HOUSEKEEPING APARTMENTS

A PHILA. BUILDER
of wide experience could not find any apartment quite meeting his exacting requirements for his own home—so he built a small and quite perfect apartment house, and all the space he desired for his own needs and has some left over. One suite of two rooms, kitchen and bath; one of three rooms, kitchen and bath, and one of five rooms, kitchen and bath—that is all, and when they are gone there will not soon again be anything like them.
They are, of course, desirable, beautiful and unusual in the extreme—if you would come and see them you would admit that the prices—from $100 to $250 per month—are a mighty small barrier in the way of securing so beautiful a home place; that is, for those fortunate persons of discrimination who appreciate that cost is secondary when one's requirements are perfectly fulfilled.
These apartments are located at 314 S. Broad st. Any information may be obtained and reservations made through
