PERSONAL AND GENERAL.

THE mail car on the East Tennessee, Virginia and Georgia noon train missed connection at Chattanooga Monday. These failures are becoming of frequent occurrence, and the regularity of the mails is thereby seriously impaired.

IT is now thought that the New Orleans and Northeastern road, which will complete the Cincinnati Southern system as the short line to New Orleans, will be ready for trains in September next. The weather is favorable for rapid track-laying, and General Manager Scott is receiving the most encouraging advices from contractors.

A MEETING of a number of the representatives of the railway service was held in Cincinnati Monday night, to take action with reference to the permanent organization of a railway association, to be composed of the members of the profession in that city, and such others as may be admitted from other cities. The meeting was organized by the election of Mr. C. W. Williams, general agent of the Ohio and Mississippi, temporary chairman, and Mr. Oliver McKinney, secretary. The meeting was largely attended, and the cause enthusiastically advocated by all present. Another meeting will be held at the same place next Monday evening when a permanent organization will be effected.

THE Chesapeake, Ohio and Southwestern Railroad Company has come out ahead in its troubles with some of the Louisville property-holders. The latter becoming convinced that they could not unloose the road by their injunction suits have withdrawn them and accepted the road's offers of compromises. Work on the connection of this road will, therefore, be resumed, and with the re-unpiton will vanish the proposed road from Elizabethtown to Lexington. The people of Elizabethtown, who were particularly elated over the building of the latter named line, can now sing, "It was ever thus."

NASHVILLE *Banner*: "The Railroad Commission has adjourned formally until August 1st, when a regular meeting will be held. Col. Savage and Mr. Turley have gone home, but Gen. Gordon, the secretary, is in the office preparing the records. He was engaged to-day in making out a schedule of tariff on grain. The Commission have had so far but few complaints of overcharges filed with them. The majority of these were from small towns where there are no competing roads. As yet not a complaint has been made from Nashville. The smaller towns, for instance, Gallatin, complains that a car-load of grain will be shipped to Louisville from Nashville for less than it will be from Gallatin. This is given to show the nature of complaints made to the Commission. So far some of the railroads have complied with the request of the Commission to reduce the rates when called upon and Gen. Gordon thinks there will be no trouble with the railroads, as they seem to be disposed to do the right thing. During the past few weeks from this point rates have been reduced on grain and potatoes, and this reduction seems to give general satisfaction."

Consolidating Pools at St. Louis.

ST. LOUIS, July 18.—Representatives of the railroads interested in the east-bound live-stock, east-bound dead-freight and local coal pools have abolished their respective commissionerships, thus depoing R. M. Moore, of the dead-freight pool; Isaac H. Knox, of the live-stock, and L. G. Renner, of the local coal pool, and decided on a consolidation of the three commissionerships on and after August 1st. H. S. Depew, general freight agent of the Cairo Short Line, has been chosen commissioner of the consolidated pools, and will assume the duties August 1st.

NEW YORK, July 18.—Bonds—Governments a little better for 3s and 4s registered; other issues unchanged. Railways firm. State securities nominal.

STOCKS—The market during the forenoon was unsettled and lower, opening stronger and advancing ¼ to ½ per cent. up to 11 o'clock, at which time there was a raid on Canada Southern, which caused it to decline 3¼ per cent. by 12:30 o'clock. The decline in Canada Southern carried other Vanderbilts with it to a large extent. Michigan Central declined 2 per cent. and New York Central 1¼; Northwest declined 1 per cent. and Lake Shore, The Vanderbilts, of course, affected the whole market. Outside of them the decline was ¼ to 1¼, the latter Oregon and Transcontinental. Between 12:30 and 2 o'clock there was a further decline, followed by an advance in prices. In the last hour the market was dull and heavy and prices declined a fraction for a majority of the list. Canada Pacific was exceptionally weak, and declined 2¼ per cent. from 69½ to 67¼. Outside of this the decline in the last hour was ¼ to ¾, the latter New York Central to 114¼, though 4 of this was recovered and also a fraction on other stocks. These changes left the market ¼ to 1¼ lower than at the close last night, the greatest declines, however, being only on a few stocks, namely, Canada Southern 1¾, Michigan Central 1¾, Illinois Central (leased lines) 1 per cent. Outside of these the declines in the general list were only fractional, while there were some stocks higher, namely, Manhattan 2¼, Erie ¼, Jersey Central ¼, Oregon and Mississippi ¼, Oregon Improvement ¼, Pacific Mail ¼, Evansville ¼. The market closed generally steady. Richmond and Danville was exceptionally strong in the last hour, and advanced from 60 to 61 against 60 at the close last night and 58 at the lowest price today. Closing quotations were as follows:
