operate with similar companies, now being formed, for the protection of our city, and to resist any attempt that may be made on the part of the federal authorities, to pass troops through our state, and, if necessary, to march at the call of their invincible chief, Jeff. Davis, either to repel the foe or prosecute the war to the very citadel of the capitol. We call upon all men who desire to sustain the South in this momentous crisis, and our motto shall be: "The age we live in, the country we live in, and the cause we espouse."

☞ The following resolution was adopted by the Military Board at its morning session on yesterday, and ordered to be published:

In view of the fact that subscriptions are being solicited of citizens for equipping and uniforming companies, some of whom have but partial organizations, and without complete and definite purposes, thereby lessening a probable defeat of the patriotic intention of subscribers,

Be it Resolved, That contributors for military purposes be requested to pay over their contributions to the board, who pledge themselves to receive through their treasurer, R. B. Mallory, all such subscriptions, and to expend the amounts subscribed towards equipping such companies as may satisfy this board of their proper claims.

DR. A. P. MERRILL, Chairman.

THE FIFTY THOUSAND DOLLAR GRANT.—On Tuesday the city council authorized an appropriation of fifty thousand dollars to put the city in a state of military defense. The various banks of the city yesterday undertook to furnish the amount, and are ready to make it a hundred thousand dollars if that sum should be wanted for the same purpose.

PERSONAL.—George W. Clarke, Esq., a naval officer of the United States, attached to the *Pocahatan*, a few days ago threw up his commission, being determined not to serve against his native South. His resignation was not accepted, but he left the service, and is at present at the Worsham house, on his way to his home in Arkansas.

☞ Those of our citizens who have so liberally subscribed for the purpose of defending the city, will please pay over the amount subscribed to the ward committees, to whom they have given their names.

Respectfully, R. D. BADGU, Mayor,
and Chm'n Military Committee.

SOLDIERS OF 1812.—We learn that citizens who were soldiers in the war of 1812 are joining the Home guard. We should be glad to learn the name of every patriotic veteran who thus comes forward at this juncture, if the parties themselves, or any one having knowledge of the matter, will please report to us.

JUVENILE MISCONDUCT.—There was a repetition to some extent, we learn, yesterday morning, of the misconduct lately perpetrated at the school on Second street, near Monroe, some disorderly boys again giving trouble there. The police was called, but the young rowdies made good their escape.

SOUTHERN FLAGS.—Messrs. Whitmore & Bro., of the APPEAL job office, have issued a beautiful flag of the Confederate States, about three feet long and in graceful proportions, printed on muslin, which they will furnish in any quantity at $1.50 singly, or at a reduction if taken in large numbers.

ELECTION OF MAGISTRATE.—We stated yesterday that an election will take place on the 25th inst., for magistrate, in the place of Esq. Horne, whose term has expired. A card in another place informs us that the present inspector, A. C. Kirwan, is a candidate for the office.

☞ A large consignment of boots and shoes will be sold at auction, by the case, to dealers, on six months time, this morning, at ten o'clock, by J. V. Gilbert & Co., auction and commission merchants, No. 182 Main street, opposite the Worsham house.

INSTRUCTION FOR CORRECTION.—Mr. Hines teacher of one of the public schools, has resigned his charge; he is returning to his home in Kentucky, where he will volunteer for the war. He has exchanged the task of instruction for that of correction.

DISORDERLY.—Bridget Solon fires in a portion of South Memphis known as "Happy Valley." For breaking up the beatitude of that paradise by keeping a disorderly house there, Bridget was yesterday fined twenty-five dollars by the recorder.

RECOVERING.—Patrick Madden, who was wounded, a few evenings ago, by James Coffee, is nearly well. The cut was on the head, behind the ear. Coffee, we are informed, is at liberty, no one having appeared against him at the recorder's court.

A METHODIST MILITARY COMPANY.—The *Argus* says that they are informed by the Rev. Mr. Harris, that a military company is being formed among the members of his church; it is to be called "Gideon's Band."

MAYNARD RIFLE COMPANY.—Forty-five men joined this company on Tuesday night. Their weapon is a tremendous one, and if an opportunity ever offers, they will be found murderously efficient.

CROCKET RANGERS.—This company paraded the city yesterday with musket and bayonet. Their manly appearance is indicative of the possession of a large share of "the true grit."

☞ A. S. Levy & Co. sell at their salesrooms this morning thirty cases tobacco, twenty-five thousand cigars, and other groceries, to close consignment; also, boots and shoes.

THE WEATHER.—We were favored with another cloudless and sunny day yesterday, but the wind was cool. We heard that there were symptoms of frost at early morning.

STEALING CHICKENS.—For stealing chickens and fighting another negro, Washington, slave of Mr. Garrett, was yesterday sentenced to thirty-nine lashes by the recorder.

RIFLED CANNON.—Major Wright received yesterday a splendid brass rifled cannon—a nine pounder. It was placed in the armory of the Steuben artillery.

FOR BATON ROUGE.—A company of forty-nine men, enlisted for the Confederated army, went down the river on the *Imperial* yesterday for Baton Rouge.

MILITARY.

At a meeting held for the purpose of forming a military organization, with the view to resist the coercive policy enunciated in the proclamation of Abraham Lincoln, W. A. Seay was called to the chair, and W. H. Walver appointed secretary. The object of the meeting having been explained, the following gentlemen enrolled their names:

John G. Hall, W. H. Weaver, R. P. Rowley, John D. Mitchell, E. S. Hammond, John S. Chapman, R. S. Akeley, Lace W. Finlay, Quitman D. Finlay, P. N. Howell, J. T. West, J. Mitchell, Thos. H. Francis, A. D. Geogane, C. J. Seay, D. D. Greenlaw, Sam. Lapsley, W. A. Seay, F. P. Pickle, E. H. Stebbins, J. T. Seabrook, jr. G. E. Rodiall, A. B. Coffee, M. D. L. Felts, Dr. S. P. Green, W. W. Walker, L. G. Rives, D. C. Shaw, Chas. T. Harrison, W. A. Ward, W. E. Smith, W. D. Steele, D. Lodspeich, John B. Childress, J. H. Roberts, R. E. Chew, Alfred E. McClure, J. W. Youngblood, Frank B. Dancy, Jas. Sonerville, W. B. Gates, B. C. Vickers, Jno. W. Hambleton, Reuben Rololard, Wm. H. Moore, James Moore, W. V. Hambleton, John F. Neff, E. Whitfield, Harry Sellers, T. W. Potter, W. S. Richardson, J. A. Williamson, Edgar S. Elliott, G. A. Cochrane, W. T. Beauchamp, Jas. H. Tompkins, P. L. Gooch, A. H. Douglass, E. A. Edmonson.

The flag of the Confederate States was then unanimously adopted as the banner under which they would rally. All the preliminaries of a thorough organization were perfected. They assumed the name of the "Shelby Grays," and adjourned to meet to-night at 8 o'clock, at the hall under the Gayoso house.

CITY FORTIFICATIONS.

EDITORS APPEAL: As so much as plans for city fortifications are fully matured, cannot the whole work be most speedily, economically and successfully prosecuted by a volunteer force from the planters of the surrounding country; each planter supplying as many negroes as he can conveniently spare from his crop, for a term of days or weeks, as the case may be, and let them perform the labor, under the direction of competent overseers? Planters will respond from all quarters, and we no doubt can raise an immediate, available, and most effective force in this way. D.
