PATENT MEDICINES.

MRS. JACKSON'S

Queen Bess Complexion Wash.

THE following certificates, selected from hundreds in the possession of the proprietress, are confidentially submitted to the public:

MRS. WOLCOTT'S CERTIFICATE.

QUINCY, Ill., November 3, 1866.

MRS. JACKSON, *Dear Madam*—It is with pleasure that I certify to you, that before one of your circulars, which contained testimonials and indorsements from the best physicians and the highest medical authorities of the United States, certifying that your oils for the complexion and teeth were pure; that the oils, extracts and essences of flowers, and they warranted when used according to directions to cure the worst and most difficult cases of nursing sore mouth, canker of the stomach, bowels and dyspepsia. For conditions disordered, when used both internally and externally, it has no equal. Dear Madam, seeing this, and my little daughter, aged fifteen months, having the whooping cough for several months, accompanied with what the doctors call white canker, her mouth and throat being terribly ulcerated, and having tried everything for its relief I could hear of, all to no purpose, I bought one bottle of your oil for the complexion, called "Queen Bess," went according to the directions, did not use quite one bottle, and I am most happy to state to you that it has cured my child. She is now as well and hearty as ever she was in her life. I give you this, my certificate, hoping you will publish it, that thousands of others who may be afflicted with any of the eleven affections many of which are a bottle of your "Queen Bess," for I feel sure they will find immediate relief. Yours respectfully,

MRS. GEO. WOLCOTT,

Jersey street, bet. Sixth and Seventh.

MRS. WM. R. COLLINS' CERTIFICATE.

HANNIBAL, Mo., August 22, 1866.

MRS. JACKSON, *Dear Madam*—I am most happy to inform you that after having suffered more than three years with what some physicians call nursing sore mouth, or canker of the mouth and throat, I tried various remedies, but found nothing to do me any good until I heard of your oils for the complexion and teeth, called "Queen Bess." I bought one bottle, went according to directions, and am truly thankful to say I have owned a permanent cure. Hoping you will publish this, that other poor sufferers may be benefitted by it, I remain,

Yours respectfully,

MRS. WM. R. COLLINS.

AGENTS WANTED—Male or Female, in every town and county in the United States, to handle this celebrated preparation. Agents are now making from $100 to $200 per month, clear of all expenses. Applications for agencies can be made for the County of Mrs. Jackson, at the Whitemore House, Adams street, between Third and Fourth, Memphis; to the manufacturing depot, No. 113 Sixth street, St. Louis, Mo., either in person or by letter.

POPULAR WORKS ON FREEMASONRY

PUBLISHED BY THE

MASONIC PUBLISHING

—AND—

MANUFACTURING COMPANY,

432 Broome Street, New York.

LITURGY OF THE ANCIENT AND ACCEPTED Scottish Rite of Freemasonry, for the Southern Jurisdiction of the United States. By Albert Pike, 32d, Sov. Grand Commander. 8vo. Splendidly illustrated with Chromo-lithographic plates and numerous wood engravings, Part I., 4th to 14th degree, $5 00.

☞ It would perhaps seem unnecessary after giving the above title-page to say anything further in the way of recommendation. The name of the author should of itself be a sufficient guarantee of the worth of the work. His learning and contributions has done as much to elevate the standard of Masonic literature and extend a knowledge of its system, ethics and history as any other living man. This book, in its particular department, may justly be considered a masterpiece, embracing matter not only meet to the Masonic student of every grade, but to men of science in the highest literary field of the present age. Notwithstanding this book has been preceded by several of a similar character, viz.: to Bro. Pike alone is due the honor of first examining this branch of Masonic literature and of opening to the admiration of the craft its rich storehouse of knowledge and beauty. This work contains the degrees of the Ancient and Accepted Rite from the fourth to the fourteenth inclusive, is elegantly illustrated with chromo-lithograph engravings, showing all the jewels, clothing, furniture, etc., belonging to the degrees. No expense has been spared in getting it up, and it is without doubt the most at elegant, as well as one of the most useful books, ever offered to the Fraternity.

Published and for sale by the Masonic Publishing and Manufacturing Company, 432 Broome street, New York, and Booksellers generally in the United States.

