PERSONAL AND GENERAL.

A TRAIN of cars was stopped by caterpillars, which cover the iron rails and actually prevent travel, near Bird's Point, Mo., on Saturday last. The woods along the line for miles are entirely stripped of foliage, presenting the appearance of dead trees, while fruit and shade trees have suffered from the same cause. Much apprehension is felt as to the result.

VICKSBURG *Evening Post*, Saturday: "Track laying is in progress near the cemetery, some 200 tons of steel rails being dumped there. The first engine passed over the new bridge yesterday. It is believed that the track will be completed to Anthony's Ferry by the 15th of next month. It is the intention to complete the road between Vicksburg and Port Gibson as soon as possible."

COD LIVER OIL AND LIME.

WILBOR'S COMPOUND OF PURE COD LIVER OIL AND LIME.

Wilbor's Compound of Pure Cod Liver Oil and Lime.—The advantage of this compound over the plain Oil is, that the nauseating taste of the Oil is removed, and the whole rendered palatable. The offensive taste of the Oil has long served as a great objection to its use, in the form the trouble is obviated. A host of certificates might be given here to bear testimony to its excellence and success of "Wilbor's Cod Liver Oil and Lime;" but the fact that it is prescribed by the medical faculty is sufficient. For sale by all druggists. A. S. WILBOR, Chemist, Boston, and by all druggists.
