PERSONAL AND GENERAL.

A SLIDE occurred on the Georgia division of the East Tennessee, Virginia and Georgia railroad, a few miles below Rome, Monday night. A passenger train ran into it, but the speed was so great that it passed through without leaving the track. One car was slightly damaged.

THE man who never saw a railroad train dies as often as the oldest Mason. This time he lives: to Wakefield, N. H., and was almost 100 years old. He had often expressed a wish to see the cars, but his friends gave him no opportunity. They wanted to make a paragraph of him when he died.

THE suit of Barbara Ironside, the Alabama Great Southern railroad for $25,000 damages for the death of her husband was concluded in the United States Court at Chattanooga Tuesday morning. The judge instructed the jury to render a verdict for the defendant. Motion was made for a new trial.

Serious Accident.

PLAINFIELD, N. J., April 12—The Lehigh Valley train collided with the Philadelphia and Reading train at the crossing of the former road with the Bound Brook road to Philadelphia this morning. Several persons are reported injured. The car each of the Philadelphia train overturned and all once caught fire. All the passengers were extricated before the flames reached them, but 13 received injuries. The serious injured are John W. Cray, fireman of the Lehigh Valley locomotive, dangerous cut on head and death likely to result; an unknown man was struck on the forehead and contusion of the brain is probable. The Lehigh Valley locomotive and passenger train left adjoining depots in Bound Brook at the same time, and from there to the scene of the accident the tracks run almost parallel. It is stated that the crew of the Lehigh Valley locomotive abandoned it after reversing. Some of the passengers declare that the locomotive and train raced all the way from Bound Brook to the crossing. The rear car of the Philadelphia train was entirely burned, and the one ahead badly wrecked. The Lehigh Valley engine was ditched and smashed.

HAIR VIGOR.

Various Causes—
Advancing years, care, sickness, disappointment, and hereditary predisposition—all operate to turn the hair gray, and either of them inclines it to shed prematurely. Ayer's Hair Vigor will restore faded or gray, light or red hair to a rich brown or deep black, as may be desired. It softens and cleanses the scalp, giving it a healthy action. It removes and cures dandruff and humors. By its use falling hair is checked, and a new growth will be produced in all cases where the follicles are not destroyed or the glands decayed. Its effects are beautifully shown on brasky, weak, or sickly hair, on which a few applications will prove its wonderful virtues. Harmless and sure in its results, it is incomparable as a dressing, and is especially valued for the soft lustre and richness of tone it imparts.

AYER'S HAIR VIGOR is colorless; contains neither oil nor dye; and will not soil or color white cambric, yet it lasts long on the hair, and keeps it fresh and vigorous, imparting an agreeable perfume.
