FINANCIAL AND COMMERCIAL.

OFFICE OF THE DAILY APPEAL, Memphis, January 3, 1868.

There is no new feature in money matters. Rates are nominally as tight as during the past week. Exchange is large supply. The demand for Eastern bills is active, and indications are probable that very little paper will be offered in market. There is no change in the number in buying or selling rates.

Gold opened in New York at 135¾ and advanced to 136¼ at the close. Our dealers report a light day's transaction, with good market demand, buying at 132¼@132½, selling at 133.

There is a decidedly better feeling in City Stocks to-day, brought about by the result of Sunday's election. Holders are not offering freely in anticipation of an advance. Brokers are firm, and sell at 85.

City Warrants, though dull, are not quotably lower. Buying at 55c, and selling at 56@58c.

Police Scrip is dull at 50c buying, 75c selling at 75c.

Five thousand dollars Nashville city bonds sold at auction in New York on the 31st at 50c.

The Liverpool Cotton market to-day opened with active demand; Uplands, 7¾d; Orleans, 7¾d, and at 1:30 p.m. was firmer—Uplands, 7¾d, Orleans, 8d. The sales in that market for the week amounted to 50,000 bales, by far the largest sales of the season. The New York market opened with a good demand and prices advanced to 16½c for Middlings, and very little offering. The demand up till noon was active at 16½c prices, and closed the same. Our market was active and sales only limited by the receipts. An old merchant, and resident of Memphis for forty years, assured us that in that time he never saw as much excitement among buyers, and so much anxiety to take all offered. Holders are not on the anxious seat now. They have heretofore been the urgent party, but the tables are turned, and they manifest no disposition to uncover tables except to meet pressing wants. Good strictly good cotton are scarce; a holder of a bale of Middling Fair cotton told me for his lot during the day, stained cotton makes up the bulk of our stock on hand. The market closed firm.

There was more of excitement and hope apparent in the conversation and faces of our community to-day than has been witnessed for many months. Memphis has suffered, and will once more take her place as one of the chief markets of this continent. Her financial condition to-day is better by millions than 48 hours ago, and it is a matter of congratulation not measurable in words that this result should be brought about by our actions. The reign of rad-cal-ism—that knew no prospects and blight upon our future, has been overthrown by a majority of our people generally, was better to-day on all our thoroughfares. Corn is in fair supply at 135@70c upon the landing, but from 75@80c delivered. Cotton is still square upon the landing at 16@16½c. Bran, $60@65 per ton. Hay dull at $20@22. Cornmeal, $4 per barrel. Mess Pork is stiffer; selling in round lots from store at $22@23 per barrel. Hams, 18@19c. Sugar-cured hams, 19@20c. MEMPHIS APPEAL

BY TELEGRAPH.

Noon Dispatches.

NEW YORK, January 3.—A Washington special to the *Herald* says the rumor that Grant will refuse to retain his position in the War Office, if ordered to do so by the President, cannot be traced to a reliable source. If such an order was received it will be acted upon by Grant with a proper sense of right and duty.

It is stated that if the House Finance Committee don't propose a bill to secure the release of greenbacks equal to the amount withdrawn from circulation by contraction, such a bill will be presented by Gen. Butler.

Mr. Judd is pursuing the investigation of the whisky business, which will probably lead to an action by Congress looking to the more vigorous examination in the Internal Revenue Bureau.

No private letters passed between the President and Gen. Grant relative to the removal of Gen. Pope.

The *Times'* Washington special says that Gen. Grant took no action upon the telegram from New Orleans, urging the restoration of Gov. Wells, in order to save the fewer bonds from becoming worthless.

Gen. Howard has not issued orders forbidding Bureau officers to engage in politics in the Southern States. He has established a rule that the acceptance of an office must be considered as incompatible with the duties of officers of the Bureau.

A *Tribune* special says the State Department has not been informed by Burlingame of his acceptance of the Chinese Embassy.

The statement that Gen. Howard had indorsed a proposition for a loan of thirty million dollars to Southern planters, with a lien on their estates or crops, is incorrect.

The steamer Tarrytown was cut through by ice, yesterday morning, and sunk in the Hudson river. Her cargo was of merchandise, and valued at $30,000, which is a total loss.

To CONSUMPTIVES.

It is authentically stated that one-fifth of the inhabitants of this country and Europe die of Consumption. No disease has been more thoroughly studied, and its nature less understood; there is no disease upon which exists a greater diversity of opinion, and no disease which has more completely baffled all medical skill and remedial agencies.

Some of the prominent symptoms are Cough, Expectoration, Shortness of Breath, Pain about the Lungs and Chest, darting Pains in the Sides and Back Emaciation, and general negative condition of the whole system.

For one suffering with this dread disease, or any of its concomitants, should too no time in procuring the remedy of the proper Remedy in order that they may stay its ravages, and be restored to health. The

Rev. A. E. Wilson's

Prepared Prescription for the Cure of

Consumption, Asthma, Bronchitis,

COUGHS, COLDS,

And all Throat and Lung Affections,

By the use of which he was restored to health in a few weeks, after having suffered several years with a severe lung affection and that dread disease, Consumption, has now been in use over ten years with the most marked success.

This remedy is prepared from the original Receipt, strictly pure, by the Rev. EDWARD A. WILSON, 165 South Second street, Williamsburg, Kings county, New York.

A pamphlet containing the original prescription with full and explicit directions for preparation and use, together with short history of his case, with symptoms, experience and cure, can be obtained (free of charge) of Mr. Wilson, as above, or by calling on or addressing
