comes recommended in the highest terms of praise by numerous certificates from the highest Physicians, Oculists, Divines, and the most prominent men of the country, among whom there are those of MEMPHIS, TENN., and from all the principal cities of the United States.

MEMPHIS, TENN., December 13, 1884.

Some seventeen years ago, in the spring of 1867, our city was visited by one Professor Bernhardt, Dr. Morris Bernhardt, of Berlin, Prussia, who at that time had indorsements now in his possession—Gen. Fred. Salomon, Maj. Gen. U. S. A., John Phinney, M. D., Hon. E. Wren, M. P., F. R. Hosack, M. D., R. Dunlap, M. D., M. D., F. R. S. Irwin, M.D., A. B. Wilson, M. D., L. D. Gale, M. D., D. C. Dunlap, M. D., Hon. Jno. Netherland, Hon. Geo. W. Gordon, the Rev. J. C. Stubbs, the Rev. G. Pierce, D. D., the Rev. J. H. Aughey, D. D., the profession since then in the principal cities of the United States, and now in the principal cities in Chicago, indorsed by the Medical School in that city. Mr. Bernhardt, on account of ill health, had been obliged to retire from business to the business, and concluded to visit our city again. We have examined the certificates as well as a large and rare assortment of optical instruments and lenses for sale, and have no hesitation in believe from our interview with the Doctor that he is thoroughly competent to perform all he claims, and we therefore cordially recommend the Doctor to the favorable attention of all the citizens of Memphis and each indorse him.

RICHARD ABBITT,

J. M. PIERCE,
Pastor of Stranger's Church.

MEMPHIS, TENN., December 16, 1884.

I have been long familiar with the name and reputation of the above gentleman, and can assure that their indorsement is a guarantee for the Doctor's professional skill.

I gave Dr. M. Bernhardt, seventeen years ago, a certificate of my business with the one circulated, written by myself and gentlemen.

GEO. WHITE,
Rector Memphis Public Schools.

MEMPHIS, TENN., December 18, 1884.

Dr. Bernhardt has shown me testimonials of the indorsement of all the principal physicians and citizens of this city, the most of whom I know, and many of whom personally I know to be reliable.

He certainly stands at the top of his profession as an oculist, and possesses my entire and unhesitating confidence in him to do almost to the limits of the possibilities of the profession. He has the indorsements on both sides of the Atlantic.

REV. W. E. BULLOCK,
Pastor Christian Church.

John Atlee, M.D., the eminent surgeon of Lancaster, Pa., says: "Dr. Bernhardt has fitted glasses for my eyes, making the vision almost perfect, as in youth."

"Dr. Bernhardt's lenses are made of superior material, and with his aid, must materially assist indistinct of sight."

R. E. Fenton, ex-Governor New York.

"The glasses used in my family adapted by Dr. Bernhardt are of superior quality and workmanship. I have no hesitation in commending him as an accomplished and skillful optician.

J. O. Morton, ex-Governor of Indiana.

"Dr. Bernhardt's glasses, fitted to my eyes by him, are the best I ever used. I can see as perfectly with them as I could in youth. I heartily recommend him to the patronage of the public.

Jonathan Worth, ex-Governor North Carolina.

"The glasses admirably answer the purpose for which they were designed. It gives me great pleasure to certify to your skill, and to cordially commend you to all who have imperfect vision, with fullest confidence in your power to greatly assist them."

Ex-Governor Wisconsin.

"The perfect adaptability of the glasses fitted to my eyes is a sufficient guarantee of your high scientific skill as an optician.

R. M. Patton,
Ex-Governor of Alabama.

A. G. Curtin, ex-Governor Pennsylvania.

"Believed I could you price of another pair of glasses, during the years which have passed by. They are beyond comparison the best and easiest to adjust of any I have ever used. Should I ever be without them for any consideration, and desire another pair to keep in readiness to take their place in case of any accident to the pair I am using. Your skill in your profession makes you a public benefactor.

Joseph E. Brown, ex-Gov. Georgia.

"Dr. Bernhardt's skill must be of great benefit to those suffering themselves of it.

J. F. Hartranft, ex-Governor Pennsylvania.

By Telegraph.

NEW YORK, April 10.—Money on call continues easy at one per cent., closing at 1 per cent. Prime commercial paper, 4@5 per cent. Sterling exchange steady at $4 86½@4 87 for sixty days and $4 88@4 88½ for demand. Government bonds steady; actual business is done at 4s, 4½s.

Bonds—Government bonds are quiet but firm. State securities are dull but steady. Railroad bonds are quiet but generally firm. Stocks are generally well maintained.

Stocks—The stock market continues subject to the latest European war news. The opening was feverish and generally lower, but a rally in the first hour, on account of a general impression that there would be a peaceful solution of the difficulties between Russia and Afghanistan, more favorable, and the advance in Bankers of London, and the Continent of the Russian war scare, and the Egyptian difficulty was developed by an effort on the part of speculators to realize the profits on the recent upswing, to realize but after the first hour the market became dull and drifted lower, and generally within extremely narrow limits. Late there were some more selling orders pressed for sale, however, and the tendency of the market was comparatively active stocks was to find slightly lower quotations, and the tone of the price, which opened at 4 o'clock, when a slight rally occurred and the market closed dull and weak at the lowest quotations which, in most cases, are 1@½ per cent. higher than yesterday's closing prices. The sales, however, were several hundred thousand shares, and the final figures are the same. There is a revived belief in the troubles between Russia and Austria will assume a more definite shape in a few short time and in the meantime speculators are simply waiting, although the issues to such divided as to the different effect of the war between those countries upon property. In the meantime the bidding out news is hailed as an assurance of a general advance in prices, and there is a large class of railroad securities to which the produce of the soil, and of many manufactured articles, which represent the bulk of the business, tend to drive the market back into the rut into which it has been running for the last few years. The total sales 10-day were over 1,000,000 shares, a decrease from yesterday's sales of 100,000 shares, and the business of last week, of 1,000,000 shares, compared with the business of the last Northwestern by no other stock was there a dull and lifeless market, and there was not much as 10,000. Lake Shore opened at 70½, fell to 70, and at 4 o'clock broke in this morning to 69. After midday a drive was made at the stock, which depressed the price to 68½, but in the last hour there was a rally on a limited business to 69½, a net decline of one per cent. Western Union was down 1 per cent. Union Pacific was depressed for sale in the afternoon to 52, and the stock opened at 53½ and touched 48 in the morning, fell to 47½, and closed at 49½, a loss of 1 per cent. Lackawanna declined 1½ to 128½. Delaware and Hudson fell off 1 per cent. Chicago, Burlington and Quincy fell off 1½ per cent. Louisville and Nashville is 1 per cent. lower at 76½. The losses for the remainder of the list are less than 1 per cent. The Executive committee of the Oregon Railway and Navigation Company have declared a dividend of one and one-half per cent. quarterly, but in view of the snow blockade in Oregon and the fact that for the road during the winter the resolution recommends that payment be made six months later than usual. Sales aggregated 126,000 shares, as follows: Lake Shore, 12,000; Lake Shore, 12,000 Northwestern, 11,000 New York Central, 10,000 Pacific Mail, 15,000 St. Paul, 14,000 Union Pacific, 44,000 Western Union. Closing quotations were:
