Step Across Line by Jimmy Brown Gives Atlantic City Win Over Jasper

CAMDEN HAS NO IDEA OF QUITTING

Fans Fail to Support Winning Team, but Reports of Blow-Up Are All Bunk

JEWELS LOSE TOUGH ONE

By WILLIAM S. DALLAS

REPORTS that Camden will quit the Eastern Basketball League are all bunk. Dr. Helm and Sheriff Corson, owners of the Skeeters, have no such intentions. The rumors said that the club may be transferred to Musical Fund Hall and play in this city.

The other side of the story that the Camden fans have failed to support their team is absolutely true. The attendance the last two weeks at the Coatesville and Reading games has sure been disheartening.

It is pretty tough to have a team fighting for the pennant and yet find that at the end of each of the last two games you have to dig down into your jeans for $400 or a total of $800 by two nights.

Such is the Camden situation, and it is not a square deal for two such men as the doctor and Sheriff, who have given their patrons the best they have. When this situation holds in basketball with a winning team the fan can draw a fair picture of what it means when the club is hugging the second division.

The next two games with Trenton and the Celtics will see capacity houses. The fans imagine the owners become millionaires when a good crowd is on hand, but if they only knew the real attendance figures and not those generally handed out they would receive another rude surprise.

No, Camden will not quit the Eastern League or even be transferred, but the Jersey fans are not giving the team owners a square deal.

Brown Throws Away a Game

Harry Riconda, guard of the Jasper team, was injured last night a few minutes before the end of the game with Atlantic City. Jimmy Brown was selected to take his place and James just tossed a perfectly won victory for Jasper away.

Johnny Beckman scored a field goal on him a minute after he was in action, but this was a long shot that no one could stop. James, a few seconds later, committed the breach of etiquette that cost his team a victory and sent the fans home downhearted.

He was fouled by Beckman. He approached the foul line in a careless, all-hearted sort of fashion and just tossed the ball at the net any old way. The shot was true and the goal counted. It was thrown out by Referee Ferguson, who said that Brown was half way over the mark to the basket. It has been a long while in the Eastern League that a foul has been tossed out by an official for any reason, but this one cost Jasper a victory, as it allowed Atlantic City to tie the score and then win out in an extra period.

Jewels Take Lead

Jasper assumed the lead right at the start when Marty Friedman scored two long goals. Leonard then got the Celts' only two-pointer of the first half. The score was close all during the period and tied at 10, but Jasper rallied and finished ahead, 15 to 13. Sedran and Holman also getting two-pointers in the half.

A field goal and two-pointer by Newman gave the Jewels a good lead at the start of the second half and they were ahead at 21-13 when Johnny Beckman caged a couple of shots, followed by one from Holman and the score was 22-20. The figures moved up on fouls and Jasper was still ahead, 23-21, when Riconda was forced to retire.

The Celts scored a one-pointer and then Beckman got loose and dropped in a long one which put his team ahead at 24-23. Newman tied the score on a foul, one by Friedman gave Jasper a point lead and then Brown made his. It was thrown out by Referee "Midge" Ferguson and two seconds later Beckman tied the score with a foul, when Jasper should have won.

An extra period was in order, and the Atlantic City boys scored field goals by Leonard and Beckman, while Beckman and Friedman registered one-pointers. The game was hard played, Sedran and Holman battling all night and all the others had hard individual battles.

PHILA. TRUST GIRLS LEAD PIN TOPPLERS

First National Lassies, However, Are Pressing for Duck-Pin Honors

THE race for honors in the Girls' Financial Bowling League in this city waxes more and more furious. The duck-pin matches are played each Monday night in Mike Costa's alleys here.

The Philadelphia Trust girls are now leading the league with twenty-seven games won and six lost, while First National is close behind. This team has won twenty-six games and lost seven.

Miss Kelley, Philadelphia Trust, leads the league in individual scoring, having played in thirty games, bowled 3026 pins, for an average of 100.9. Next comes Miss Blackmore, Commonwealth, eighteen games, 1654 pins, for an average of 91.9.

Most of the fair bowling maids spend the day pounding a typewriter, juggling decimals or taking dictation from the "boss." At the end of a hard day it is delightful for them to get on Costa's varnished alleys to massacre a couple of hundred duck-pins.

Some Upsets

Last Monday night Section A of the league reached the midway mark of their schedule. The leaders were given a jolt.

Union National trounced First National, two games out of three, and then Commonwealth Trust pulled the big upset of the season, handing the hitherto invincible Philadelphia Trust team a triple beating.

The aftermath of these results is that all four of these teams have a fighting chance for the cup. The second half of the schedule should be replete with crucial battles, in which duck-pins, not hairpins, will fly.

Figures compiled of individual performances, as usual, show Miss Kelley, the mainstay of the Philadelphia Trust quintet, leading with a high average of 100.9. She is nine points ahead of her nearest rival.

High score or a single game, 143 pins, is credited to Miss Brown, of the Commonwealth.

Averages of the leading ten girls follow:

	G.	Pins	Avg.
Miss Kelley, Phila. Trust	30	3026	100.9
Miss Blackmore, Commonwealth	18	1654	91.9

VILLANOVA QUINTET IN REFEREE DISPUTE

Coach Saxe Orders Players Off Floor in Game With Lafayette at Easton

Easton, Pa., Dec. 15. — With but twenty-five seconds of play remaining in the second half of its game here last night with the Lafayette College quintet, the Villanova College basketball team was called off the floor by Coach "Mike" Saxe. The Main Line team coach is said to have claimed Referee B. A. Briody, of Bethlehem, had struck the Villanova captain, Gray, while protesting a Lafayette field goal that gave Coach Bill Anderson's pupils a 36-to-33 lead.

With thirty seconds to go and leading by the score of 34 to 33, the Lafayette team gathered under its basket to "freeze" the ball. Suddenly MacDonald, the home center, who had reentered the game following Brennan's banishment via the personal foul rule, dashed down the floor. He took a long pass under the basket and made a field goal. Captain Gray protested to Referee Briody that MacDonald had stepped out of bounds while making the shot. In the discussion that followed Coach Saxe says Briody struck Gray and therefore he called his team off the floor.

Referee Briody stated after the game that the Villanova players had jostled him and that he put up his hands in self-defense. Briody called a foul on Gray, but in the departure of the Villanova players Johnny Crate did not shoot the foul, leaving the score 36 to 33.

'STRANGLER' LEWIS RETAINS HIS TITLE

Stanislaus Zbyszko Weakens After Gaining First Fall Over Wrestling Champion

St. Louis, Mo., Dec. 15.—Ed ("Strangler") Lewis, of San Jose, Calif., today retained his title of world's heavyweight wrestling champion after a grueling three-fall match last night with Stanislaus Zbyszko, from whom he wrested the championship one year ago at Wichita, Kan.

Outweighed and with the additional handicap of twelve years in age, the Polish veteran of more than 1100 wrestling battles brought all his craft into play in his second attempt to regain the title, taking the first fall with a flying mare when he threw the champion over his head and smashed him against the floor.

Lewis' crushing headlock won the second fall, however, after a series of toe holds weakened his forty-three-year-old opponent. In the struggle for the fall Zbyszko's right shoulder was dislocated and it was with an armlock around the injured shoulder that Lewis won the third fall and match.

Zbyszko gamely went on for the deciding fall after his shoulder had been snapped back into place, and fought his way out of dangerous holds repeatedly after his seconds were about to toss in a towel in token of defeat.

The men wrestled before the largest crowd that ever saw a wrestling contest here, approximately 12,000 persons. Receipts were approximately $16,600. Lewis received $7500 and Zbyszko $4500.
