SOMETHING WORTH KNOWING.
Here is a new conundrum for you: What is the difference between an opportunity lost and the same opportunity improved? For answer, call at our store and we will demonstrate to you that the difference is a matter of $$$ and cee TO YOU. For example, we are now, during our great removal sale, offering choice furniture at prices that surprise and gladden our patrons, for the stock must be closed out before we remove. Now, if you take advantage of this opportunity, it means $$$ IN YOUR POCKET; if you don't, you're OUT the same amount, for furniture you must have sooner or later. If the importance of the foregoing isn't apparent to you, call at our store and we will make it so.