☞ Copies of the above for the Memphis Brethren are ready for delivery at the Editorial Rooms of the APPEAL, 14 Jefferson street, upstairs. jw jan28

ANALYSIS OF THE

RALEIGH MINERAL SPRINGS.

THE SCHEME FOR THE DISPOSITION OF the Mineral Springs at Raleigh is before the public. That there may be no unsound reasoning as to the properties of the water, the analysis of five prized Springs is given to the public. The Springs respectively named, MARBLE, CROCK and EUREKA, were analyzed by the eminent chemist of St. Louis, Mr. Shumard. Subsequently, two other Springs have been dated and named respectively, MAGNOLIA and MANOLA. During the past summer the water of these Springs was submitted to Mr. Tho. Hoarner, one of the most learned chemists in this or any other country. The analysis, given below, was the work of time and laborious investigation, and according to the testimony of the very first physicians, has developed a combination of properties which, for curative virtues, are the surpassed by any mineral waters on the Continent.

BAYLESS OR BOX SPRING.

The following proportions of solid matter are contained in 10,000 grammes of this water:

116	Protocarbonate of Iron,
306	Carbonate or Lime,
97	Carbonate of Magnesia,
190	Chloride of Sodium,
525	Sulphate of Soda,
0.07	Sulphate Magnesia,
377	Silicic Acid,
769	Organic Substances,
	Traces of Silicate of Alumina,
2491	Free Carbonic Acid, equivalent to 1256.42 Cubic Centimeter, which serve to keep in solution the insoluble protocarbonates.

MAGNOLIA SPRING.

651	Protocarbonate of Iron,
204	Carbonate of Magnesia,
580	Carbonate or Lime,
112	Chloride of Sodium,
98	Sulphate of Soda,
98	Sulphate of Magnesia,
264	Silicic Acid,
387	Organic Substances,
	Traces of Chlorine and Phosphate of Alumina,
2887	Free Carbonic Acid, equivalent to 1456 cubic centimeter.

The largest amount of free Carbonic Acid in all the Springs of the Valley—specific gravity of these springs, 198.

EUREKA SPRING.

190	Chloride of Sodium,
142	Sulphate of Soda,
87	Sulph. Ide of Potassa,
44	Bicarbonate of Magnesia,
295	Protocarbonate of Iron,
504	Carbonate of Lime,
182	Sulphate of Alumina,
1792	Free Carbonic Acid Gas, equivalent to 912 Cubic Centimeters, which serves also to keep in solution the carbonate compounds with which it is partly united.

CROCK SPRING.

132	Chloride of Sodium,
18	Chloride of Potassium,
135	Chloride of Caesium,
8	Chloride of Magnesium,
148	Bicarbonate of Magnesium,
42	Protocarbonate of Iron,
159	Sulphate of Lime,
1065	Free Carbonic Acid, equivalent to 511 Cubic Centimeters.

Organic matter, with traces of Nitrogen.

This is the contents of solid matter in 10,000 grammes, as in the 3rd mentioned analysis, specific gravity, 1003.

MARBLE SPRING.

Specific gravity, 995. Calculation made on basis of 10,000 grammes.

10	Protocarbonate of Iron,
146	Chloride of Sodium,
214	Sulphate of Soda,
158	Sulphate of Potassa,
88	Sulphate of Alumina,
8	Carbonate of Lime,
420	Free Carbonic Acid, which is equivalent to 229 cubic centimeter, and is partly united with some of the salts, acting as their solvent in the combination.

There is also traces of Magnesia in the form of a Bicarbonate.

These Waters are a specific in the following diseases: Dyspepsia, Chronic Diarrhea, General Debility, Rheumatism, Scrofula, Syphilis, Scald Head, Torpid Liver, Neuralgia, Constipation, Periodical Headache, Leucorrhœa, etc. They are a powerful Stomachic and Tonic. They are exceedingly valuable in all diseases of debility or broken down constitutions, produced by previous sickness or long habits of violation of the Physiological Laws.

The title to the property is undisputed, and he who is so lucky as to draw either one of the premiums, will have no difficulty on that account. Any one who may have doubts upon the subject, can be satisfied by calling at this office, 280 Main street.

Price of Tickets, $5.
